We have our stock in, and are prepared to quote close prices on all varieties. Contract Prime direct from Toledo, the seed country. Will be pleased to have you call on us before buying.

American Field

—AND—

Poultry Fence

Two carloads of American Fence has already arrived to meet the season's demands. We have the largest line of fencing in the county. How about that Poultry Fence? We can suit you as we have more different styles than any house in the county. Send for our fence book.

Farm Wagons

The best recommendation our Wagons have is that our competitors try to imitate them. They may give you the same style, but always bear in mind that there is NONE as good as the original. Ours is a shop made Wagon. All irons are forged out in our shops. They are large and strong enough to bear any load the Wagon will carry. Come and look before you buy.

We solicit your patronage,
