St. Vitus's

Dance, or chorea, is one of the most pitiable afflictions humanity is called on to endure. That this disease can be cured, however, is proven by the fact that it *has been cured* by the use of Dr. Pierce's Favorite Prescription. The tranquilizing effect upon the nerves exercised by this remarkable medicine is witnessed to by thousands who have found healing and strength in its use. It not only cures womanly diseases, but it promotes the health of the whole body. It is a nerve-feeding, strength-giving, sleep-inducing medicine. It makes weak women strong and sick women well.

"Favorite Prescription" contains no alcohol and is entirely free from opium, cocaine, and all other narcotics. It cannot disagree with the weakest or most delicate constitution.

"When our daughter Lizzie had St. Vitus's dance, I happened to get one of your small books and read it," writes Henry L. Miller, Esq., of 1016 North 7th St., Burlington, Iowa. "Among other things I found that Dr. Pierce's Favorite Prescription cured patients suffering from that trouble, so I went out and got a bottle. She was very bad at that time and could hardly talk. When I read about your medicine in that small book, I said to myself, with the help of God and that medicine we can cure our daughter. We did so. Four bottles of 'Favorite Prescription' cured her, and I did not have to take her to the doctor any more. She is well, thank God and the 'Favorite Prescription' for it."

Dr. Pierce's Pleasant Pellets cure biliousness.

The about two thousand negro voters in Kent, practically constitute the strength of the Republican party of Kent county. It is their vote which controls the white farmer and the white taxpayer of the county.

A GHASTLY ENTERTAINMENT.

Crowds Witness an Execution in the Streets of Cairo.

With the object of striking terror into the hearts of evildoers, says London Truth, the authorities of Cairo lately decided that a murderer should be publicly executed in a square near the scene of his crime. It proved a most unfortunate experiment. The erection of the gallows on the previous evening at once attracted a crowd of idlers, and all through the night, says the Egyptian Gazette, the square bore the aspect of a popular fair. "Hawkers cried their wares, and fun and jest abounded." When the execution took place early next morning the neighborhood thronged with sightseers, who looked on "with no other care or interest than if it had been an incident of a Punch and Judy show." There were many native children present, and a correspondent tells me that they were so pleased with the ghastly entertainment that games of hanging immediately came into fashion, with the result that two little ones lost their lives. In England public executions are not, perhaps, such ancient history that we can afford to read moral lectures to the Egyptian authorities on that subject. It may be hoped, however, that they will have the wisdom to abandon the new system of hanging murderers where murders are committed, for it is clear that the horrible spectacles thus provided have an evil effect on the population.

Harvey Brice and Lewis C. Ayres are the Democratic candidates for County Commissioners. There could be none better; vote for them and none other.

The Humorist.

"A man in Chicago agrees to furnish all the necessaries for persons intent upon committing suicide."

"I don't think he can make it pay."

"Why not."

"How can he furnish the stuff at living rates?"—Cleveland Plain Dealer.

"It would be useless," said the old gentleman, "to tell you never to bet or gamble, for the modern youth thinks he cannot see the world without doing a little of both. But there is one thing I would like to have you remember."

"What is that?" asked the boy, who was leaving home for the first time.

"It is the great truth that more money is lost on dead sure things than in any other way. Always give the sure thing a wide berth; its dangerous."—Washington Post.

Bridegroom—I don't see anything of your father's $10,000 check. He promised it didn't he?

Bride—Yes, but he saw that your father had already given us one, and he knew we didn't care to have any duplicate presents.—Philadelphia Record.

OBSERVATIONS.

There never was a true book lover who could understand what "lonesomeness" means.

To amuse multitudes is perhaps not an exalted vocation, but it is a very difficult and useful one.

There is no crime in wishing, if it be not for our neighbor's goods, or his wife, or anything belonging to him.

If one could but write what goes on in the mind at times there would be another fearsome book of Revelations.

After one can eliminate the interrogation point from the life matrimonial all goes well.

It is very easy for a woman to look "well-preserved" when she is fed on sugar and steeped in honey.

It is better not to say all you mean than to mean nothing you say.

The way to a starved heart is through sweet words. For the spoiled beauty a little spurning is the wholesome thing.

God wills, woman wills, and man wills, but not in concert always.

Many a proposal is the direct result of a fine dinner.

He who fails once is to be pitied; twice to be watched; thrice to be condemned.

Mistaking attention for intention has been woman's bane.

A Violent Attack of Croup Cured.

"Last winter an infant child of mine had croup in a violent form," says Elder John W. Rogers, a Christian Evangelist, of Filley, Mo. "I gave her a few doses of Chamberlain's Cough Remedy and in a short time all danger was past and the child recovered." This remedy not only cures croup, but when given as soon as the first symptoms appear, will prevent the attack. It contains no opium or harmful substance and may be given as confidently to a baby as to an adult. For sale by M. A. Foulson.

Proclamation.

WHEREAS, at the January Session in the year nineteen hundred of the General Assembly of Maryland, bills were passed proposing amendments to the Constitution of the State:

First.—By amending section 9 of Article 5, of the Constitution of the State.

Second.—By amending section 4 of Article 3, of the Constitution of the State.

Third.—By amending section 2 of Article 3, of the Constitution of the State, which said bills and amendments are in words following, to wit:

CHAPTER 185.

AN ACT to amend section nine, of Article 5, of the Constitution of this State, and to provide for the submission of said amendment to the qualified voters of this State for adoption or rejection.

SECTION 1. *Be it enacted by the General Assembly of Maryland*, (three-fifths of all the members elected to each of the two Houses concurring,) That the following section be and the same is hereby proposed as an amendment to Article 5, of the Constitution of this State, and if adopted by the legal and qualified voters thereof, herein and as by law provided, it shall supersede and stand in the place and stead of section nine of said Article.

SECTION 9. The State's Attorney shall perform such duties and receive such fees and commissions or salary not exceeding three thousand dollars, as are now or may hereafter be prescribed by law; and if any State's Attorney shall receive any other fee or reward than such as is or may be allowed by law, he shall, on conviction thereof, be removed from office; provided that the State's Attorney for Baltimore city shall receive an annual salary of forty-five hundred dollars, and shall have power to appoint one deputy, at an annual salary not exceeding three thousand dollars, and such other assistants at such annual salaries not exceeding fifteen hundred dollars each, as the Supreme Bench of Baltimore City may authorize and approve; all of said salaries to be paid out of the fees of the said State's Attorney's office, as has heretofore been practiced.

SECTION 2. *And be it further enacted*, That the foregoing section hereby proposed as an amendment to the Constitution of this State, shall be, at the next general election for members of the General Assembly, to be held in this State, submitted to the legal and qualified voters thereof for their adoption or rejection, in pursuance of the direction contained in Article 14, of the Constitution; and at said election the vote on said proposed amendment shall be by ballot, and upon each ballot there shall be written or printed the words "For the Constitutional Amendment" or "Against the Constitutional Amendment," as the voter shall elect, and immediately after said election one return shall be made to the Governor of the vote on said proposed amendment, as directed by the said Fourteenth Article of the Constitution.

CHAPTER 432.

AN ACT to amend section four, of Article 3, of the Constitution of this State.

SECTION 1. *Be it enacted by the General Assembly of Maryland*, (three-fifths of all the members of the two Houses concurring,) That the following section be and the same is hereby proposed as an amendment to the Constitution of this State, and if adopted by the legal and qualified voters thereof as herein provided, said section shall supersede and stand in the place and instead of section four of Article 3, of said Constitution.

SECTION 4. As soon as may be after the taking and publishing of the National Census of 1900, or after the enumeration of the population of this State, under the authority thereof, there shall be an apportionment of representation in the House of Delegates, to be made on the following basis, to wit: Each of the several counties of the State, having a population of eighteen thousand souls or less, shall be entitled to two delegates; and every county having a population of over eighteen thousand and less than twenty-eight thousand souls, shall be entitled to three delegates; and every county having a population of twenty-eight thousand and less than forty thousand souls, shall be entitled to four delegates; and every county having a population of forty thousand and less than fifty-five thousand souls, shall be entitled to five delegates; and every county having a population of fifty-five thousand souls and upwards, shall be entitled to six delegates and no more; and each of the four legislative districts of the City of Baltimore shall be entitled to the number of delegates to which the largest county shall or may be entitled under the aforegoing apportionment, and the General Assembly shall have the power to provide by law, from time to time, for altering and changing the boundaries of the existing legislative districts of the City of Baltimore, so as to make them as near as may be of equal population; but said district shall always consist of contiguous territory.

SEC. 2. *And be it further enacted by the authority aforesaid*, That the said foregoing section hereby proposed as an amendment to the Constitution, shall, at the next election for members of the General Assembly of this State, to be held on the Tuesday next after the first Monday in the month of November, nineteen hundred and one, be submitted to the legal and qualified voters thereof, for their adoption or rejection, in pursuance of the directions contained in Article 14, of the Constitution of this State; and at the said election the vote on said proposed amendment to the Constitution shall be by ballot, and upon each ballot there shall be written or printed the words "For the Constitutional Amendment," or "Against the Constitutional Amendment," as the voter shall elect, and immediately after the said election due returns shall be made to the Governor of the vote for and against said proposed amendment, as directed by the said Article 14, of the Constitution.

Approved April 7, 1900.

CHAPTER 469.

AN ACT to amend section two of Article 3 of the Constitution of the State.

SECTION 1. *Be it enacted by the General Assembly of Maryland*, (three-fifths of all the members of the two Houses concurring,) That the following section be and the same is hereby proposed as an amendment to the Constitution of this State, and if adopted by the legal and qualified voters thereof, as herein provided, said section shall supersede and stand in the place and stead of section two of Article 3 of said Constitution.

2. The City of Baltimore shall be divided into four legislative districts as near as may be of equal population and of contiguous territory, and each of said legislative districts of Baltimore City, as they may from time to time be laid out, in accordance with the provisions hereof, and each county in the State, shall be entitled to one Senator, who shall be elected by the qualified voters of the said legislative districts of Baltimore City, and of the counties of the State, respectively, and shall serve for four years from the date of his election, subject to the classification of Senators hereafter provided for.

SEC. 2. *And be it further enacted by the authority aforesaid*, That the said foregoing section hereby proposed as an amendment to the Constitution shall at the next election for members of the General Assembly of this State, to be held on the Tuesday next after the first Monday in the month of November, nineteen hundred and one, be submitted to the legal and qualified voters thereof for their adoption or rejection, in pursuance of the directions contained in Article 14 of the Constitution of this State; and at the said election the vote on said proposed amendment to the Constitution shall be by ballot, and upon each ballot there shall be written or printed the words, "For the Constitutional Amendment," or "Against the Constitutional Amendment," as the voter shall elect, and immediately after said election due returns shall be made to the Governor of the vote for and against said proposed amendment, as directed by the said Fourteenth Article of the Constitution.

Approved April 7, 1900.

NOW, THEREFORE, I, JOHN WALTER SMITH, Governor of the State of Maryland, in pursuance of the provisions of section one of Article fourteen of the Constitution of the State, do hereby order and direct that a copy of said bills proposing said Constitutional Amendments be published in at least two newspapers in each county where so many may be published, and where not more than one may be published, then in that newspaper, and in three newspapers in the City of Baltimore, one of which shall be in the German language, once a week for at least three months preceding the next ensuing general election (which said general election will be held on Tuesday, the 5th day of November, nineteen hundred and one), at which the said proposed amendments shall be submitted to the qualified voters of the State for adoption or rejection, so that each amendment shall be voted on separately.

THE PAPER OF THE PEOPLE, FOR THE PEOPLE AND WITH THE PEOPLE.

THE BEST IN MOTIVE, FEARLESS IN EXPRESSION, SOUND IN PRINCIPLE.

A newspaper is an educator; there are all kinds of educators, but the man who spends money judiciously and liberally is better able to impart his knowledge than the man who has little or nothing to spend.

THE SUN is the highest type of a newspaper.

THE SUN'S SPECIAL CORRESPONDENTS throughout the United States, as well as in Europe, South Africa, China, and, in fact, all over the world, make it an up-to-date newspaper.

THE MARKET REPORTS and commercial features put the farmer, the merchant and the broker in close touch with the markets in Baltimore, Norfolk, Charleston, New York, Chicago, Philadelphia and other places which are prominent centers.

From now on the news of the world promises to be more interesting than ever before and rational and political questions will arise making probably the most eventful period in the country's history.

This, together with the corps of editors and reporters at Baltimore, Washington and New York, make the THE SUN invaluable to its readers.
