STABILITY and CONFIDENCE

It is a well known fact that stability produces confidence. The stability of the Caroline County Bank gives the people confidence in this banking institution—and thus it grows steadily and securely, like the sturdy oak.

Ask some one of your friends how pleasant it is to get a check for $25, $50, or $100 two weeks before Christmas. Ask them how easy it is to put a little by for the first fifty weeks in the year.

Your money does not lie idle. There is accrued interest which is added to the amount on the face of the check.

It has been estimated that about half of the money thus saved is used for buying Christmas presents. The remainder is used for taxes, rent, current bills and Savings Account.
