

Saturday, July 14, 1906:

the Peninsula in the yield of wheat ob- proper treatment. tained, and despite the unfavorable ments, prolapsus, inflammation and deweather conditions which have prevailed bilitating, catarrhal drains and in all bodies that are structurally perfect juet as the grain was ripening and have continued since harvest, the grain thus far threshed has turned out hard and far threshed hard a solid, as well as plump and healthy remedy put up for sale through druggists, the work whereto it has been set. looking.

gilt edged.

threshing bee. No less than twelve double teams of horses and mules were lined up in continuous procession "bringing in the sheaves" to the machine, where a corps of band cutters and a feeder pushed them into the insatiable maw that very quickly separated grain from chaff, and sent the latter scurrying toward an ever growing stack, while the grain poured out at the side, clean, plump and yellow as gold, at the rate of a heaping half bushel every thirty seconds. A bushel per minute, without check or falter, was the record.

Luther Latham, as he had a right to to be, was more than pleased with the yield, he said, while Edward, his son, who has just returned from a Philadelphia hospital with his broken leg still A SHOW OF MATTING in splints, but improving, and who has

of red top boots.

Here is the list:

The finest stubble he had seen in all his experience, and that he is going to use it exclusively this fall.

George R. Darrah, near Iron Bridge, hasn't threshed yet, but is certain of a 30 bushel per

Walter Ginn, on the William M. Bell farm, near Iron Bridge, got nearly 1500 bushels, the R. N. Walton, near Delaneys, says he had secured the biggest yield he has received for Bridge, got hearly 1500 bushels, the biggest yield he has had for years.

Don't forget we carry a big far as any one knows is to put a stop to the old story that the property was originally purchased by the church for many years.

Charles E. Christopher has averaged bushels to the acre. Edward Darrow, on the Gilbert Wilds farm, absolutely FREE. got 26 bushels and a peck per acre.

Meta N. Walls, west of Kenton, secure à 25 bushels to the acre. James H. Jones, near the Iron Bridge, re ports an unusually large yield.
