## COUNTY EXHIBIT

The people of Kent county will hold a county exhibit in the Auditorium of the Chestertown High School on December 9th, 10th and 11th this year. All plans for the exhibit have been worked out and agreed upon, and are now well under way in preparation for the largest and best exhibit ever held in Kent county.

The Kent county exhibit will consist of Agricultural, Industrial and Health Exhibits. An exhibit of this nature is highly educational and there is no one in Kent county who can do other than be benefitted by attending these displays. The premium list is composed of the things that we strive to produce.

The banks of Chestertown have pledged the Exhibit Committee a liberal sum for the exhibit. Dr. Clark, Superintendent of the County Schools, expressed his willingness to co-operate with the Exhibit Committee in their desire to have every member of the county schools attend the exhibit. The State Grange will hold its Annual Session in Chestertown, December 8th, 9th, 10th and 11th, and it is believed by holding the exhibit at the same time that more will be accomplished for the purpose of the exhibit. It will show not only the people of Kent county what we raise and what we do, but also people from all over Maryland. All merchants in Chestertown will be requested to decorate their windows with agricultural products during the Farmers' Week. Several of the agricultural organizations will decorate windows in Chestertown as an organization. Anyone in Kent county who feels that he or she can help the exhibit by donation will kindly turn the same over to one of the members of the Exhibit Committee and it will be appreciated by all.

The Executive Committee for the Exhibit is as follows: Horace B. Derrick, County Agent, Chairman; J. T. Anthony, Wm. G. Smyth, P. M. Brooks, Edgar Pennington, Miss Susie V. Hill, County Home Demonstration Agent, and Mrs. A. L. Harris.

### NEW FORD AGENCY

We welcome with pleasure to Chestertown, C. A. Goodwin, our new Ford dealer. He come to us highly recommended by his Philadelphia friends, and associates, and we are sure that he will find in Chestertown, a home with the most pleasant surroundings.

Mr. Goodwin's experience has been wide and varied during his seven years of connection with the Ford Motor Company of Philadelphia. He has held positions of importance which naturally qualifies him to give to the Ford owners of this section the benefit of the knowledge he has thus gleaned.

Ford owners can look forward to receiving the best of service as it is Mr. Goodwin's intention to carry a full and complete line of genuine Ford parts and accessories. He will occupy the old Central Garage Building, and when extensive improvements and alterations are completed we are sure it will be a splendid headquarters for sales and service on the Ford car.

The latest equipment will be installed, thus enabling to the Ford owners prompt and efficient repairs at reasonable prices.

John E. Speicher, Jr., is employed as a salesman and should prove a valuable asset to the new dealer.

The angel of death visited our community on Sunday of November 9th, 1919, and plucked from us a precious bud to be transplanted in the garden on high, Grace Hattie, the infant daughter of Mr. and Mrs. Olie Dixon, breathed her last on November 9th and was buried in Galena Cemetery on Tuesday.

This lovely bud, so young, so fair,
Called hence by early doom
Just came to show how sweet a flower
In paradise would bloom.
Ere sin cauld harm or sorrow fade,
Death came with friendly care.
The opening bud to heaven conveyed
and bade it blossom there.

The S. A. D. Church of Rock Hall, had an interesting feature in their services on Sunday evening, November 16th. A youthful evangelist, Ellsworth Andross ,gave an excellent address on The Two Kindoms. He told of the conflict between Christ and Satan, and of the final victory and triumph of Christs' Kingdom over the Kingdom of the Devil. The young speaker is a brother of Elder C. E. Andross, of Martinsburg, Va., who held a series of meetings at Rock Hall in the spring. He won the esteem and affection of the Adventist peole, and his brother receives a warm welcome.

Foot Vigor

NO MATTER what you do—outdoors or indoors—work or play—you never can have real enjoyment unless your feet are comfortable and strong. So much depends on your feet.

Don't you think it is very much worth while to try and keep your feet youthful and strong? The mere matter of selecting shoes carefully is a small price to pay for foot health.

Arch Preserver Shoes preserve foot health because they fit the feet, *come up* to the arch and *stay up*, providing a permanent, non-changing tread base for the foot—to keep the arch from falling down.

Yet Arch Preserver Shoes are stylish and you always feel well dressed in them.

Won't you let us show you how well we can fit your feet in Arch Preservers?
