LOCAL INTELIGENCE.

THE Orphans' Court for Caroline county will meet on Tuesday the 21st May.

SCRAPS.

—Court begins in Easton next week.

—The time table of the Md. & Del. railroad has been changed.

—Quarterly meeting at Potter's Landing to-day and to-morrow.

—A solution of gas tar is said to be an excellent remedy for potato bugs.

—Fishing on the Choptank this season has been almost an entire failure.

—Strawberries are getting to be quite plentiful in our market, and are selling at ten cents a quart.

—It would be a great blessing to the community if some people had their tongues amputated near the roots.

—The frost in this locality on Monday and Tuesday mornings last did considerable damage to the wheat crop.

—The Chestertown *Transcript* has changed hands. Samuel E. Sullivan, Esq., is the present editor and proprietor.

—A colored boy by the name of Thomas Sharp was drowned in the Choptank river below Keene's Landing, last Friday week.

—Christ Church, Denton—the Rev. Mr. Mitchell, of Centreville, is expected to preach in this Church to-morrow (Sunday) morning, at 10½ o'clock.

—Thistles require radical treatment to remove them, and so do Boils and Pimples. Dr. Bull's Blood Mixture is a radical searcher, curing all skin eruptions.

—The old Presbyterian Church at Centreville has been purchased by the Rev. Father Bradford, of Chestertown, and is being repaired for use by the Catholic Church.

—The New York one-price-cash clothing store, 181 W. Baltimore St., Baltimore, is the place to go when you want to buy cheap and fashionable gentlemen's suits.

—On Sunday morning last the dwelling and out-houses belonging to Mr. Alfred Davis, in the lower part of the county, were destroyed by fire. We understand it was partly insured.

—Mrs. Hattie Whitby, of Hillsboro', has just returned from the city with a large stock of spring millinery, fancy goods &c. She gives the public an invitation to call and examine her stock.

—Suffering will exhibit its presence by the cries of the baby, and should be removed by the prompt use of that highly recommended remedy, Dr. Bull's Baby Syrup. It is free from Opium. Price 25 cents.

—The young horse, Whalebone, belonging to J. H. Powers, of this county now being trained on the Bethlehem track, on Saturday last trotted his mile heat in two minutes and forty seconds. He will trot at the fair on the 29th inst. So says a correspondent.

READY FOR HARVEST.—Messrs. Shannahan & Wrightson, hardware dealers, Easton, Md., are fully prepared to supply the wants of farmers in the coming harvest. By close attention to business they have learned where and how to buy their machinery, etc., at lowest prices, and of course can sell at low figures. Read new advertisement.

GREAT INVENTION.—Wm. G. Himrod, Esq., the very accommodating salesman of Tuthill & Avery, hardware dealers, Easton, Md., has received a patent on his combined plow and harrow that was spoken of in the papers some time since, and which is destined to be the greatest benefit to farmers of any invention since the reaper. We hope it will prove a source of great profit to Mr. Himrod.

PUSHING BUSINESS MEN.—The largest business in agricultural implements ever done on this Shore has been done the present season by Messrs. Tuthill & Avery, of Easton. They have taken up to the present time orders for twenty steam engines and threshers, and thirty or forty reapers, Wheeler, No. 6. These are distributed over Talbot, Caroline, Queen Anne's and Dorchester counties.

IRON BRIDGE TO BE BUILT.—In our last issue we stated that the County Commissioners on Friday last received bids for the building of the bridge across the Choptank at this place. They met again on Tuesday, and after considering the matter for some time, awarded the contract to the King Iron Bridge and Manufacturing Company, of Cleveland, Ohio, at $10,000, to be paid in July, 1879. This company is to furnish all the material, except the lumber referred to in our advertising columns, and do all the work, commencing the 10th of June and completing the bridge by the 20th of next August.

WHEN you begin to feel "bad all over," it is time to invest 50 cents in Keller's Life Drops, which as a safe Blood Purifier, have no equal. It is a good medicine.

AGRICULTURAL FAIR.—The Agricultural Society of Bethlehem, in this county, will hold a semi-annual fair on its grounds on Wednesday, May 29, 1878.

We publish below the primium list as received from the secretary of the society:

will be arwarded according to the following schedule:

The Denton Cornet Band will positively be present, with selected pieces of music.

Mr. David Lewis, the photographer, of Easton, will be on the ground to take pictures. Mr. Mason will furnish the ground with cake, confectionery, ice cream and lemonade. The flying coaches will also be on the ground. The society has erected buildings under roof to accommodate about 1000 persons with seats; also a ladies' dressing-room. Horse racks for hitching horses; horse food for sale.

As the Society has been at heavy expense in erecting exhibiting buildings and preparing the grounds to accommodate the people, they sincerely hope that all friendly to improved agriculture will give their attendance.

Admission fee, 25 cents. Children under 12 years old 10 cents.
