**Our farmers will be interested to know that the high price fixed by the Government for wheat during the war will continue for some time yet. A dispatch from Washington says that the guaranteed price for the 1919 wheat, fixed at $2.26 a bushel, Chicago basis, will stand, even though the Lever act under which the price was fixed should become inoperative thru conclusion of peace, in the opinion of the Food Administration.

GRANGE NOTES

At a special meeting of Chestertown Grange No. 248 held November 26th, it was ordered that we have a meeting of said Grange on Wednesday, December 18th, at 2.30 p. m to organize the Grange, lubricate its machinery, elect officers for the ensuing year and transact routine and other business of vital importance that may come before us. We are doing well and with the hearty co-operation of our membership will do better and our meetings prove more entertaining and profitable than in the past. Chestertown Grange was the only Grange in Kent county represented on the floor of the State Grange held in Westminster, Md., on December 2nd 3rd and 4th, which speaks volumes for interest which this Grange takes in Grange work. Come out in full force and let us have a record breaking sprint for 1919. We earnestly desire and expect a full attendance of our membership.

Worton Grange No. 314 is still holding its interesting meetings. Last Monday night the annual election of officers was held and the following officers were elected for next year: Master, Bro. R. P. Williams; Overseer, Bro. Carroll Loller; Lecturer, Sister Blanche Loller; Steward, Bro. Sewell Lee; Chaplain, Bro. B. F. Rash; Secretary, Sister Rebecca Fowler; Treasurer, W. M. Hadaway; Asstant Steward, Bro. G. E. Nicols; Gatekeeper, Bro. Clarence Fowler; Lady Assistant Steward, Sister Isabelle Williams; Ceres, Sister Sarah Williams; Flora, Sister, Gertrude Nicols; Pomona Sister Sylvia Rash; Press Correspondent, Sister Ethel Cooper; Pianist, Sister Rachel Carter. The different committees will be named later. The past year having proved very successful to this Grange, with this new corps of officers let us hope the coming year may prove equally as successful. Seven new members will be taken in next Monday night which is a splendid showing at the end of the year and good material for the coming year.

SPECIAL NOTICE TO BOATMEN.

That there may no misunderstanding about the recent regulations requiring boat owners to make returns to the Internal Revenue Office, Baltimore, Md., it will be well for such owners to understand tat all motor boats must make a return. This includes those under Five Tons as well as over; in other words, as stated above, the Government requires all motor boats having stationary engines, no matter how small or how large, whether sail, barge or what not must be registered. Those failing to make return are subject to a fine of not over one thousand dollars or one year's imprisonment, or both. All boats which are used for thansportation of freight other than their own production must make a return of tax on transportation.

The penalty for failure to make such return is sufficiently severe to make every owner understand that he or she cannot afford to be careless about the matter, as an excuse for not making the returns which it requires.

The undersigned Deputy Collector of Internal Revenue will be in Rock Hall, Md., from Dec. 13th to 19th, 1918; Chestertown, Md., Dec. 20th to 21, 1918, for the purpose of receiving returns. And all boat owners should see him so that he may advise them in the matter.

Respectfully,
F. S. MERKLING,
Deputy Collector.
