LET THE PEOPLE KNOW

IF you have goods or service to sell and carefully conceal the fact, the chances are that your sales will be few. If you want customers, you must let the people know where you are and what you have to sell or what you can do.

How are you going to let them know? One of the best of ways is to place the facts where they can be readily seen and often consulted by a large number of people.

WHERE is that? In the Telephone Directory. That's where you look to find others and others look to find you. Ask the Local Manager about it.

KENT ... O... EN

A List Of The White And C... from Kent County Who Enlisted Or Was Selected For Service In The Great War Just Closed--You Can Help Make It A Complete Record For All Future Generations.

The News has tried to collect and to make a complete roll of honor of all men who have enlisted or been selected by draft from Kent county during the great conflict which came to an end Nov. 11th 1918. This list will not be complete unless the parents and friends of boys whose names are unintentionally omitted will send same to us. We purpose to get this list and keep it in such permanent form that it can be filed in the Clerk's office at Chestertown for all future generations. Later it is our intention to ascertain the rank and branch of service of each soldier and thus make one of the most interesting chapters in the part Kent played in the World War. Will you help us? The list as best we could get it at this time follows:

FOR SALE OR RENT.

The late J. K. Aldridge house located on Water street adjacent to my home.

The property has more recently been occupied by Mr. L. H. Wood and family, who is changing his address to New York City.

This property is reputed to have cost Mr. Aldridge during his life time over $16,000.00. It is one of the most substantial residences in Kent county, has a beautiful outlook on the river, plate glass windows throughout the entire front of the house and the wood work is exceptional, with electric fixtures installed.

Will sell the property at a bargain, but failing to do this would like to have a good tenant.

HOW THIS NERVOUS WOMAN GOT WELL

Told by Herself. Her Sincerity Should Convince Others.

Christopher, Ill.—"For four years I suffered from irregularities, weakness, nervousness, and was in a run down condition. Two of our best doctors failed to do me any good. I heard so much about what Lydia E. Pinkham's Vegetable Compound had done for others, I tried it and was cured. I am no longer nervous, am regular, and in excellent health. I believe the Compound will cure any female trouble."—Mrs. ALICE HELLER, Christopher, Ill.

Nervousness is often a symptom of weakness or some functional derangement, which may be overcome by this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, as thousands of women have found by experience.

If complications exist, write Lydia E. Pinkham Medicine Co., Lynn, Mass., for suggestions in regard to your ailment. The result of its long experience is at your service.

WARNING TO CONSUMERS OF WATER IN CHESTERTOWN

On Saturday, January 4th, 1919, we stopped pumping at the plant with 82 lbs. pressure which is stand pipe and tank full of water—112,000 gallons. At 3 a. m. this was all gone. Wasted by patrons who allowed their faucets to run on account of the cold night. The Board wants to warn every person who does this that they are endangering every building in Chestertown in case of fire. We wish to call special attention to Abuses Prohibited Rules No. 2 and 6 age 10 and 11 of the company which absolutely prohibits this practice. Should there be no water on account of this waste we want the people to know who is responsible. To those who continue this practice it may be necessary to cut off their supply to protect the safety of the property in the town.
