A Most Successful Mission.

The past week has witnessed a most successful series of religious exercises held in the church of the Sacred Heart. The daily services both morning and evening were conducted by Reverend Joseph M. Synder, a Redemptorist Missionary from Saratoga, N. Y. These exercises were faithfully attended in great numbers by Catholics as well as non-Catholics. The persevering attendance and the intelligent attention displayed by the parishoners as well as by their relatives and friends give unerring assurance of a keen interest in matters religious that redounds to their own honor as well as to the welfare of the community. The sermons and discourses of Father Snyder were pregnant with thought, powerful in diction, eloquently delivered and intensely interesting. Catholics were made proud of and strengthened in their faith. Their relatives and friends learned the position of the Catholic Church in many matters purely religious as well as in matters pertaining to the welfare and happiness of society. These religious exercises will reach their climax Saturday evening at 7.30 o'clock. On this occassion the church will be adorned with a beautiful shrine erected and tastefully decorated with potted plants, cut flowers and burning candles in honor of the Blessed Virgin Mary. A feature of this solemn service will be the presence of the children, elegantly clad, sweetly singing and devoutly marching in procession. A discourse will be delivered in honor of the Blessed Virgin Mary, followed by a consecration of the children and adults to the love and service of the great mother of God. The final exercise of the mission will take place Sunday morning at 10.30 o'clock. There will be a high mass, followed by an important sermon, and closing with benediction of the Blessed Sacrament.

Father Snyder will open a week's mission at St. John's Church, Rock Hall, on Sunday evening at 7.30 o'clock. The mission services will be held every morning at 5 and 8 o'clock and every evening at 7.30. Both Catholics as well as non-Catholics are cordially invited to attend the services. This is a rare opportunity to listen to a clear, forcible and eloquent speaker, and therefore should be accepted by all.

A HOME WHERE PERUNA IS USED.

Residence of Mr. C. Hallock, Antwerp, Ohio.

One of the Many Thousand Homes Where Peruna is a Popular Household Remedy.

MR. C. HALLOCK.

CATARRH OF THE HEAD.

Mr. C. Hallock, Antwerp, Ohio, writes: "My daughter, Allie, after taking three bottles of your Peruna, is entirely cured of catarrh of the head of two years standing.

"We have used Peruna as a general tonic, as well as for catarrh, and are well pleased with it, and recommend it to anybody who has catarrh.

"Anybody wishing any information can write to me."

Could Take No Food.

Mr. William F. Burke, 1365 Frankford Ave., Philadelphia, Pa., writes:

"On the 19th of February, 1901, I was taken with cramps that extended from just below my throat to the bottom of my stomach. They were so severe that my wife had to go for a doctor about two o'clock in the morning.

"I had from February until July of that year three doctors, and they were giving me medicine for kidney, liver and bladder troubles, and after taking all kinds of their mixtures, in the month of July I could neither eat nor drink. For three weeks I had not taken a morsel of food except in a liquid form. At the end of that time I could not drink milk or water except in small sips, which caused me great pain.

"I had given up all hope of living more than a week or two at most. I told my wife I thought I had catarrh of the stomach. She seemed to think so too, and having read of Peruna I decided to give it a trial.

"I took several doses that evening, and for the first time in weeks rested fairly that night.

"I kept on using Peruna as I had started, and after using it three days and nights the pains in my chest and stomach disappeared, and they have never appeared since, and it will be two years this July."

Pe-ru-na Relieved All Symptoms.

Mr. J. C. Crumpacker, R. R. 1, Kokomo, Ind., writes:

"I can say that I have nothing to complain of now. I feel well, rest well at night, have a good but moderate appetite, can eat almost any kind of food.

"I have no aches or pains anywhere, and can do some kind of work every day. I must say I can stand as much fatigue as I ever could, and feel good over it.

"The hemorrhage has yielded to Peruna, the grip has done the same, as well as pains and aches of all kinds.

"The roaring noise has entirely left my ears and head, my mind is clear, my recollection good, my bowels are regular, and I just simply feel easy all over.

"The cure of my case was surely a victory."

Catarrh of Long Standing.

Mr. C. A. Reustrom, 570 Seventh St., Ogden, Utah, writes: "I take great pleasure in stating to you that your medicine, Peruna, has completely cured me of a long-standing case of catarrh.

"I had consulted noted doctors without any relief. By persistent urging of a friend I commenced the use of your wonderful Peruna with the best of results, and today I highly recommend it to any one suffering from catarrh in any form.

"As for myself, I suffered untold agony, but today I feel as spry as any one, with more ambition and confidence in myself than I have enjoyed for years.

"All my friends say I look better than ever before, and I urge them all to try Peruna, and have sold dozens of bottles with the greatest of satisfaction.

"Your Peruna is the greatest tonic and builder for a broken-down constitution arising from that dreadful disease, catarrh."

Some people prefer to take tablets, rather than to take medicine in a fluid form. Such people can obtain Peruna tablets, which represent the medicinal ingredients of Peruna. Each tablet is equivalent to an average dose of Peruna.
