Don't "Follow The Leader"

The "leader" is an ancient article employed by the so-
lled "economy stores" to create the impression that their
ices are low.

They sell an article of standard brand several cents
eaper than it can be bought elsewhere—oftimes cheaper
an the dealer himself can buy it.

Now, if these stores carried out this policy on all their
oods they would be doing business at an actual loss. Why,
then, do they make this sacrifice on some standard article?
Because they expect to get it back with good interest on
other and unidentified goods which the uninitiated think
they are getting cheap because the "leader" was cheap!

Real economy is in dealing where you have absolute con-
fidence in the grocer.

We are in a position to serve you intelligently. We
make it our business to test everything we recommend.

The Noblest Instrument Is An Organ

and it ought to be in every musical home, but space and cost sometimes prohibit the installation of a pipe organ. However, an

two manual reed organ, built on the exact principles and measurements of a pipe organ—and used in the studios of such organists as Gibson, Dethier and others—such an instrument closely approximates a pipe organ and has everywhere given great satisfaction. It can be built to the special specification of organist and to match the design of any room. Adapted for lodges. Call and hear it.

NOTICE TO PARENTS AND GUARDIANS

Violations of the School Attendance Law, in Kent County, have come so numerous and flagrant as to endanger the school system both from an Educational and a financial standpoint.

The Board of Education, therefore, desires to notify all parents and guardians that, from this time on, steps will be taken, to enforce strictly the law requiring all children under 13 years of age to be sent to school throughout the entire year of 180 days. Those 13 years and 14 years of age may make 100 days, beginning not later than November 1st, if regularly employed; and must attend throughout the year if not so employed.

Those 15 years and 16 years of age must make 100 days beginning not later than November 1st, if regularly employed; or must attend the entire year if not so employed or have not finished the elementary grades, that is, from the 1st to 7th grades inclusive.

Methods similar to those adopted to enforce other laws on the statute books, will be applied to the enforcement of this law. Parents and guardians are, therefore, requested to cooperate with the Board of Education in the peaceful administration of the law, rather than compel them to harsh measures.

By order of the Board of Education of Kent County,
EDWARD J. CLARKE,
n29 Secretary and Treasurer.
