THE JOURNAL.

DENTON, SATURDAY MORNING, Jan. 30, 1875.

LOCAL INTELLIGENCE.

THE Orphans' Court for Caroline Co. will sit on Tuesday, 9th of Feb.

SCRAPS.

—The County Commissioners meet on Tuesday next.

—Sunday last was a very rainy day and our churches were slimly attended.

—Maryland oysters are bringing from $5 to $6 per barrel in New York market.

—Our Farmers' Column was omitted this week. Will appear again in our next.

—Easter occurs on the 28th of March. In some years it occurs as late as the 25th of April.

—The protracted meeting at the M. E. Church still continues and is growing in interest.

—The amount of ice harvested this season in this section is supposed to be larger than ever before.

—The ice is now rapidly melting and our river will in a few more days of such weather be entirely clear.

—Lent will begin this season on the 10th of February, which is much earlier than it has occurred for several years.

—The crossing at the corner near the tin shop of Mr. Hutson is very bad.—Will not our city fathers take it in hand.

—We desire to call attention to the speech on our first page of S. T. Wallis, Esq. It is well worth a careful perusal.

—The new hotel being erected on the beach in Worcester county will be ready for occupancy during the coming summer.

—"Social hops" are now frequent in this community and the young folks here seem to be taking advantage of the intervening time between now and Lent.

—Comptroller Woolford will please accept our thanks for a copy of his annual report made to Gov. Groome, for the fiscal year ending Sept. 30th, 1874.

—The Old Dominion Steamship Company has purchased the Worcester railroad. This company has a regular line of ships plying between Lewes, Del., and New York.

—The scarlet fever prevails in the upper portion of Queen Anne's county.—Several deaths are reported. It is also reported to prevail extensively in some sections of Baltimore city.

—T. H. Kemp, Esq., having removed to his farm in the country, has in a card in another column informed the public what days he can be found at his office in Denton. See card.

—A little more than one hundred persons were in attendance at the M. E. Sabbath School on Sunday week, and nearly of whom were identified with the school either as scholars or teachers.

—We have received from Mr. Geo. W. Childs, the proprietor and publisher of the Philadelphia Public *Ledger*, and also from the publishers of the New York *World*, nicely gotten up Almanacs for 1875.

—The new officers of Preston Grange were installed by Capt. E. L. F. Hardcastle, of Easton, on Saturday last.—The installation was in public. The address of Capt. H. was interesting and favorably received.

MR. PETER J. PATCHETT has purchased of Wm. Willoughby, Esq., a dwelling house with ten acres of land at Union Grove M. P. Church between Fowling Creek and Preston, and intends to build a store house to engage in mercantile pursuits.

WE learn Mr. Alexander Saulsbury, who is so well and favorably known in this community, has rented his mill property near Goldsboro', to Mr. Wm. Sewell. Mr. Sewell has had charge of a mill since the early age of fifteen, and thoroughly understands the business.

FIRE.—The dwelling house on the farm of Rev. J. F. Chaplain, in Poplar Neck, four miles from Preston, was burned on Tuesday last. The house was occupied by Mr. Wm. W. Gootee. The fire originated from sparks from the chimney. Mr. Gootee and family saved nearly all of their effects.

COURT.—The adjourned chancery term of Court was held on Tuesday last, his Honor Judge Stump presiding.—Distinguished members of the bar from some adjoining counties were in attendance. Among others were Hon. Jno. W. Crisfield, of Somerset county, Hon. H. H. Goldsborough, I. W. Powell, Esq., of Talbot, T. J. Keating and J. B. Brown, Esqs., of Queen Anne's.

REV. THOMAS GUARD, D. D., of Mount Vernon M. E. Church, Baltimore, will deliver a lecture at the Presbyterian Church, Federalsburg, on Saturday evening, February 13th prox.—Admission 25 cents. Doors open at 6½ o'clock. Lecture commence at 7½.—Dr. Guard's reputation as an orator is unsurpassed, and every one who can attend should avail themselves of this opportunity of hearing him. He will preach twice on the next day (Sunday) once at the M. E. Church and once at the Presbyterian Church, so those attending the lecture can remain over to hear the sermon at little additional cost.

DR. BULL'S Cough Syrup is particularly recommended for children. It cures Coughs, Colds, Croup, Sore Throat and Whooping Cough. Is pleasant to the taste and acts like a charm. Price 25 cents.

NEW FIRM.—J. K. B. Emory and F. W. Neavitt have formed a co-partnership as commission merchants, and have located at No. 6 Wood street, Baltimore, as will be seen by reference to their card in this week's issue.

It affords us unfeigned pleasure to advertise this firm. It embraces, in our opinion, every element of success, and we predict for them a successful future. Mr, Emory has served many loug years in unremitting and arduous labor in the business, first under his father, Arthur Emory, and then under his uncle, the late W. H. Emory. We have known him for more than a score of years in this business and never have we known a more industrious and correct man. The business of his Uncle was the business of his father and now properly belongs to him, for he has well earned it and richly merits it. Mr. Neavitt, his partner, is well and favorably known, being intelligent, agreeable, reliable and *responsible*.

We say to any and all of our friends, if not already suited in a commission house, that this firm will in our opinion be likely to give the desired satisfaction.

JULY LIST.—The following juries were drawn by his Honor Judge Stump ou Tuesday last to serve at the April term of the Circuit Court.

REMOVAL OF MISS BETTS'S SCHOOL.—This school has been removed, not from Greensborough, but to a location more retired from the noise and publicity of the street, and which, having ample grounds attached, is far more attractive than the former location.—We take the occasion of this removal to call attention to it again, in the interest of our readers. Parents who have daughters to educate should by all means call and see for themselves. Those who were present at the entertainment at our Court House at the Christmas Holidays saw and heard what the school has done for its pupils in music, vocal and instrumental,—pupils that did not know a note when they came to the school; and the instruction in this department is but a sample of that in all the departments. We speak the opinion of all who know about it, when we say that it is ample and thorough. It lies with the parents, and especially with the mothers, in our community, to say whether the untiring efforts of Miss Betts to furnish the best education at a very moderate charge, shall be appreciated by them. It needs but their sympathy and patronage to secure the building up of a noble institution, that shall be an honor not only to Caroline county, but to the whole Shore.
