—A sturgeon measuring 7 feet and 4 inches was caught in a haulseine on Chester River on Friday. A gentlemen present bought one-half of it and took it to Church Hill, where he retailed it readily as black bass and made a handsome profit on the investment.—*Centreville Observer.*

FIRES.—M. Flemming, who resides on the farm of Mr. James Barns, near Friendship, was burning brush near the barn, on Saturday last, when the fire escaped and consumed the barn and contents..—*Maryland Courier.*

OUR townsmen James I. Lednum has his ice cream saloon in the rear of his confectionery store all ready to receive visiters and friends desiring ice cream cake &c. His ice cream is delicious and his saloon always neat and in order. Give him a call and try his cream.

LAND PURCHASD.—Messrs. Delcamp & Flick of Pennsylvania, have purchased the "Carter Farm," in Chapel District, from R. Thomas, containing 149 acres, for $1800—made through the agency of C. E. Shannahan & Co.

WE desire to call attention to the advertisement of Tuthill & Avery, Easton, Md., in to-day's issue. These gentlemen are reliable and prompt in all of their business engagements, and those having business with them may expect satisfaction.

FESTIVAL.—The ladies Mite Society of the M. E. Church of Greensborough, will hold a festival at the Town Hall, over West & Roe's cannery, on the 3d, 4th and 5th of June; Thursday and Friday evenings and Saturday afternoon and evening. The public are cordially invited to attend.

STEWARDS MEETING.—The Easton District Stewards' Meeting of the M. E. Church, was held at Greensborough on Tuesday afternoon last. The attendance was not large. The usual routine business of the meeting was attended to by the representatives of the several charges who were present.

THE Eastan *Ledger* of Thursday reports the destruction by fire of the mill of Wm. T. Elben (known as Potts mill) on Friday last together with all the machinery and gran therein. It caught from a spark from the smoke stack. The loss is between $5000 and $6000, on which Mr. Elben has an insurance of $3000.

WITHOUT WARNING.—Hester Smith a colored woman residing in Denton, died very suddenly on Monday evening last. She had been out at work all day and returned to her family about night. Her children had by some misconduct displeased her and she was correcting one of them, when she suddenly expired. It is supposed that death was caused by heart disease.

CHURCH CONVENTION.—On the 2d of June the annual convention of the Protestant Episcopal Church will meet at St Paul's Church, Centreville, and remain in session three days. The convention will be composed of all the clergymen and a delegate from each parish in the diocese of Easton, which includes the whole of the Eastern Shore. About 65 clergy and laymen are expected to be present.—*Observer.*

EDITORIAL EXCURSIONS.—The annual meeting of the Peninsula Editorial Association will be held on or about the 15th of next month, when they will make an excursion by way of the Junction & Breakwater R. R. and the Old Dominion S. S. line, to New York. They will probably remain in that city about 24 hours and return home by by way of Philadelphia, where a stop will be made long enough for an inspection of the Centennial buildings now in course of erection.

CRAZY BEES.—A few. days ago a swarm of bees came to Mr. Louis', near Gilpin's Point, and tried every possible way to get in his dwelling house.—They first commenced going in the door, but were driven back and the door was closed; they next tried to enter through the window, but were stopped by the window being quickly lowered; they then arose to the eaves and found a small aperture through which they went into the rooms over the kitchen. Mr. L. with some difficulty, drove them out, and they next went down the chimney, and after staying a short time they flew out and tried to get down between the chimney and roof into the parlor chamber; failing in this they left.

FAIR AND FESTIVAL.—The Catholic Fair and Festival held at Easton during Court week by the ladies of the Church, was doubtless as it should have been, quite a success. We had the pleasure of visiting the Fair and of seeing many articles of rare beauty and merit. We learn that the mammoth cake donated by Mr. Hogan, of the Maltby House, was won by Mr. L. Dodson, Jr., and the very beautiful ice pitcher by Mrs. Howes Goldsborough. These articles with many others, attracted considerable attention. The funds are to be applied to pay the balance due on the parsonage, or Father's house, adjoining the church in the town of Easton.

THE DEATH OF A WORTHY MAN.—Wm. M. Pearce one of our most respectable and worthy citizens died on the 25th inst. of Pneumonia after a very brief illness. Mr. Pearce was a young man less we suppose than 35 years of age, full of energy and hope and was by his industry and economy gathering around him property and providing for the wants of a growing and interesting family. In disposition he was cheerful and inoffensive, and prompt and honorable in all of his dealings. A kind husband a doting father and one of our best citizens, we all alike, have met a loss in his death. Great sympathy is felt and expressed in the community for the stricken and afflicted family and friends of the deceased.

MR. JOHN BAGGS, late Clerk of the Circuit Court for Talbot county, being reported by the Comptroller as indebted to the State to the amount of about $650, has been indicted by the Grand Jury under the law of 1872, which provides that if any clerk, register of wills, sheriff collector of taxes, or notary public, shall neglect to pay over any moneys collected for the State for the space of six months after said moneys are collected, he shall be deemed a defaulter and upon conviction be imprisoned in the penitentiary for not less than one or more than five years, unless the money is sooner paid. Mr. Baggs was arrested on Saturday, and afterwards released upon giving bail for his appearance at court for trial under the indictment. Arrangements have been made for the speedy payment of the money, which will release him from the indictment.—*Easton Ledger.*

RAILROAD DIRECTORS.—The following gentlemen were appointed on the 17th inst., by the Board of Public Works as State Directors in the Maryland & Delaware Railroad Company: Hon. Samuel Hambleton and Hon. Edward Lloyd, of Easton Talbot county, and Wm. Satterfield, Esq., of Caroline county.

WE have received a letter from Middleton inquiring whether or not Taylor Robinson, the horse thief, is in Denton jail. He is not but is in Cambridge jail. The writer says he stole three horses, one carriage, one or two saddles and bridles inside of six months and that they would like to get a chance at him at New Castle.

A FASHIONABLE WEDDING.—Miss Manoglia Willis, of Galveston, Texas, was married at Trinity Church, in that city on the 12th inst., to Mr. George Sealy. The bride is the daughter of the late Peter Wilis of Galveston, and a native of this county, and grand daughter of Short A. Willis deceased an old and highly respected citizen of this county. The contracting parties were of high social destinction and the marriage is reported by the Gavelston papers to have been by far the most prominent event of the kind that has occured there for several years. A very large and fashionable audience was present to witsess the marriage ceremony and so intense was the interest that not the slightest noise occured to mar the quietness of the occasion. After the benediction, the organist, brought forth Mendelsohn's Wedding March, while the party moved out of church to the carriages in waiting. The pathway of the retiring bridal party was strewed with flowers. The trousseau of the bride was prepared at great expense in Paris, and was greatly admired. The brides maids were also very handsomely dressed. The bridal presents are reported as being many and exceedingly handsome; reaching several thousand dollars. The bridal party left the day of the marriage on a Wedding tour and will be absent several months. The bride has many relatives in this county, her father being a native of the county and brother of our well known citizen Col. A. J. Willis of Potters Landing.

HALL'S VEGETABLE SICILIAN HAIR RENEWER.

Every year increases the popularity of this valuable Hair Preparation; which is due to merit alone. We can assure our old patrons that it is kept fully up to its high standard; and it is the only reliable and perfected preparation for restoring GRAY OR FADED HAIR to its youthful color, making it soft, lustrous, and silken. The scalp, by its use, becomes white and clean. It removes all eruptions and dandruff, and, by its tonic properties, prevents the hair from falling out, as it stimulates and nourishes the hair-glands. By its use, the hair grows thicker and stronger. In baldness, it restores the capillary glands to their normal vigor, and will create a new growth, except in extreme old age. It is the most economical HAIR DRESSING ever used, as it requires fewer applications, and gives the hair a splendid, glossy appearance. A. A. Hayes, M.D., State Assayer of Massachusetts, says, "The constituents are pure, and carefully selected for excellent quality; and I consider it the BEST PREPARATION for its intended purposes."

Sold by all Druggists, and Dealers in Medicines.

FOR THE WHISKERS.

It is easily applied, and produces a color which will neither rub nor wash off. Sold by all Druggists. Price Fifty Cents.
