BETTERTON ITEMS.

Only a trip to Betterton is needed to convince one that it is gaining special rank in the list of Maryland resorts. Situated as it is, it commands a fine view of four rivers pouring their volumes of water into the Chesapeake. The view here at sunset or sunrise is beautiful beyond words to describe. The artist or the poet would find ample fields for the development of his art. The rush still continues from the cities, the feminine sex being by far the predominant portion of the summer visitors, the ratio about five to one.

Quite a large quantity of fruit is shipped daily from this point. The Ericsson Line is very late each evening in leaving her pier here owing to the large number of packages of fruit—pears, peaches and apples.

The Schriver, of the Baltimore and Philadelphia Line steamers, began her daily trips on Monday out of Sassafras river.

The smallest excursion to leave these wharves was on Wednesday afternoon when the steamer Susquehanna took an excursion from Georgetown and other points on Sassafras river to Tolchester. About *sixty* were aboard.

The waiters of the Chesapeake Hotel, assisted by Baltimore talent, gave a creditable entertainment at the above hotel last saturday evening.

The county convention last Tuesday made no mistake in nominating Capt. Harvey Brice, of this village, for county commissioner. Capt. Brice is a loyal Democrat, a man of excellent judgement and if elected, will serve the best interests of his county.

Mr. Howard Leigh, of the Baltimore and New York line of steamers, spent several days last week with his parents.

Mr. Clarence Leigh has secured a very desirable place with the Norfolk Line steamers.

Miss Nellie Skinner, of Baltimore is spending two weeks with Miss Nellie Dashiell.

PEACH NOTES.

The Present Week the Climax of the Peach Season in Kent.

The present week has been the big week of the peach season so far, with the probabilities that the total of shipments will not be exceeded.

The Chester River Company, to relieve the rush on its steamers, has chartered the Endeavor of the Queen Anne Railroad Company. This new accession to the fleet has come up as far as Emory's wharf for fruit.

Rolph's wharf is the heaviest shipping point on the upper Chester, with Chestertown a good second.

Thursday was the big shipping day of the season from Chestertown, the Ford and Corsica carrying over about 13,600 packages. Wednesday was the lightest day.

On Thursday 660 baskets of fine fruit which had been loaded in a refrigerator car for the North, were unloaded and shipped to Baltimore by boat.

Capt. R. S. Emory has been among those who have sold pears to buyers at the Chestertown station.

John Milnor, of Queen Anne, is credited with having made a shipment of the most beautiful peaches sent from Chestertown. Mr. John Smith's fruit has been fine.

The largest number of baskets carried by the corsica has been 9000 baskets on Wednesday. The Ford carried 3600 the same day.

A Minister's Good Work.

"I had a severe attack of bilious colic, got a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, took two doses and was entirely cured," says Rev. A. A. Power, of Emporia, Kan. "My neighbor across the street was sick for over a week, had two or three bottles of medicine from the doctor. He used them for three or four days without relief, then called in another doctor who treated him for some days and gave no relief, so discharged him. I went over to see him the next morning. He said his bowels were in a terrible fix, that they had been running off so long that it was almost bloody flux. I asked him if he had tried Chamberlain's Colic, Cholera and Diarrhoea Remedy and he said, 'No.' I went home and brought him my bottle and gave him one does; told him to take another dose in fifteen or twenty minutes if he did not find relief, but he took no more and was entirely cured."
