GALENA RED CROSS AND NAVY LEAGUE

Two years ago today, May 17, 1917 the first American Red Cross of Kent county was organized in the town hall of Galena by Mrs. L. C. Wood, of Chestertown, County Chairman. Some time later Mrs. Howard Hubbard, of Baltimore, organized the Navy League, the membership numbering about fifty, was drawn from Galena, Georgetown, Fredericktown, Sassafras and Massey. Galena worked as an independent unit for about a year, then organized into a branch of the Kent County Chapter. Meetings were held once a week for a short time, but finding we could not accomplish the work, we were anxious to do, we agreed to meet twice and sometimes three times a week, to speed up the work so badly needed at that time. Surgical and hospital work was done by the Red Cross and the Navy League looked after the knitting. The number of surgical dressings sent to headquarters from May 17, 1917 to November 11, 1918, composed of compresses, whipes, sponges, roll gauze bandages, etc., was 18,300. The number of hospital supplies sent were 60 bed sheats, 60 sets pajamas, 384 towels, 250 triangular bandages, 15 sheets, 12 pillow cases and 843 other miscellaneous articles; 25 comfort kits were made and filled; 24 drafted boys of the first district were outfitted with sweaters, mufflers, wristlets and comfort kits; 23 containers of preserves and pickles were sent to Camp Meade for Thanksgiving. A Christmas box was sent the men from this district at Camp Meade. A box containing sheets, towels and handkerchiefs was sent to the linen shower for the French Hospitals. $51.00 was made from a bake and given to the war fund. A box of surgical and hospital supplies and a donation of $50.00 for books for the wounded soldiers were sent to Fort McHenry. In 1917 Red Cross drive for membership, 196 were enrolled. In the Red Cross roll call for 1918, 338 responded. 238 refugee garments have been made and shipped, several boxes of warm clothing have been collected for same. A Victory Bond of $100.00 has been subscribed.

Galena will always remember with pride that she was the first in the county to inlist in this noble work.

Navy League work is as follows: From August 23, 1917, to May 1, 1919, sweaters 307, mufflers 141, wristlets 137, helmets 105, sacks 105, trench caps 6. Total number garments 801.

Big Increase in Fisk Sales Due to Fisk Durability and Value

MOTORISTS today are buying tires on the basis of actual results. Here is a condition that is leading to a great demand for Fisk Tires—for Fisk *visible value* stands out today in terms of greater mileage, longer life, more distinctive appearance and greater tire economy.

In every line of business there is always one product that stands out head and shoulders above the average. Experienced motorists know the difference in tires, and they know the superior mileage and wear delivered by Fisk Tires.

You'll like the type of dealers who specialize in Fisk Tires—alert, foreseeing men who know comparative values in tires, and who know that success comes to those who serve their public.

The Fisk dealers in this community have a message for you.
