DREXEL NINE DEFEATED

Washington College Has Easy Time With Its Opponent.

The Washington College baseball team opened its session here Saturday by defeating the Drexel Institute nine, 9 to 1.

The Chestertown boys experienced little difficulty in taking the Philadelphia lads into camp. Waddell's offerings proved easy for the local batsmen, who touched him up for 13 bingles, 3 of them being doubles.

On the other hand, the visitors seemed unable to touch any of the three twirlers sent in by Washington Biddle, who took the mound for the first three sessions, held them without a safety. Enright the Eastern Shoremen's new find, who made his debut in a Washington suit today, went in for the next three sessions and benched five of the visitors by the strikeout route. Brown, a former local high school lad, then relieved him. He also proved too much for the Drexel stick wielders.

The visitors' fielding at times was ragged, several costly errors being registered. However, after the first session they seemed to tighten up, although Waddell weakened steadily. Washington's fielding was of a stellar character, only one misplay being made.

Drexel's lone score came in the seventh, when Evans tallied a safety. Walls reached first when a ground ball down the base line hit the sack and bounced. Goshorn's grounder to third scored Evans.

For Washington the work of Bourland in the score-making department was the feature of the game, while the fielding of the entire team was good. Evans played best for the visitors, although De Maris gave a fine exhibition on the first sack. Score:

Subscription Dance.—An event that promises to be one of the most delightful social affairs of the season, will be a subscription dance at the Chesapeake Hotel, Betterton, Friday evening, April 23rd. An admission of 50 cents will be asked. Patronesses—Mrs. Jerome McCauley, Mrs. Stonewall J. Johnson, Mrs. E. McCauley, Mrs. John H. O. Stokes, Mrs. Jessie B. Coleman, Mrs. Clarence T. Newsome. The dance is given to raise funds to build a Catholic church in Betterton and has the hearty support of not only all the Catholics of the county, but of many well-known Protestants. For a long time it has been fully realized that a Catholic church there is not only essential, but an absolute necessity, for the welfare and advancement of the town. It is an acknowledged fact that more than one half of the Christian element patronizing this resort during the summer are Catholics, and having no consecrated place of worship, has found it a hardship, and has undobtedly kept away many who might otherwise have spent their vacation with us. It is proposed building as soon as enough funds are in hand to justify doing so. And if arrangements can be made to have both early and late mass during the summer season. It is interesting to know that many persons outside of the county are taking an active part in helping to raise funds for this church, especially so in Baltimore.

AUTOMOBILE DRIVERS MUST NOT DRINK

A single drink of liquor imbibed by operators of automobiles will result in license being forfeited immediately, provided State Vehicle Commissioner Harry A. Roe is convinced that the licensee has been guilty of consuming intoxicants while at the wheel of a car.

This edict has been issued by Commissioner Roe after a careful analysis of motor accidents in Maryland. He has spread it broadcast in a crusade his department is waging against reckless drivers.

"I have decided," Mr Roe announced "to put an end to reckless driving, and especially to reckless driving superinduced by strong drinks, if it is possible for me to do so.

"To accomplish my purpose, it will be necessary for me to refuse to distinguish be tween people who drink little and those who drink much. I shall, therefore, in the future, revoke the license of every automobile driver who is brought before me if it can be shown that the accused has been drinking while operating his car.

"This in my judgement, is the only safe rule to follow. I do not wish to pose as an authority on drink or what constitutes drunkenness. I see no ray of hope in so-called sobriety.

"Therefore, I must conclude that a chauffeur or car owner who has taken one drink is as guilty as the motor operator who technically is considered full. I am vested with full authority by law to forfeit licenses for such offenses, and I certainly shall."

Ten Weeks In Bed—Eminent Physicians Failed—Wonderful Recovery.

I wish to inform you of the great benefit I have derived from the use of Swamp Root. I had been a sufferer for more than twenty years from kidney and liver trouble and was almost constantly treated by the most eminent physicians who could only give me temporary relief. I had been in bed ten weeks when I began the use of Swamp-Root. Inside of twenty-four hours I could see that I had been greatly benefitted. I continued to use Swamp-Root until I had used several bottles when I really felt that my old trouble was completely cured and I am positive that any person suffering with kidney or liver trouble can be cured by the use of this preparation.

I am now in the best of health, better than I have been for ten years or more. I do not know how to express myself as strongly as I desire, in favor of Dr. Kilmer's Swamp-Root as I am sure that it saved my life and that my good health is due entirely to this great remedy. I heartly recommend it to every sufferer and am confident they can be benefited as I have been. It is a pleasure for me, gentlemen, to hand you this recommendation. MRS. H. J. PRICE,
1406 Center St. Portsmouth, Ohio.

Personally appeared before me this 13th of September, 1909, Mrs. H. J Price, who subscribed the above statement and made oath that the same is true in substance and in fact.

"JOHN BAER" FIRST TOMATO PICKED THIS YEAR.

Mr. J. T. Wilson, Calvert Co., Md., August 19, 1914, writes: "'John Baer' Tomatoes are the earliest I have ever raised. They would have been very much earlier but for the long, dry season which nearly killed them; even then I was the first in my neighborhood to pick tomatoes. It is a fine tomato for table use or for canning. It has not as many seeds as other tomatoes. You can recommend 'John Baer' tomato highly for early use."

CAME FOR TEN MILES AROUND TO SEE "JOHN BAER" TOMATOES.

Mr. Thos. Howe, Washington Co., Md., writes July 30, 1914: "'John Baer' tomatoes done so fine for me I cannot say enough about them. I grew 1500 plants from the $1.00 package of seed. I picked fine ripe tomatoes from the last part of June to the last of July—300 baskets in all, selling them at $1.25 per basket and now the vines are still loaded with tomatoes. There were absolutely no cripples among them. Some of the vines had 105 tomatoes. People came for 10 miles around to see them. If I had bought one-quarter pound of the seed I should have made several hundred dollars more off the crop. Solid first, second, and third pickings. Picked every other day since starting to pick."

"JOHN BAER"—3 WEEKS AHEAD OF ANY OTHER TOMATO

Mr. R. T. Scott Nottoway Co., Va., August 24, 1914, writes: "'John Baer' Tomatoes were ready for market three weeks before any other tomato in our locality. I have been picking fine, large tomatoes off of them for over two months. I had a very successful crop."
