ENSILAGE Cutters

You know just how unsatisfactory it is not to be able to fill your SILO when the corn is JUST right.

To avoid this condition buy a cutter of your own. We have many satisfied customers using our

"International" Cutter

It has fewer parts, is more simple, has the best knife, different from all the other makes, requires less power to operate, will elevate to any required heighth.

An extra set of knives with each cutter, and the easiest knife adjustment that we know of. These cutters are made in five sizes.

There is one to fit you.

See us about it.

DEMOCRATS UNANIMOUS FOR THE MERIT SYSTEM

Economy In State Government Also Leading Plank Adopted By Convention—Wilson And Treaty Backed.

The Democrats of the State, in convention Thursday afternoon at the Academy of Music, unanimously adopted a platform declaring clearly and concisely in favor of the merit system in the State government; promising a central purchasing agency vigorously indorsing the administration of President Wilson, and the peace treaty, including the league of nations; pointing out the redemption of all platform pledges by Governor Harrington's administration; calling for immediate increases in the salaries of teachers and policemen, and opposing ratification of woman's suffrage.

Formal ratification of the nominations for State offices and the re-election of State Chairman J. Hubert Wade were the other business of the convention. The nominating and seconding speeches evoked frequent applause, as did the candidates' speeches of acceptance. Contrary to the old custom of having formal notifications subsequent to the convention, the four State candidates were presented to the convention immediately after their nominations had been ratified.
