Fairfield's does the work every time, because it is scientifically prepared to meet all the requirements of poultry. Sold under written guarantee by Davis & Satterfield.

A hen infested with lice will, in one day, waste vitality sufficient for the production of several eggs. This is why the egg season is so often cut short. Your hens need not be in this condition, Fairfield's Lice Killer will rid your fowl of the pest. Sold under written guarantee by Davis & Satterfield.

It has been discovered that many cases of disease in horses diagnosed as Lung Fever are really worm troubles. A farmer that sowed wheat all over his farm and then expected to reap a crop of oats, wheat and corn from the same, what would you think of him? Eggs multiply as though by magic when Fairfield's Egg Producer for Poultry only is fed. The magic in this case consists in supplying the hen with the elements needed for egg production and no others. This can only be done by having a compound prepared especially for poultry. Sold under written guarantee by Davis & Satterfield.

DEMOCRATIC CAMPAIGN CONTRIBUTIONS.

The undersigned, as Treasurer of the Committee of One Hundred, a political organization throughout the State of Maryland for the purpose of electing Bryan and Kern and the regular Congressional candidates of the Democratic party, having duly given bond to the State of Maryland and filed the same with the Secretary of State, as provided under chapter 122 of the Acts of the General Assembly of Maryland of 1908 for the purpose of preventing corrupt practices, is now in position to receive and account for, according to law, such contributions as may be made by all citizens; and has also been appointed by the Democratic National Committee, member of the Finance Committee of the National Organization for the State of Maryland.

This new law, which throws much labor on political treasurers, directs the names of all contributors and the amounts given to be made a public record in the Circuit Court Clerk's office of the respective counties or Baltimore City. No subscriptions without the name of the giver can be received. Any person who subscribes in any other name than his own, and every treasurer who knowingly receives such a subscription, is subject to fine and imprisonment and will be ineligible to public office for four years from the date of the offence. A detailed account of expenditures is required. The law prohibits subscriptions from corporations. The publicity thus given to all subscriptions is apparently intended to discourage them from the special interests for improper purposes and also correspondingly to encourage the party leaders and beneficiaries, including the rank and file of the people, whose interests are served by honest government, to bear the campaign expenses of the party which they choose to support. The public record of contributions will thus serve as an index of the individuals who give financial support to the Democratic party in this important campaign.

Every Democrat in the State of Maryland, who is financially able, should at once make a contribution for the cause either to a local Treasurer, to the Treasurer of the State Central Committee, Hon. Murray Vandiver, or to the undersigned, and the name of the contributor will be placed on the Roll of Honor to be recorded in the courts of record as directed by the Statute.

If the people desire to rule and throw off the yoke of the special interests, they should respond to this lawful opportunity and contribute to necessary and proper political expenses.

BLAIR LEE, Treasurer,
se26-5t. Silver Spring, Md.

Forbiding the Sale of or Giving Away Liquor on Election Day.

For the information of all persons concerned, the following Act of the Legislature passed March 24th, 1895, is published:

AN ACT

Prohibiting the sale of Spirituous or Fermented Liquors in the counties in the State on the day of Election.

SECTION 1.—Be it enacted by the General Assembly of Maryland, that it shall not be lawful for the keeper of any hotel, tavern, store, drinking establishment or any other place where liquor is sold, *or for any person or persons*, directly or indirectly, to sell, barter, give or dispose of, any spirituous or fermented liquors, ale or beer, or intoxicating drinks, of any kind, on the day of election hereafter to be held in the several counties of the State.

SECTION 2.—And be it enacted that any person violating the provisions of this Act shall be liable to indictment by the Grand Jury of the county where such offense is committed, and shall, upon conviction before any judge of any of the Circuit Courts of the State, be fined a sum of not less than fifty dollars for each and every offense; one-half the fine is paid to the informer and the other half to the County Commissioners for the use of the public roads.

Article 33 of the Code of Public General Laws as amended by the Acts of 1900 and 1901, says:

"Whoever, during the hours of registration, or revision of registration, or during the hours of election or canvas of votes, or of making returns thereof in any precinct, shall bring, take, order or send into, shall or attempt to bring or take or send into, any place of registration or of election any distilled or spirituous liquors, wine, ale or beer or shall at any such time or place, drink or partake of such liquor, shall upon conviction thereof be fined not less than ten dollors or more than $100.
