HOSIERY

We are, as we have always been headquarters for hose. We have children's hose, the best that money can buy, for 15c per pair, or 2 pairs for 25c. They are hard to tell from the regular 25c a pair quality. We have a special grade of ladies hose, medium weight and great wearers, at 3 pairs for $1.0

CORSETS

The best advertisement on earth that a man can have is a satisfied customer. A lady whoever puts on a pair of Bon Ton or Royal Worcester Corsets is certainly satisfied and comfortable and she tells her friends and neighbors. That's the cause of our immense sale.

GROCERIES

This is the season of the year for parties and when giving one you always want nice things to eat. We have the best at all times. Why pay a high price for second grade goods when you can get the best here.

We use coffee as our leader. We have a special grade of coffee which are selling at 20c a pound and which cannot be duplicated at any other store for less than 25c a pound. Our 28c quality, our customers say, is as good as they are used to paying 35c a pound for. Try a pound, and if not satisfied no charge will be made for it.

Soliciting a trial to convince you am yours for business.

RHEUMATISM ARRESTED

Many people suffer the tortures of lame muscles and stiffened joints because of impurities in the blood, and each succeeding attack seems more acute until rheumatism has invaded the whole system.

To arrest rheumatism it is quite as important to improve your general health as to purify your blood, and the cod liver oil in Scott's Emulsion is nature's great blood-maker, while its medicinal nourishment strengthens the organs to expel the impurities and upbuild your strength.

Scott's Emulsion is helping thousands every day who could not find other relief. Refuse the alcoholic substitutes.

"I have kept my hogs healthy and free from Cholera with Cal-Sino Hog Restorative even though neighboring farmers were losing their hogs from the disease."

THE JAMES OLIVER No. 11 SULKY PLOW

By reason of its simple construction, light weight, easy draft, durability, and perfect work is

THE BEST PLOW YOU CAN BUY

SOME OF THE REASONS

The only sulky plow made with which you can turn either flee or new equally well, leaving no hard spots, and avoid the necessity of plowing out corners.

It is the lightest draft riding plow made, due to the entire absence of landside friction and the even distribution of the load. The weight of the plow and driver is CARRIED instead of being DRAGGED along.

One share on the No. 11 will outlast four walking plow shares. It holds to the ground at all times, especially in dry weather. May be used with or without tongue. The turning and scouring qualities of the OLIVER PLOW BASES are unequalled.

Right after harvest you will be ready for your plow again. We have sold over 150 of No. 11 Oliver Sulky Plows within the last twelve months and will have what you may need for this Fall. Expecting another carload any day now

MORE RICH NECK SALES

Two more of the famous Rich Neck Farms' herd of Guernsey cattle left Talbot Tuesday morning, having been shipped by express to their purchasers Messrs. I. W. and T. W. Roberts, sons of former President Roberts of the Pennsylvania Railroad, at Bala, Pa. The animals were Apollo of Rich Neck and Mignonette of Rich Neck, and the purchase price was $2 000 for each animal. The Messrs. Roberts are the owners of Nella J., a noted Guernsey cow, which however, was beaten in record by Mignonette. They have a fine herd of Guernseys, the quality of which will be materially improved by these additions.

DELAWARE STATE FAIR THE GREATEST EVER

Coming Event Next Month to be The Best Ever Held in The State.

While there will be much to be done up until the last few days, arrangements for the Delaware State Fair at Wawaset Park, Wilmington, September 4, 5, 6, 7, 8, are well in hand, and there is every indication that the management will realize on their plans to make this the greatest fair Delaware has yet seen.

It was originally planned to make Tuesday children's day as usual, when all school children would be admitted free, but on account of the epidemic of infantile paralysis in New York and Pennsylvania and New Jersey, the Delaware State Board of Health has requested that the fair management cancel this arrangement. Therefore, there will be no free day for children, and furthermore children of 16 and under will not be admitted to the State fair grounds any day during the week. The fair management will enforce this order.

The exhibits this year will be greater than ever and the racing events promise genuine sport. Much interest centres in the automobile races on Labor Day, also the various programs for the evenings of the fair.

THE Hub store of Millington, Md., has in this issue their reorganizing sale where the whole stock must be cleaned out by September 9th. $5 00 in Gold will be given away to the one who guesses the nearest to how many beans is in the jar thats on display in their window.

THE clean-up sale at Sachs & Son has drawn many buyers and they announce in this issue to continue it another week.

Mr. Watson, like thousands of other merchants, is saving real money by using a VIM. He writes in part as follows:

"Gentlemen:—I formerly employed a number of horses and wagons, but I am now making my deliveries with one VIM Truck. I should say it will easily do the work of two horse and wagon outfits, and costs about the same as one horse and wagon."
THOMAS WATSON, 824 N. 13th Street.

Mr. Watson is covering more territory, making more sales, developing more new business because he has a VIM.

He has a graceful, "classy" car that is advertising his business.

He has a sturdy, durable, economical car that stands hard work.
