### MARYLAND HAS THE FINEST SYSTEM OF AUTO CAMPS

Maryland has the finest system of auto camp administration in America. This is the statement of L. C. Murdock, executive secretary of the Izaak Walton League of America, following a tour through 21 states last summer.

And good mechanical arrangements are not all that Maryland offers.

Here's what Mr. Murdock says:

"Perhaps a cold analysis will find other states in this country boasting of as good accomodations for the motor traveller as Maryland," he said, "but such things alone do not insure the comfort and happiness of the camper. What is especially necessary is a welcome, and real hospitality, the feeling that you were a guest, prevailed throughout Maryland. It is especially fine that Maryland has contrived to combine excellent accomodations with that other great essential—true hospitality."

As an example of what he means Mr. Murdock pointed to the thoughtfulness of the state highway department in erecting, at each camp, a sign board indicating the distance to the next camps in both directions.

"This was a distinct advantage not found elsewhere," he said.

The Izaark Walton League is about to organize a state division in this state, according to Mr. Murdock.

"The outdoor wonders, the wild life and its habitat, of this state must be passed on to those who come after us, as well as providing a maximum of enjoyment to present day outdoor lovers," he declared.

The national headquarters of the Walton League, 536 Lake Shore Drive, Chicago, is taking steps to organize sportsmen in Maryland. Since the announcement of the campaign was made, a number of sportsmen have enlisted to help in this state, he said.

He was a Christian gentleman and highly respected by all who knew him.

Interment was in the Hurlock cemetery.

Though suffering, he breathed not a murmur
For the Comforter stood by his side
And whispered: Fear not, I am with thee,
With me thou shalt ever abide.

Those memories will linger forever,
Time cannot change them, 'tis true,
Years that come cannot sever,
Our loving remembrance of you.

Surrounded by friends we are lonely,
In the midst of pleasure we are blue
A smile of our faces and a heart ache
Always thinking of you.
