SCRAPS.

—Water rails are numerous on the marshes of Wicomico.

—Col. R. C. Carter can furnish the best and cheapest grain drills.

—The October Term of Court will commence monday week the 7th prok.

—Our next issue will contain the usual columns of reading matter, this being the last week of the levy list.

—There will be service in the Rom. Catholic Church, in this town, to-morrow (Sunday) morning at the usual hour.

—A citizen of Cambridge steps forward with a tender of $10,000 towards establishing a national bank in that town.

—The public schools of this county will open on the 7th day of October. The colored schools will open the 4th of November.

—At the last meeting of the School Board, Messrs. T. E. Kelly, J. Nichols and A. Griffith were appointed trustees of Frazier Neck school.

—Cecil county is troubled with a panther, or some such deadly beast! Hunting parties are out, and the neighborhood is up in arms.

—Disfigurement, such as obstinate Swellings, Boils, pimples, Erysipelas, etc. are promptly removed by the use of Dr. Bull's Blood Mixtue.

—Experience has proven that the best remedy for Colic, Diarrhoea, Teething and other troubles of Infancy is Dr. Bull's Baby Syrup. price 25 cents.

—Messrs. Wallace & Richardson are prepared to do all kinds of painting in first class order. They need no better recommendation than their work.

—Mr. John Thawley, residing near Burrsville, died on Monday last, about 81 years of age. He was well known throughout the county, and highly esteemed.

—The Talbot County Commissioners have divided Easton district and set off Miles River Neck as a separate election precinct with Oakland Mills as the voting place.

—Several valuable horses at Princess Anne have lately died of a disease, the name of which nobody seems to know. The *True Marylander* says that the disease is the blind staggers.

—One day last week a needle one and a-quarter inches in length was taken from the right forearm of Marian Cooper, daughter of Thomas B. Cooper, of Kent county, Del., after having been in the arm for three years.

—James M. Jones, formerly of this county, and A. Hill, grocers, of Wilmington, upon presenting to the First National Bank checks signed by Wm. H. Wright, carriage builder, Wednesday morning, found that they were forged. The fellow who victimized Mr. Jones and Mr. Hill had purchased articles from their stores and received change on the checks.

SUDDEN DEATH—Mr. Owen Connelly, a highly respected citizen of the first district of Kent county, was suddenly stricken down, on the Fair grounds, last Wednesday evening, about 6 o'clock, and died in two hours' time, in the office at the gate whither he had been removed for medical attention. Mr. Connelly had been complaining of feeling badly for several days previous. He was a native of Caroline county, but had resided in Kent since 1860, and was engaged in milling near St. Paul's church. Drs. Beck and Comegys, who were on the ground, attended him but could do nothing for his relief. His death (we learn as coming from Dr. Beck) was caused by apoplexy.

ORPHANS' COURT.—The Court met on Tuesday last, all the judges present.

Thomas R. Rowins, ext'r of Margaret Rowins, dec'd, presented inventory of the personal estate of said deceased; passed.

STILL AHEAD.—While many and valuable improvements have been made in Easton since J. J. Jump & Co. set the ball rolling two years ago, there is not and cannot be, (except by building from the ground up,) a more imposing, handsome and well-appointed establishment in Easton than their building. While they are with one exception the youngest firm in Easton, they have imparted a vim and rush to the Dry Goods trade that has made Easton the Dry Goods centre of the Peninsula. We invite our readers to a perusal of their advertisement, and commend them to this establishment, which we know of ourselves to be A No. 1.

HALL'S VEGETABLE SICILIAN HAIR RENEWER is a scientific combination of some of the most powerful restorative agents in the vegetable kingdom. It restores gray hair to its original color. It makes the scalp white and clean. It cures dandruff and humors, and falling-out of the hair. It furnishes the nutritive principle by which the hair is nourished and supported. It makes the hair moist, soft and glossy, and is unsurpassed as a hair-dressing. It is the most economical preparation ever offered to the public, as its effects remain a long time, making only an occasional application necessary. It is recommended and used by eminent medical men, and officially endorsed by the State Assayer, of Massachusetts. The popularity of Hall's Hair Renewer has increased with the test of many years, both in this country and in foreign lands, and it is now known and used in all the civilzed countries of the world.

By Universal Accord,

AYER'S CATHARTIC PILLS are the best of all purgatives for family use. They are the product of long, laborious, and successful chemical investigation, and their extensive use, by Physicians in their practice, and by all civilized nations, proves them the best and most effectual purgative Pill that medical science can devise. Being purely vegetable no harm can arise from their use. In intrinsic value and curative powers no other Pills can be compared with them, and every person, knowing their virtues, will employ them, when needed. They keep the system in perfect order and maintain in healthy action the whole machinery of life. Mild, searching and effectual, they are specially adapted to the needs of the digestive apparatus, derangements of which they prevent and cure, if timely taken. They are the best and safest physic to employ for children and weakened constitutions, where a mild, but effectual, cathartic is required.
