# American Union

**Thursday Morning March 25 1875**

The Orphans' Court of Caroline county will meet on Tuesday, 6th of April, 1875.

THE *Union* will not be sent to any subscriber living outside the county unless paid for in advance.

### The Editor's Hash.

—A Grange of Patrons of Husbandry has been organized at Queenstown, Queen Anne's county, called Queenstown Grange.

—The Board of School Commissioners for Caroline county will meet at their office in Dent-n on Tuesday next, the 30th inst.

—B. F. Field & Co., have just received a large and well selected stock of Tobacco and Cigars. Call in and examine the stock.

—The gill net fisherman below Dover Bridge, on the Choptank, last week were catching from 12 to 14 shad per day to each boat.

—The owners of a patent wier set near Medford's Wharf, has already caught and sold over $500 worth of various kinds of fish this season.

—The M. E. Conference which has just closed its labors at Smyrna, Delaware, is one of the largest and most influential ecclesiastical bodies ever convened on this Peninsula.

—We are indebted to brother Hoffecker for the Smyrna *Daily Times* which has kept us posted in the Conference proceedings. It is a neat little sheet filled with valuable information.

—The seventh session of the Wilmington Annual Conference of the M. E. Church, which has been in session at Smyrna since the 17th inst., adjourned on Tuesday evening last. We had not received the list of appointments when we went to press.

—Saturday, Sunday and Monday were reminders that winter still lingers in our midst. To the north of us there must be either an abundance of snow or extensive icebergs. Old Sol is getting his heating apparatus in order and he will bring things all right before August.

—We invite the attention of our readers to the advertisement of Mr. I. N. Elston, fashionable tailor from Easton, who will visit Denton on Tuesday next to take measures and receive orders for gentleman's garments or for entire suits. He can be found at the Brick Hotel.

—Mr. James H. Dillen, bailiff of Easton, died rather suddenly on Saturday morning last in that town. He had been in health for some time past and was unable to attend to the duties of his office.—He was a native of this county, and was born and reared within three miles of Denton.

—The annual ice gorge and flood at Port Deposit, Cecil county, is announced, but no damage of a serious nature has occurred. We were excited and apprehensions entertained by a number of the citizens of loss by the inundation of the town. Beyond the removal of several families to more elevated portions of the town no other inconvenience has been felt.

—The Art Publishers, Messrs. George Stinson & Co., at Portland, Maine, have furnished us with a beautiful steel plate engraving, 23 by 30, entitled the "Little Orphan's Dream." It is a beautiful work of art and is the admiration of all who have seen it. It is perfectly beautiful.—The picture is sold only through agents to regular subscribers.

—It is rumored that J. W. Garrett, President of the Baltimore and Ohio Railroad, has purchased the New Jersey Southern Railroad. The line also embraces the route from Bombay Hook, via Clayton, to a point on the Chesapeake Bay in Kent county, Maryland. When that part of the line in Maryland is completed a new and direct line will be opened from Baltimore to New York.

—The Salisbury *Eastern Shoreman* has abandoned its semi-weekly and gone back to its regular weekly issue. We tried the issue of a semi-weekly in a county town as far back as 1862 and found the same obstacles to contend with of which the *Shoreman* complains. A weekly newspaper is about as much as an Eastern Shore town can stand and some of them are very *weakly* at that for the want of sufficient patronage.

*For the Union.*

CECIL COUNTY.

The farm of Sarah E. Howard, deceased, in Cecil county, containing 160 acres, has been sold to R. T. Howard and G. D. Lynch, for $5,000.

The Elkton *Whig* gives the history of a remarkable case, settled at the present term of the Circuit Court for Cecil county, which serves to illustrate the delays of the law, as well as the injustice which it often works. The judgement of the Circuit Court was reversed by the Court of Appeals, and the case came back and has been hanging in the Circuit Court of Cecil county ever since till settled by compromise by the heirs of Thomas Ricketts paying $100. The expenses of the case in the Court of Appeals cost the defendants some $200, and other expenses incident to the suit, will swell the sum paid to $500; the original debt being $30, which Thomas Ricketts was willing and anxious to pay, but could find no parties to whom he could legally pay it. The case has been in the Courts forty-seven years.

Mr. Edmund Brown, one of the oldest and most respected merchants of Elkton, has placed his property in the hands of assignees, and his store was closed on Saturday night, until an account of stock can be taken. His liabilities are upwards of $12,000, while the assets will not reach more than 40 per cent. of that amount.

Radishes have been offered for sale in the Elkton Market.

Work has been resumed in the granite quarries of Port Deposit.

Scarlet fever has made its appearance at Elkton.

William McCall, a young man 19 years of age, met with a painful accident at Havre de Grace last week. He had stood a loaded gun up in a corner of the room, and shortly after, in moving some clothing hanging up behind it, threw the gun on the floor. The trigger striking, the gun went off, the whole load passing through his leg between the ankle and knee, shattering the bone and rendering amputation necessary.

KENT COUNTY.

A young man named Hiram Uland, aged 17 years, met with an accident on a hand car near Massey's on Sunday week, which his physicians think will prove fatal.

A colored man named Samuel Carter, died suddenly last week. He and another man were cutting down a tree, when Sam stopped, threw up his axe and fell dead.—His death was supposed to be caused from heart disease.

QUEEN ANNE'S COUNTY.

A joint stock company, with a capitol of ten thousand dollars, has been formed in Centreville, to conduct the canning business the coming season.

Governor Groome has appointed Benjamin N. Wright, of Queen Ann's county, assistant weigher of grain in Baltimore city, in place of H. G. Dudley, resigned.

TALBOT COUNTY.

Bailiff Dillen, of Easton, is seriously ill.

Mr. H. Holliday, Secretary of the Easton Building Association, has been elected discount clerk in the Easton National Bank.

Job Harris, who stole corn from Joseph Williams a short time since has given himself up, confessed his guilt and is now in Easton jail.

The Maryland Steamboat Company has made a reduction of about 40 per cent. in freight rates to St. Michaels.

Miles River presented an animated appearance one day last week, oyster boats were as thick as blackbirds opposite St. Michaels catching the delicious bivalves for the packing houses.

DORCHESTER COUNTY.

The election for town commissioner in Cambridge, Dorchester county, on Saturday last, resulted as follows: Whole number of votes cast 284; of these Joseph Bradshaw, democrat, received 147, and Wm. H. H. Todd, republican, 137.

The dwelling on the farm of Mr. Daniel M. Henry, about half a mile from Cambridge, Dorchester county, was destroyed by fire on Thursday last. It was a large and commodious building, and Mr. Henry and family were making preparations to move into it on the first of April. It was insured for $2,000.

Shad are selling in the Cambridge market at from 80 to 90 cents per pair.

The Dorchester and Delaware railroad company and the Maryland Steamboat company having failed to accommodate the differences between them, an offer of a steamer to connect with Baltimore has been made to the railroad authorities, and is now held under consideration.

SOMERSET COUNTY.

On Thursday a little daughter of Mr. Oliver Peacock, who resides a few miles from Newtown, in Somerset county, was burned so badly that no hopes are entertained of her recovery. A little son of Mr. Peacock's had set fire to some grass and brush along the banks of a ditch, and the little girl, who is about three years of age, was playing near the fire. Mr. Peacock, who was ploughing, had gone to the other end of the field, some distance from the fire, and when he returned he found the child lying on the ground, the clothes burnt off its back and apparently dead. Dr. Coston was called in and did all that was possible for the relief of the little sufferer. This is the third accident of the kind which has happened in the same neighborhood within the past few weeks.

### M. P. Conference Appointments.

## The Orphans' Court.

A session of the Orphans' Court was held in this town, on Tuesday last, at which were present W. A. Ford, Chief Justice; Sparklin and Jarrell, associates.

The last will and testament of Jas. B. Morgan was presented to the Court by R. C. Carter, Executor therein named and admitted to probate.

Jno. W. Stevens, administrator of J. W. Stafford, and acting guardian of Wilemina, Jennie, Stella, Frederic, George F. and Carrie Stafford, heirs of the deceased, presented his first and second accounts of guardianship which were passed by the Court.

Letters testamentary on the estate of Jas. B. Morgan, were granted to R. C. Carter, who had first entered into bond in the sum of $10,000.

Beniah L. Lewis, administrator of Nathaniel Pleasanton, presented inventory and appraisement of personal estate and order to sell granted.

DENTISTRY.

Dr. Abiel Bowen, Dentist, is at Denton Tuesdays. Office in the building recently occupied as the Episcopal Church, Greensborough Saturdays. Office at R. Plummers residence. Persons wishing Dentristry other days can be waited on at my residence or at either of the above places by engagement.

READY MIXED PAINT.

We call special attention to the excellent testimonials of Mr. C. P. Knight, in reference to Ready Made Paint. Not having used the paint we can't speak from experience, but we feel sure it is to the interest of all our customers, who desire painting, to test the same

WONDERFUL SUCCESS.

Three years ago Dr. Boschee's German Syrup was introduced in the United States from Germany for the cure of Coughs, severe Colds settled on the breast, Consumption and other diseases of the Throat and Lungs. No medicine ever had such a success, 300,000 sample bottles have been distributed every year for three years, by Druggists in all parts of the United States, and nearly 10,000 letters from Druggists are now on our files, saying that no other preparation in their stores sells as well and gives such excellent satisfaction. All we ask is for you to go to your Druggist, Dr. Fisher or Chas. Stevens and get a sample bottle for 10 cents and try it Regular size 75 cents.

DYSPESIA.

Dyspepsia is the most discouraging and distressing disease man is heir to. Americans are particularly subject to hat diseases and its effects: such as sour stomach, sick headache, habitual costiveness, heart-burn, water-brash, gnawing and burning pains in the pit of the stomach, coming up of the food, coated tongue, disagreeable taste in the mouth impure blood and all diseases of the Stomach and Liver. Two doses of GREEN'S AUGUST FLOWER will relieve you at once, and there positively is not a case in the United States it will not cure. If you doubt this go to your Druggist, Chas. Stevens or Dr. Fisher, and get a sample bottle for 10 cents and try it. Regular size 75 cents.

### Deaths.

DUNNING.—On Monday night last, BESSIE, infant daughter of Ella and Chas. A Dunning, aged about 7 weeks.

A FRESH lot of cigars and tobacco at B. F. FIELD & CO.

Ayer's Cathartic Pills,

For the relief and cure of all derangements in the stomach, liver, and bowels. They are a mild aperient, and an excellent purgative. Being purely vegetable, they contain no mercury or mineral whatever. Much serious sickness and suffering is prevented by their timely use; and every family should have them on hand for their protection and relief, when required. Long experience has proved them to be the safest, surest, and best of all the *Pills* with which the market abounds. By their occasional use, the blood is purified, the corruptions of the system expelled, obstructions removed, and the whole machinery of life restored to its healthy activity. Internal organs which become clogged and sluggish are cleansed by *Ayer's Pills*, and stimulated into action. Thus incipient disease is changed into health, the value of which change, when reckoned on the vast multitudes who enjoy it, can hardly be computed. Their sugar coating makes them pleasant to take, and preserves their virtues unimpaired for any length of time, so that they are ever fresh, and perfectly reliable. Although searching, they are mild, and operate without disturbance to the constitution, or diet, or occupation.

Full directions are given on the wrapper to each box, how to use them as a Family Physic, and for the following complaints, which these *Pills* rapidly cure:—

For Dyspepsia or Indigestion, Listlessness, Languor, and Loss of Appetite, they should be taken moderately to stimulate the stomach, and restore its healthy tone and action.

For Liver Complaint and its various symptoms, Bilious Headache, Sick Headache, Jaundice or Green Sickness, Bilious Colic and Bilious Fevers, they should be judiciously taken for each case, to correct the diseased action or remove the obstructions which cause it.

For Dysentery or Diarrhœa, but one mild dose is generally required.

For Rheumatism, Gout, Gravel, Palpitation of the Heart, Pain in the Side, Back, and Loins, they should be continuously taken, as required, to change the diseased action of the system. With such change those complaints disappear.

For Dropsy and Dropsical Swellings, they should be taken in large and frequent doses to produce the effect of a drastic purge.

For Suppression, a large dose should be taken, as it produces the desired effect by sympathy.

As a *Dinner Pill*, take one or two *Pills* to promote digestion and relieve the stomach.

An occasional dose stimulates the stomach and bowels, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, often finds that a dose of these *Pills* makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.
