A Grand Democratic Rally

WILL BE HELD

IN CHESTERTOWN

On Monday, October 19th,

at 2.30 o'clock in the afternoon and at 7.30 o'clock in the evening. Speakers and particulars announced later.

WHY DID Boss McCOMAS give the nomination for Comptroller to Somerset instead of Kent? Sometimes the Boss has good reasons for doing what he does Why, we repeat, why?

THE FACT that Dr. Gordon T. Atkinson is *a new man* in politics makes him a particularly strong candidate for Comptroller. Sometimes candidates for office are *too well known* and they are turned down, don't you know.

IT IS AN INSULT to the honor and intelligence of the people of the State of Maryland that the Republican press all over the State should be guilty of such *smallness* as to make such an unjust an unwarranted *personal* attack upon a man like Edwin Warfield, such as appeared in the editorial columns of the *Enterprise* on Wednesday morning. The Democratic press throughout the entire State have always spoken of Hon. Stephenson A. Williams, the Republican candidate for Governor, in the highest terms. From our own intimate acquaintance with Mr. Williams, we know him to be a perfect getleman, and an able lawyer. But to make such a *personal* attack upon Edwin Warfield, a cultured gentlemen every inch of him, nd a man of independence of thought nd action, is a travesty upon the intelligence of the voter, and an insult to the ustice of every intelligent citizen of the tate of Maryland. The article referred to made its appearance first in the columns of the *Harford Times*, a paper owned and edited by Mr. John B. Hanna, Chairman of the Republican State Central Committee, and has become the common property of all the Republican papers throughout the State to be hawked about for political purposes. Phillip Lee Goldsborough, as chairman of that committee would have never allowed an article of that sort to be hawked around the State, especially against a man of such honesty and integrity as is Edwin Warfield, and if this is the kind of campaign Mr. Hanna is going to conduct, he will not only prove his unfitness for the position he holds, but will smother his party in November. It seems to be the intention of the Republicans to resort to a campaign of abuse and to raise the cry of "boss," "boss." Such unjust methods always resp[illegible] reward.

COUNTY FINANCES.

The following is a comparative statement of bills rendered throughout the county for road work. $30,254 71 was spent last year on the roads, and this statement is designed to show the tax-payers of the county how the Republican Board of County Commissioners spent a great part of it. We refrain from publishing the names of the persons filing the bills, but they can be ascertained by looking over the levy of 1903. Let the tax-payers see from this statement if any of their money has been spent for political purposes.

FIRST DISTRICT.

To a Republican for road work—20 bills	$592.28
To a Democrat for read work —1 bill	49.02
To a Republican for road work 5 bills	468.44
To a Democrat for road work 4 bills	235.29

SECOND DISTRICT.

To a Republican (negro) for road work 10 bills	$309.77
To a Republican two bills each $204.75	409.50
To a Democrat for road work	9.86.

THIRD DISTRICT.

To a Republican (negro) for road work 11 bills	$329.66
To a Democrat for road work 3 bills	46.86.

FOURTH DISTRICT.

To a Republican for road work 2 bills	$231 84
To a Democrat for read work 1 bill	18 80

FIFTH DISTRICT.

To a Republican for road work 4 bills	$102 46
To a Democrat for road work 2 bills	9.66

It will be noticed that in the First District, one man presented **20** bills during the year amounting to **$592.28**. In the Second District one negro presented **10** bills amounting to **$309.77**. In the Third District another negro presented **11** bills amounting to **$329.66**. Is it possible for any one man to do **$592.28** worth of work on a small piece of county roads during the year? Tax payers there is a lesson in this statement for you. You have been made a party to a practice morally and socially vicious, and highly damaging to the best interests of our county. This is the way the Republican party has been winning elections for the past four years in Kent county, using the tax payers money for political purposes, thereby making every tax payer in the county a party in the contribution to a campaign fund.

THE REPUBLICAN ORGAN came out on Wednesday morning in bold and glaring headlines calling, "*Oystermen, Attention!*" to the oyster plank in the platforms of the two parties. The position of the Democrats they call a *straddle*, that of the Republicans a *pledge*. It is very doubtful whether any oysterman in Kent county can have any faith in a Republican pledge when it will require nearly every cent he can rake and scrape to pay his increased tax bills this year. Two years ago the Republicans *pledged* themselves to an economic administration of the county's affairs. They have kept that *pledge* beautifully by presenting the tax-payers of the county with a **$1.35** tax rate, and spending **$30,254.71** on the county road workers. This is the interest the Republican party has in the oystermen. They increase his taxes to an unreasonable rate, and force into his ranks competitive labor which but for an unlimited franchise, would be engaged in farm labor. Aside from this interest the Republican party has no use for the oystermen. He is never appointed to a Deputy Collectorship in the Internal Revenue Department or sent to the Legislature to protect his own interests. It's the same *chosen few* all the time Send Foxwell, Atkinson and Gibbs to the Legislature and you will find that the *claimed* Democratic *straddle* is worth fifty Republican pledges.

Tuesday next, October 6th, is the last day of Registration. Democrats, get registered.

STATE CHAIRMAN John B. Hanna, has this to say about the management of the Harford county roads in his paper:

"Thousands of dollars are wasted annually in Harford on the public roads. The method of road-mending is unbusiness like and would not be tolerated by any prudent man in the management of his own affairs. Road warrants are handed around in the most liberal manner to serve political purposes, and while of course there are many who render honest service for the money received, these are exceptional. The County Commissioners have ample authority under the law to introduce modern methods. They should be compelled to do so or surrender to others who will serve the people *first*."

Boss Hanna certainly cannot be posted on Republican management of Kent county's roads. $30,000, the amount spent by Kent county for roads per year for the past two or more years, is nearly twice as much as Harford county spends for the same purpose per year, and yet Harford's roads are *asphalt pavements* compared to Kent county's roads. Harford is a Democratic county because of economy and good management. Kent county will be Democratic after November 3, because of Republican mismanagement and extravagance. Somebody take Mr. Hanna riding over our roads when he comes to Kent, and sing to him "We've spent thirty thousand dollars on the roads this year, Old Fel."

MR. JOHN B. HANNA, who is managing the Republican campaign in the interest of Williams for Governor and McComas for the United States Senate, is the editor of the *Belair Times*, the Republican organ of Harford county. In commenting on the tax rate of **95** cents on the $100 which the Democratic Board of County Commissioners of that county has levied, $45,000 of which levy has been appropriated for public schools, Mr. Hanna says:

"That 95-cent tax rate is too burdensome to be born without earnest protest. This can best be emphasized by electing a member of the minority party as a check upon further extravagance. Democratic administration of the county comes too high—it is time for a change."

Wonder how Boss Hanna is going to talk about the tax-rate of **$1.35** which the Republican Board of County Commissioners has levied for Kent county, when he comes here to introduce the stump speakers? Democratic management gave Kent county a 95-cent tax rate. Republican administration gives the county **$1.35** tax rate. See Boss Hanna!

Ran a Ten Penny Nail Through His Hand.

While opening a box, J. C. Mount, of Three Mile Bay, N. Y., ran a ten penny nail through the fleshy part of his hand. "I thought at once of all the pain and soreness this would cause me," he says, "and immediately applied Chamberlain's Pain Balm and occasionally afterwards. To my surprise it removed all pain and soreness and the injured parts were soon healed." For sale by M. A Toulson.

What Did You Say?

Paint?

Yes, I have it, and it is the best the world has ever heard of. It is called

CARRARA

and I want to say to you,

IT HAS NO LEAD IN IT.

No deception, but has something in place of lead called Barium. It covers more space per gallon, wont fade, crack, peel or chalk—looks better, wears longer and is cheaper per house. Sold only in Kent and Queen Anne's counties by
