ORDER OF PUBLICATION AND NOTICE TO CREDITORS

Mary E. Parsons
vs.
Wm. Wesley Boyer et al

In the Circuit Court for Kent County, In Equity. No. 2090.

The object of this suit is to have the surplus proceeds of sale under a mortgage applied to pay the creditors of Wm. Wesley Boyer, late of Kent County, deceased, mortgagor.

The petition states that said Wm. Wesley Boyer died before the sale under mortgage, indebted unto William C. Sutton in the sum of $74.00 on an open account, and to others, leaving personal property insufficient to pay his debts upon which no administration was granted, there being practically no personal estate, that the land sold for more than enough to satisfy the mortgage and his creditors are entitled to the surplus proceeds; that Wm. Wesley Boyer left no children or descendents of children surviving him, but left surviving him and now living, a widow, Elizabeth M. Boyer, of Kent County, Maryland, and the following heirs at law: Sarah M. Dunn, a sister, of Kent County, aforesaid, Cornelius F. Boyer, a brother, of Philadelphia, Pa., Joseph P. Wilson, formerly Boyer, of Piqua, Ohio, the children of Charlotte Hynson, a deceased sister, namely, Sarah E. Wood, of Philadelphia, Pa., Mary E. Freeman, of Philadelphia, Pa., Olivia Boyer or Bidgewell, the daughter of Horace Boyer, a deceased brother, the children of Isaac Boyer, a deceased brother, namely: Susie Brown, of the State of Delaware, Gerty Warner, of Kent County, aforesaid, Sarah Gilbert of Kent County, aforesaid, Edgar Boyer, of Philadelphia, Pa., Augusta Boyer, of Wilmington, Del., Albert Boyer, of Bridgeton, N. J., Emory Boyer, of Camden, N. J., and Sophronia B. Thomas, of Langhorne, Pa., all adults, and unknown heirs of Wm. Wesley Boyer, deceased.

Ordered this 28th day of January, 1921, by the Circuit Court for Kent County, in Equity, that the creditors of Wm. Wesley Boyer, deceased, file their claims, with vouchers, with the Clerk of this Court on or before the 10th day of April next, or be excluded from participation in the distribution of said surplus proceeds of sale.

Ordered further, that notice of the object and purpose of said petition be given to Cornelius Boyer, Joseph P. Wilson, Sarah E. Wood, Mary E. Freeman, Olivia Boyer or Bidgewell, Susie Brown, Edgar Boyer, Augusta Boyer, Sophronia B. Thomas, Albert Boyer, and Emory Boyer, all adults, non-residents of the State of Maryland, and all the unknown heirs of Wm. Wesley Boyer, deceased, by publishing this order in some newspaper published in Kent County, once in each of four successive weeks before the 1st day of March, 1921, and warning them to appear in this Court, in person or by attorney, on or before the 16th day of March, 1921, to show cause, if any they have, why the petition should not be granted.

**Are You Doing All Possible To Give Your Children An Education.**

By MISS KELLOGG.

in the schools. A considerable number of people of influence and standing have allowed themselves to be drawn into this current of opinion, or at least have allowed themselves to be quoted as tolerating the propagation of ignorance in their county. If these persons would now declare themselves unreservedly on the side of right and the children, and the law, the unhealthy condition which now exists leave us in the sunlight.

Other counties, notably Frederick, Cecil and Talbot, have realized this, and parents and guardians are being required to account to the local courts for the breaking of the law. The newspapers of the State carry almost daily accounts of warnings, suspended sentences, and fines imposed upon parents and other adults who are found neglecting the education of children. Such an attitude upon the part of the court and the public is a sign of awakened intelligence, conscience, and local pride. If all our people should "take sides" upon this question courageously and openly, such an awakening would not be long in making itself felt here.

The children have "failed," so the books say, but we may convince easily as to where the real failure lies. Hand in hand with our boys and girls, let us all "pass" to better things, before the next semi-annual reports are due.

Now let the children plead their own cause. The following cases are selected from a large number in the school records, the names only being omitted:

**Yearly Report for 1919-20 (June)**

Boy, age 11, 3rd Grade, attended 81 days, not promoted.

Boy, age 12, 3rd Grade, attended 85½ days, not promoted.

Boy, age 11, 3rd Grade, attended 49 ½ days, not promoted. (ent. 1 no. late.)

Boy, age 12, 5th Grade, entered, November, attended 52 deys, failed. Entered quality of good work.

Boy, age 14, 4th Grade, entered, December, attended 24 days, failed of promotion.

Boy, age 14, entered December, attended 11 days.

Girl, age 10, 2nd Grade, attended 106 days.

Girl, age 13, 6th Grade, attended 87½ days.

Girl, age 14, 2nd Grade, attended 96 days.

Boy, 14, 6th Grade, attended 76 days, entered September, withdrew December, re-entered March, not promoted.

Girl, age 7, 1st Grade, attended 93 days, not promoted.

Girl, age 7, entered October, attended 76 days.

Boy, age 6, 1st Grade, attended 55 days.

Boy, age 6, 1st Grade, attended 65 days, not promoted.

Boy, age 12, 2nd Grade, entered January, attended 77 days.

Boy, age, 14, 4th Grade, attended 43 days.

Boy, 9, 1st Grade, attended 57 days.

Such is the actual situation. The scriptures record that it was not an unselfish and law-abiding citizen who said "Am I my brother's keeper?" but a man who feared to lay his acts before the just eyes of God. We citizens are, in a social and Christian sense, the keepers of the welfare of these younger brothers and sisters, the children of our county. Let us join to secure for them all the help they ought to have.
