Work and Save

¶ Economy is the "wise expenditure of money. What you HAVE—not what you HAD—is the world's standard of judgment. Every dollar spent is a lost friend, gone forever; but a dollar deposited in this bank becomes a silent partner working for you day and night, whether you work or play. Habit is the strongest law of human nature. Good habits are as easily formed as bad. Form the banking habit and you have laid the foundation of future comfort and prosperity.

¶ This bank solicits your account. We promise you safety, service and FOUR PER CENT. INTEREST on your savings account, compounded semi-annually.
