STELLA BIRD
versus
ELIJAH BIRD.

In the Circuit Court for Kent County, in Equity. No. 1973.

THE object of the Bill is to procure a decree for a divorce a vinculo matrimonii.

The Bill states:

1. That for more than two years last past your Oratrix has been, and still continues to be, a resident of the State of Maryland, and now resides in Kent county.

2. That your Oratrix and Elijah Bird, the Defendant, were married in the city of Wilmington, State of Delaware, on or about the 22d day of June, 1892 and lived together until some time during the month of May, 1913.

3. That no children have been born to your Oratrix and the said Elijah Bird as a result of such marriage.

4. That, although the conduct of your Oratrix towards her husband, the said Elijah Bird, has always been kind, affectionate and above reproach, the said Elijah Bird, without any just cause or reason, abandoned and deserted her, and has declared his intentions to live with her on longer; that said separation is deliberate and final, beyond any reasonable expectation of a reconciliation, and has continued uninterruptedly for more than three years last past.

5. That ever since their marriage your Oratrix has behaved herself as a faithful true and affectionate wife towards the said Elijah Bird

6. That the said Elijah Bird is a non-resident of the State of Maryland, and is now residing in the city of Wilmington, in the State of Delaware.

It is thereupon this 2nd day of October, 1916, ordered by the Circuit Court of Kent county in Equity, that the Plaintiff, by causing a copy of this order to be inserted in some newspaper published in said Kent county once in each of four successive weeks before the 6th day of November next, giving notice to the said Elijah Bird, non-resident defendant, warning him to to appear in this Court, in person or by solicitor, on or before the 24th day of November next, to show cause, if any he has, why a decree ought not to be passed as prayed.

IF you are a business man, if you are a professional man, if you are employed at a daily wage, make up your mind to deposit weekly a certain sum of money in the bank. You'll be surprised how the sum will grow. Cash in bank gingers up the man who has it there. He has more confidence in himself. The business man is ready for a dull season. He is ready for an opportunity.

So is the professional man. The man who is working for a daily wage and who hasn't any money in bank frequently is fearful of a loss of his situation. He does not work as well or with the confidence in himself as does the man with something laid aside for a rainy day.

HELP FOR WORKING WOMEN

Some Have to Keep on Until They Almost Drop. How Mrs. Conley Got Help.

Here is a letter from a woman who had to work, but was too weak and suffered too much to continue. How she regained health:—

Frankfort, Ky.—"I suffered so much with female weakness that I could not do my own work, had to hire it done. I heard so much about Lydia E. Pinkham's Vegetable Compound that I tried it. I took three bottles and I found it to be all you claim. Now I feel as well as ever I did and am able to do all my own work again. I recommend it to any woman suffering from female weakness. You may publish my letter if you wish."—Mrs. JAMES CONLEY, 516 St. Clair St., Frankfort, Ky.

No woman suffering from any form of female troubles should lose hope until she has given Lydia E. Pinkham's Vegetable Compound a fair trial.

This famous remedy, the medicinal ingredients of which are derived from native roots and herbs, has for forty years proved to be a most valuable tonic and invigorator of the female organism.

All women are invited to write to the Lydia E. Pinkham Medicine Co., Lynn, Mass., for special advice,—it will be confidential.
