The Peerless Fertilizer Company

—SUCCESSORS TO—

WILBUR W. HUBBARD

Is particularly well adapted this spring to supply you with what ever you may need in the way of Fertilizers, as we have a large stock of goods on hand bought right for the cash, and can do exceptionally well by you. Hence if you want to sow OATS, plant POTATOES or VEGETABLES, increase you crop of ASPARAGUS, plant TOMATOES, top dress your GRASS or WHEAT or fertilize your CORN.

The question is easily solved, because when you consider the way our Fertilizers have been made all these years and the sincerity of purpose back of them, you will not wonder why our trade has steadily grown for thirty-four consecutive years, but conclude (if you are not already a customer of ours) to buy them yourself.

We have many customers who have dealt with us for over 30 years. We have in our office hundreds of voluntary testimonials which we would be glad to publish did space permit, and when you think here is a firm who have striven to make Fertilizers well, and also save money on your purchases, we hope that you will give us a chance to bid on your supply this time.

Very truly yours,

The Peerless Fertilizer Co.,

CHESTERTOWN, MD.

P. S.—If you have not received one by mail, please call at our office and get an almanac for 1909 and a souvenir box of matches.

Baseball Season Opens.

The varsity of Washington College lined up against the strong Villa Nova nine for a series of two games on March 26th and 27th. These games opened the season for the home team, but the work of Washington was exceptionally good. In the first game the Pennsylvanians used three pitchers, while for Washington Morton twirled for nine innings. The new material showed its mettle and high hopes are entertained for a successful season. Baden pitched the second game for Washington. In the first game Villa Nova rolled up 11 points to Washington's seven. The second game gave 10 points to the strangers and 4 to the home team.

Washington meets Delaware College at home, today, April 3rd. A fine game is expected since the two teams are evenly matched. Coach M. J. Thompson has worked up his team in fine shape and the boys are entering enthusiastically upon their work.
