Rural Carriers Meet

The Rural Carriers Association of Kent and Queen Annes' counties held their annual meeting in Lyceum Theatre, Friday, May 30th. After much discussion of the conditions and needs of the boys in the R. F. D. service, resolutions for the betterment of conditions were adopted, which will be presented to the State organization and then approval urged at the annual session of that body which meets in Betterton in July.

Officers for the ensuing year were elected as follows: President, Norman A. Wallen, Millington; Secretary and Treasurer, Thomas Willis, Chestertown; Delegates to State Convention, Wm. L. Clough, Centreville, Thomas Willis, Chestertown and George C. Lee, Worton.

Home Economics Extension Service

A splendid all-day meeting was held at Betterton last Tuesday, May 27th, under the auspices of the Extension Service of the Md. State College of Agriculture. This was the beginning of a series of talks on "Foods" given by Miss Mabel Stephenson. These talks are both very interesting and instructive and will be continued throughout the summer, at stated times.

Mr. G. W. Post, Poultry Specialist, of the Extension Service was in the county some days ago visiting and instructing the poultry club girls along their line of work.

A Junior Home Makers Club has been organized at Rock Hall High school with eleven members.

These girls take up the poultry and Canning Club work with their sewing as outlined in the course of study.

Program Of Movies

Following is the program of photoplays to be shown at Lyceum Theatre the remainder of this and first half of next week:

Tonight, Wednesday, June 4—Pauline Frederick, in "Daughter of the Old South."

Thursday, June 5—Normal Talmadge, in "The Forbidden City."

Friday and Saturday, June 6 and 7, Nazimova, star supreme, in "Out of the Fog."

Monday, June 9—Wallace Reid in "The Dub."

Tuesday, June 9—Mitchel Lewis in "Code of the Yukon."

Wednesday, June 11—Marguerite Clark, in "Three Men and a Girl."

No More Guessing In Shoe-Fitting

Fitting shoes by guessing spells FOOT TROUBLES. That's why most people of today have sore, tired and aching feet.

Statistics by celebrated Foot Authorities prove to us that 95 of every 100 persons are suffering with one or more foot ailments such as CORNS, BUNIONS, CALOUSES, WEAK ANKLES, FALLEN ARCHES, etc. Nearly all of these cases are traced to misfitting shoes.

WE DO NO GUESSING—We always try to make sure—we fit your feet by Dr. Scholl's Orthopedic Methods; also relieve and correct all foot deformities.

If you're foot-sore, we relieve you, if not, we protect you.

Let us fit you once, and you will let us fit you always.

Our large assortment of LOW SHOES for Men, Women and Children this season, enables the most particular dressers to locate here just the kind of shoes suitable to their foot-comfort and yet very stylish. We also have large varieties in cheaper grades, at any price you desire.

We sell only such shoes as are made by the very best shoe factories, and stand ready to make good at all times any of our shoes that do not wear reasonably satisfactory.

You Can "Beat" the Weather When You're Wearing "U. S."

No matter how bad the weather or how sloppy the deck or wharf, your feet and legs will get the best possible protection in U. S. "Protected" rubber boots. They are specially built for hard wear and rough usage. With dry and warm feet and legs you can stand a lot of punishment. Your work will be easier.

U. S. "Protected" rubber boots give you *real* protection. During the war the Government probably used more U. S. "Protected" rubber footwear than of all other makes combined.

Be U. S. "Protected," then, and safeguard your comfort and health. There's a "U. S." boot exactly suited to your needs. Your dealer has it or can get it quickly.

To be sure of "U. S.," look for the "U. S. Seal" on every pair. It's the trade mark of the largest rubber manufacturer in the world.

THE NASH SIX
Perfected Valve-In-Head Motor

Searching test of service has proved its power

The Perfected Valve-In-Head Motor of the Nash Six was from the first accepted generally as marking a distinct advance in motor engineering. The correctness of that verdict has been demonstrated. The searching test of service has proved the Nash Perfected Valve-In-Head Motor to be powerful, economical and quiet.
