ONE OF DR. CUPID'S PRESCRIPTIONS.

That Love sometimes cures disease is a fact that has recently been called to the attention of the public by a prominent physician and college professor. In some nervous diseases of women, such as hysteria, this physician gives instances where women were put in a pleasant frame of mind, were made happy by falling in love, and in consequence were cured of their nervous troubles—the weak, nervous system toned and stimulated by little Dr. Cupid—became strong and vigorous, almost without their knowledge. Many a woman is nervous and irritable, feels dragged down and worn out, for no reason that she can think of. She may be ever so much in love, but Dr. Cupid fails to cure her. In ninety-nine per cent. of these cases it is the womanly organism which requires attention; the weak back, dizzy spells and black circles about the eyes, are only symptoms. Go to the source of the trouble and correct the irregularities, the drains on the womanly system and the other symptoms disappear. So sure of it is the World's Dispensary Medical Association, proprietors of Dr. Pierce's Favorite Prescription, that they offer a $500 reward for women who cannot be cured of leucorrhea, female weakness, prolapsus, or falling of the womb. All they ask is a fair and reasonable trial of their means of cure.

Dr. Pierce's Pleasant Pellets clear the complexion and sweeten the breath, they cleanse and regulate the stomach, liver and bowels and produce permanent benefit and do not re-act on the system. One is a gentle laxative.

"The Common Sense Medical Adviser" is sent free, paper-bound, for 21 one-cent stamps to pay expense of mailing *only*. Send 31 stamps for cloth-bound copy. Address, World's Dispensary, Buffalo, N.Y.

SERMON TO GRADUATES.

The members of the graduating class of the Dover Public School recently attended services at the Wesley M. E. Church, and listended to an eloquent discourse by the pastor Rev. L. E. Barrett. The services were attended not only by graduates but also by many of the undergraduates, their relatives and friends.

Excellent music was furnished by a quartette composed of Misses Miriam S. Davidson, Mary B Wharton and Mr. S. Davidson, Mary B. Wharton and Mr. Massey and Mr. Wharton; Miss Wharton sang a solo.

Dr. Barrett took for his text: James, 4th chap. 14th verse, "What is Your Life?" After painting a vivid word picture of the graduates starting out in life, he proceeded to elaborate the text in the following points:

Life is first—Opportunity. We must use our opportunties if we would succeed. Every one has opportunity to succeed—not equal, as there is but little equality in the world. He mentioned Alexander, Cromwell, Napoleon, Paul, as among those who grasped and used opportunity, and won success in spite of great odds against them.

Life is—Love and Enthusiasm. We must have these to properly use opportunity. He illustrated this point by pointing to the examples of Edison, Mozart, Lincoln and Luther.

Life is—Achievement. Opportunity, love and enthusiam is but little use unless something is accomplished. The world, he said, was waiting with a smile, for those who achieve.

Life is also Fulfillment. We may achieve without fulfilling the great purpose of life. Success in art, sciene, law, medicine, etc., is not fulfillment unless we glorify God and do good to men.

Life is also Prophecy. All that has preceeded should be but the preparation for the life which is to come. He then closed by giving some good, wholesome advice to the graduates.

W. C. T. U. NOTES.

At this season when visitors to the St. Louis Exposition are interested in securing desirable board, the following list of safe places are recommended:

Women and girls wanting respectable lodgings in St. Louis apply to Woman's Christian Temperance Union, Centenary M. E. Church. 16th and Pine Sts., three blocks from depot; The Salvation Army, Eighth and Walnut Sts.; The Queen's Daughter's Home, 111 North Sixteenth Street; Travelers' Aid, W. C. Association, 1814 Washington Ave.

Get out of the ruts of prayer. Some of us can only pray in one way, and consequently we get tired of praying. The ruts of prayer are the deepest ruts in the world; pray sometimes standing up; then pray kneeling; then pray sitting down; then pray lying down on your couch at night. Pray in the morn-when the sun first streams in at your window. Pray at noonday when you stand up at a lunch counter in some big city. Pray at night when you go to a place of recreation. Never go to any place where prayer is impossible. Pray as you take the sleeper on the train at night, and the train rolls out of the big station into the darkness and unknown. Pray sometimes alone when nobody hears. Then get some dear friend to kneel down and lead you in prayer, and when your lips are dry and your heart is dull that other friend may lift you up to God.—W. H. P. Faunce.

What Can Be Done With Salt.

Salt cleanses the palate and furred tongue, and a gargle of salt and water is often efficacious. A pinch of salt on the tongue, followed ten minutes afterward by a drink of cold water, often cures a sick headache. Salt hardens gums, makes teeth white and sweetens the breath. Cut flowers may be kept fresh by adding salt to the water. Weak ankles should be rubbed with a solution of salt water and alcohol. Rose colds, hay fever and kindred affections may be much relieved by using fine dry salt like snuff. Dyspepsia, heartburn and indigestion are relieved by a cup of hot water in which a small spoonful of salt has been melted. Salt and water will sometimes revive an unonscious person when hurt if brandy or other remedies are not at hand. Hemorrhage from tooth pulling is stopped by filling the mouth with salt and water. Weak and tired eyes are refreshed by bathing with warm water and salt. Public speakers and many noted singers use a wash of salt and water before and after using the voice, as it strengthens the organs of the throat. Salt rubbed into the scalp or occasionally added to the water in washing prevents the hair falling out. Feathers uncurled by damp weather are quickly dried by shaking over a fire in which salt has been thrown. Salt always should be eaten with nuts, and a dessert fruit salt should be specially made.—*Table Talk.*

Played Out.

That "played out"—"done up" feeling makes life miserable for every sufferer from Kidney ills, backaches, headaches and urinary troubles, painful and annoying.

Doan's Kidney Pills

bring new life and activity, remove the pain and cure the cause, from common backache to dangerous diabetes.

Mr. S. R. Bolinger, who resides at 426 South Dukes treet, bookkeeper at W. H. Hoffener's cigar factory, York, Pa., says: "Backache became so frequent that not finding anything to cure it or even to relieve it I could not do a day's work without suffering. While trying one medicine after another my attention was attracted by an account of Doan's Kidney Pills in the papers, and of course they in turn were given a trial. I procured them at Hodnett's drug store. Before I had taken a box of them I had no backache. I could work at the desk as steadily as I liked and did not even get tired in the back."
