AN OLD MAN'S TRIBUTE.

An Ohio Fruit Raiser, 78 Years Old, Cured of a Terrible Case After Ten Years of Suffering.

When suffering daily torture
From backache, rheumatic pain,
Any ill of kidneys or bladder,
Turn to Doan's Kidney Pills.
A cure endorsed by thousands.
Read an old man's tribute.

Sidney Justus, fruit dealer, of Mentor, Ohio, says: "I was cured by Doan's Kidney Pills of a severe case of kidney trouble of eight or ten years' standing. I suffered the most severe backache and other pains in the region of the kidneys. These were especially severe when stooping to lift anything, and often I could hardly straighten my back. The aching was bad in the daytime, but just as bad at night, and I was always lame in the morning. I was bothered with rheumatic pains and dropsical swelling of the feet. The urinary passages were painful, and the secretions were discolored and so free that often I had to rise at night. I felt tired all day. Half a box served to relieve me, and three boxes effected a permanent cure."

SIDNEY JUSTUS.

A FREE TRIAL of this great kidney medicine which cured Mr. Justus will be mailed on application to any part of the United States. Address Foster-Milburn Co., Buffalo, N. Y. Sold by all dealers; price, fifty cents per box.

A Judicious Inquiry.

A well known traveling man who visits the drug trade says he has often heard druggists inquire of customers who asked for a cough medicine, whether it was wanted for a child or for an adult, and if for a child they almost invariably recommend Chamberlain's Cough Remedy. The reason for this is that they know there is no danger from it and that it always cures. There is not the least danger in giving it, and for coughs, colds and croup it is unsurpassed. For sale by M. A. Toulson, druggist, Chestertown, Md.

One Cold and Another

The season's first cold may be slight—may yield to early treatment, but the next cold will hang on longer; it will be more troublesome, too. Unnecessary to take chances on that second one. Scott's Emulsion is a preventive as well as a cure. Take

SCOTT'S EMULSION

when colds abound and you'll have no cold. Take it when the cold is contracted and it checks inflammation, heals the membranes of the throat and lungs and drives the cold out.

Handsome Gift for Cruiser Maryland.

The contract for making the testimonial to be presented to the Cruiser Maryland by the people of the State was awarded to the Samuel Kirk & Son Company on Monday by the Maryland Cruiser Fund Commission.

The gift will be a silver service, composed of 48 separate pieces, and will cost $5,000. The presentation will probably take place next spring.

An important departure from the ordinary silver service is the depiction of historical events. On 31 of the pieces events relating to countries are shown, and on the 12 punch cups the first 12 Colonial Governors are represented. To carry out the designs Col. William H. Love, secretary of the board of Trade, was selected by the commission to advise the Kirk Company.

In making the designs it was sought to keep in mind the important part played by every section of the State in the history of the nation. The forms are simple and graceful, conveying the idea of hospitality and plenty, for which the State is famous.

The historical events of importance to Kent county are depicted upon two beautiful serving waiters. The scenes represented are the Chestertown tea party, voyage of Capt. John Smith up the bay, skirmish at Caulk's Field and death of Sir Peter Parker. Quite a number of the citizens of the town and county contributed to the fund and it is a source of considerable pride that our county is to be prominently represented in such a handsome gift. The service was selected by a special committee from other designs submitted by Baltimore silversmiths. The committee's rocommendation was approved by the commission, composed of E. Stanley Gary, (chairman), Col. Wm. A. Boykin, (treasurer), Gen. Francis E. Walters, Col. Wm. H. Love, Gen. Felix Agnus, Mr. Joseph R. Foard, Mr. Wm. B. Hurst and Raymond N. Hoblitzell, (secretary). The Kirk Company made the service for the cruiser Baltimore and is one of the best known firms in the country. Chief Judge James Alfred Pearce was the representative on the committee for Kent county.

Chestertown Md,

Not for My Own Interest

ENTIRELY,

But for Yours, Too.

I am going to make a change in store-room and location. I have fully decided to move from the store I am now occupying to a much better store and location, and will add to the Jewelry business a very salable line of goods. In order to carry this out I am compelled to reduce my stock that I have on hand, and the only way to sell it is to sell it for what it will bring, and therefore I have decided to have regular sales on Saturday and Saturday nights. Will sell my entire line of Clocks, Silver-plated hollow-ware, Rogers' Tableware, Domestic Sewing Machines. Will also sell Watches and Jewelry, mostly for ladies, Spectacles and Eye Glasses, etc. The sale will begin next Saturday, July 8th.

Read this advertisement carefully and bear in your mind that opposition is the life of trade. I ask the patronage of the public. I remain with all my strength to serve the public.

Respectfully,

A. LEVINE
