DENTON JOURNAL.

Saturday Morning, July 11, 1885.

☞Items of news from all parts of the county solicited under this head.

THE LOCAL DEPARTMENT.

Baltimore Markets.—Fair to prime new wheat sold in the Baltimore market on Wednesday last for 93 to 96 cents; prime longberry brought $1; No. 1 Maryland red sold for 97. White corn is worth 62 to 63, and yellow at 56 cents. Oats are worth 35 to 36 cents. Good rye brings 65 to 70 cents.

Church Notices.—There will be Holy Communion in St. Paul's Reformed Church, Ridgely, Sunday morning at 10 o'clock. Preparatory service on Saturday afternoon at 3 o'clock.

—Since Bishop Lay has been in Baltimore his health has very much improved, and now he drives out. Dr. Donaldson is hopeful of his entire recovery.

Base Ball.—The Hillsborough boys played with the Oxford nine on July 4. The Oxford club won, scoring 11 runs, the Hillsborough boys making but 5.

—The Preston club was defeated by the Burrsville nine on Saturday last. Only five innings were played, after which the game was called, the score being 36 to 9.

—The Federalsburg and Hillsboro' base ball clubs are to play on the Denton ground this morning.

A Rumored Murder.—The Harrington Enterprise says: "Rumor says that a family in the neighborhood of Adamsville committed a brutal murder some days since. The father at the table became angry with his little child, and threw it upon the floor, breaking its shoulder blade. The mother, flying into a passion, jumped upon the child, stamping its brains out. We understand that the officers have captured her, but that he is still at large."

Smithville Notes.—On July 2nd the neighborhood of Houston's Branch was visited by a terrific hail-storm doing considerable damage to corn and other growing crops. Fortunately the wheat had been harvested.

—Mr. Oliver Draper has purchased a traction engine and saw mill and contemplates locating on the farm of Mr. Frank Thompson, one mile from this place.

—The wheat yield promises better than was anticipated.

Steamboat Notes. — The splendid steamer Joppa, on the Choptank route, is to be lighted by the Edison incandescent electric light. The Joppa is already considered the ideal of steamboat excellence, but the Edison lights are considered an advantage that will add to her comfort, elegance and convenience.

—The Maryland Steamboat Company have contracted with Messrs. Ross & Sanford, of Baltimore, to build a new wharf on the Choptank river, at Oyster Shell Point, and it is to be completed August 1. The wharf will be 500 feet long.

Early Peaches. — Among the first peaches to go into market last week and this were the Brigg's May, Amsden's June, Jarrell's Early, and Alexandria. These varieties never attain perfection and as a rule are unprofitable to handle. The first early peach that ripens well is the Early Rivers. The Hale's, which was formerly planted in all orchards, has grown entirely out of favor, and nurserymen never receive orders for it. The output of young trees of approved varieties, has been enormous on the Peninsula during the past three years. A prominent Caroline county orchardist estimates that the area of ground in our county now set in bearing peach trees will be doubled in three years.

Trotting at Marydel.—Three hundred people witnessed the races at Marydel on the Fourth. Great interest was manifested, especially in the match between Sleepy Dave and Dexter, they being the favorites.

The Majesty of the Law. — The following story of Delaware jurisprudence comes to us through the Delawarean. The writer got his territorial lines mixed, and located the circumstance in Caroline county instead of Mispillion hundred, Kent, where the occurrence doubtless took place: A Justice of the Peace had a man arraigned before him a short time ago charged with the crime of stealing a dog. The Justice, after having heard the evidence of quite a number of witnesses, whose testimony was somewhat contradictory, called upon a friend, in whose judgment he had great confidence, to ask his advice in the premises. His friend, after hearing the 'Squire's account of the affair, advised him to sentence either the dog or thief to be hung on the following Friday. The 'Squire thought the penalty too severe and refused to pronounce the death sentence. He, however, said to his friend that he would fix the thing satisfactory to all parties concerned. He thereupon commanded silence in the court, after which the following judgment was rendered: "Mr. A. B., the evidence does not warrant a conviction for stealing this dog or any other dog, but society demands a conviction of some kind; therefore I fine you $2.50 and costs for breaking into some one's barn. You are committed to the hands of the constable until the fine and costs are paid to me."

Death of Mrs. Henry H. Clark.—Mrs. Henry H. Clarke, who resided near Henderson, died on the road from Dover to Camden on the Fourth of July. She and a lady friend were driving out to a picnic at Camden grove. On reaching the ground Mrs. Clark became sick and fell back in the carriage, helpless. She was carried to a house by the roadside and a physician summoned, who soon arrived. Her death followed almost instantaneously, and was attributed to heart disease. Mrs. Clark was a very estimable lady and her many friends were shocked at her untimely demise. She was a daughter of Wm. Nickerson, Esq., of Easton.

Postmasters Renewing Bonds.—Mr. James K. Saulsbury, of Ridgely, has recently renewed his bond as postmaster of that place. Congressman Gibson made inquiries concerning the matter and received the following telegram, signed by First Assistant Postmaster-General A. E. Stevenson: "Telegram concerning the Ridgely postoffice is received. You have been misinformed. The postmaster there has simply been called upon to execute a new bond, which in no way prolongs his term of office." Mr. Saulsbury has made no effort to be retained in the office, which he has held for over fifteen years. Messrs. T. A. Smith and P. H. McShane, Democrats, have been endorsed for the place. It was also reported that Mr. B. G. Stevens, post-master at Potter's Landing, has been requested to furnish a renewal of his bond.

Personal Mention.—Mrs. Ossing, of Baltimore, is a guest at Mr. W. E. Dunnock's.

—Mr. John T. Sangston, of Wilmington, was in town Thursday,

—Mr. J. E. Tylor, of Denton, attended the meeting of the State Teachers' Association held at Deer Park this week.

—William H. Deweese, Esq., has been quite ill for several weeks. A delicate and difficult operation was performed on his eye recently, which gave much pain to the patient. He is now much improved.

—A goodly numberof Dentonians took the Joppa for Baltimore on Wednesday, among whom were Rev. T. O. Ayres and Messrs. Jas. Swann and Jon. Evitts, who will return with chandeliers, &c., for the M. E. church.

—Rev. George W. Bowman desires to extend the thanks of the Wesley M. E. Sunday school, passed by vote, to all the friends who aided by their services in making the festival of the Fourth successful. He refers especially to Misses Carrie Dixon, Clara Van Gesel, Maggie Morris; and Messrs. Urie Townsend, J. Edward Tylor, M. Bates Stephens, J. Stewart Crossy, Jr., Robert J. Wilson, Charles E. Mulford, and Frank Finch.

Orphans' Court. — Judges Moore, Johnson and Willis were all present at the session of last Tuesday.

Order was passed allowing Wm. D. Taylor to give notice to creditors of Mary B. Taylor, deceased.

Esma Lowe, adm'tr of Moulton Plummer, deceased, passed distribution of balance of personal estate of said deceased.

Receipt and release of Florence V. Sorden to T. Fred Garey, Jr., administrator of Sarah A. Sorden, deceased, was filed and passed.

Receipt of Annie Morris to John Fleetwood, her late guardian, was filed and passed.

The court passed an order directing record and caveatees issues in the matter of the last will and testament of Ezekiel Eaton, deceased, to be made up and transmitted to the circuit court.

Renunciation of the widow and children of Martin F. Walls, deceased, was filed and ordered to be recorded.

Letters of administration on the estate of Martin F. Walls, deceased, were granted to Wm. C. Satterfield, and notice to creditors ordered to be given.

Notice to the creditors of Edward Collins, deceased, was ordered to be given by H. Clay Hobbs, administrator.

Celebrating the Fourth.—A very successful celebration, from all points of view, was held at Wesley church, Burrsville, on Saturday afternoon. The primary object of the celebration was to raise funds for the establishment of a Sunday school library for the church. The event was only advertised by brief notices in the papers, yet several hundred persons were present. The program was varied and highly interesting. The exercises were begun about half-past two by the singing of "Gloria Patria," after which Rev. G. V. Brace offered prayer. Rev. George W. Bowman, pastor of the church, made a few appropriate remarks, and introduced Mr. M. Bates Stephens, who entertained the audience in a neat speech of 30 minutes on the prolific subject of independence, and the choir responded by singing with feeling "The Star Spangled Banner." Some pretty recitations were then made by a number of little girls, members of the Sunday school. A good instrumental trio, Mr. Charles E. Mulford, cornetist; Mr. Frank Finch, violinist, and Mr. Robert J. Wilson, organist, furnished some excellent music during the intermission. Miss Carrie Dixon, of Denton, next recited the pleasing poem, "Curfew." Rev. Mr. Bowman then introduced Mr. Urie Townsend, of Denton, who made an address on patriotism. He closed his speech by touching on the evils and dangers to American institutions resulting from vote-buying. Miss Topsy Van Gesel, organist, accompanied by Messrs. Mulford and Finch, then rendered several favorite instrumental pieces. "Emmett's Dream" was next on the program, and was given by Mr. J. Stewart Crossy, Jr. Miss Maggie Morris recited a poem entitled "The Fourth of July," and the assemblage arose and sang "America." Mr. J. Edward Tylor's speech on the American Eagle, following, though short, was appropriate and well delivered. A cornet solo by Mr. Mulford and several speeches by Sunday school scholars closed the performances. The entertainment ended at 9 p. m. The proceeds derived from the sale of refreshments amounted to about $70.

—At Hurlock's about four hundred persons celebrated the Fourth. The exercises were under the direction of Rev. George F. Hopkins, of Washington circuit. In the morning Eugene Todd, Esq., read the Declaration of Independence, and Col. McCarter delivered the oration in his usual eloquent and masterly manner. In the afternoon Rev. P. H. Rawlins, Mr. E. E. Dixon and Rev. R. O. Hazzard made brief and instructive addresses to the children. Then came recitations by the pupils of the different Sunday schools represented. The exercises were enlivened with singing and music, with Miss Whelpley at the organ. All present seemed to enjoy themselves greatly.

—About three hundred persons joined in celebrating the Fourth at Harmony. Rev. John Warthman, of the Federalsburg circuit, conducted the exercises, and the church choir furnished the music. Refreshments were plentiful and found ready sale. Rev. T. O. Ayres in an able address discussed the moral status of the nation and its tendency toward reform. Mr. H. A. Roop, a visitor, was called upon at the close of Mr. Ayres' address and responded in a neat impromptu speech. The funds raised are to be applied to the repairing of the M. E. church.

Dashes Here and There. — The Orphans Court will meet Tuesday, July 21st.

—John R. Griffin shipped a small lot of peaches Thursday of last week.

—The bank, stores and public offices at Denton were closed on the Fourth.

—Interesting Children's Day services were held in the M. P. church, Burrsville, on Sunday last.

—A new Methodist church is being built near Houstan's Branch in the Fifth district.

—Mr. Leager, miller at Garey's mill, ground some new wheat last Saturday, from which 40½ pounds of flour per bushel were realized.

—The Greensboro' carriage factory, J. S. Rickards, proprietor, has been busy this summer. Mr. Rickards claims to have the best stock of carriages on the Eastern Shore.

—Messrs. Chaffinch & Coney, Easton, have dissolved partnership, Mr. Chaffinch continuing in the business of the firm. Mr. Coney has embarked in the drug business.

—Miss Katie Cook, of Queen Anne's county, a niece of the late Joseph K. Cook, and a very estimable young lady, died on Wednesday of last week of consumption.

—A boy named Wright, employed by Mr. James Horsey, near Andersontown, while filling the boiler of an engine last Thursday fell off a barrel and dislocated his shoulder. Dr. Hignutt rendered surgical aid.

—The beautiful audience room of the M. E. church in Denton will be re-opened for divine service on Sunday morning, the 19th inst. Rev. George R. Bristor, D. D., will be present and preach on that occasion.

—At the meeting of the commissioners on Tuesday, the contract for building a school house at Goose Pond was awarded to Robert H. Dill, his bid being $657. Prof. Swann was able, for the first time in some weeks, to be present, and was kept busy writing checks for teachers who had not been paid previous to his illness.

—The managers of Oakland camp meet in Greensboro' to-day to dispose of the privileges. Jno. F. Dawson, Jos. Orrell, and Thos. H. Jarman, committee on tent sites, will meet at the ground on Monday to award sites. All wishing to tent should be present.

—There was quite a gala day at the race track at Williamsburg, on the Fourth. There were about three hundred persons present. The trotting was very fine, for untrained horses. There were no purses, yet the speed was good, the time of the best flyers being between 2:40 and 2:50.

—The excursion on the steamer Chesapeake, from Denton to Cambridge on the Fourth, was largely attended. The boat stopped at landings on the way and the number swelled to 200 before reaching Cambridge. The excursion from Hillsboro' to Cambridge on the Minnie Wheeler was also a success.

—In the report of the fracas that took place in the store of Mr. W. E. Mason, Hillsborough, published last week, we were led into error from statements given in the Baltimore Herald. The truth of the whole story was that two abusive peddlers stopped at Mr. Mason's store to purchase rags. After they had examined his stock, and scattered the fragments about the floor, they concluded they would not buy them. The proprietor politely requested them to replace the rags in a bundle. They refused to do so and began to abuse the elder Mr. Mason. Mr. C. H. Mason interfered and was struck on the head. A fight ensued in which the peddlers were worsted and driven away.—Writs were sworn out for the Messrs. Mason and they appeared before Justice Alga Smith, of Cordova, who, on hearing the evidence, promptly dismissed the charges.

DIED.

—The cannery of Col. A. S. Small, at Lincoln, Del., and the hotel building adjoining were destroyed by fire on Saturday night July 4th. All of last year's canned goods were burned. Loss about $25,000.

—On Wednesday Walter Blackson, a three-year-old son of John Blackson, who lives about five miles north of Elkton, was run into by a reaper on his father's farm and had both his legs cut so badly as to necessitate amputation.

—Messrs. T. Sudler and G. Clinton Roberts, have purchased the two-thirds interest of W. W. Busteed, Esq., in the Centreville Observer. Mr. C. A. Busteed will retain his interest and become a member of the new firm.

—The trustees of Wye camp have awarded the camp privileges as follows: Bread tent to W. W. Bryan, Jr.; horse pound to John S. Lewis; barber shop to Emory Nichols; photograph gallery to James H. Vane; boarding tents to Mrs. John S. Connolly, Otho D. Brayan, Mrs. Woodford, Mr. Fallowfield, E. B. Vandyke and Capt. James E. Walters. Dr. B. T. Winchester will connect the camp with Wye Mills by telephone.

—Saulsbury Jones, a colored man living near East New Market, who suffered for a long time with a cancer on the base of the tongue, has been almost entirely cured. Six weeks ago, after he had despaired of getting well, he put himself under the treatment of Dr. B. W. Goldsborough, of Cambridge, who applied the thermo-cautery process. The cancer was burnt out and immediately began to heal. The disease was similar to that of Gen. Grant.

To most children the bare suggestion of a dose of castor oil is nauseating. Why not, then, when physic is necessary for the little ones, use Ayer's Cathartic Pills? They combine every essential and valuable principle of a cathartic medicine, and being sugar-coated are easily taken.

Almost every person has some form of scrofulous poison latent in his veins. When this develops in scrofulous sores, ulcers, or eruptions, or takes the form of rheumatism, or organic diseases, the suffering that ensues is terrible beyond description. Hence the gratitude of those who discover, as thousands yearly do, that Ayer's Sarsaparilla will thoroughly eradicate this evil from the system.

IMPORTANT.—When you visit or leave New York City save Baggage Expressage and Carriage Hire and stop at the Grand Union Hotel. Elegant rooms fitted up at a cost of one million dollars, reduced to $1.00 and upwards per day. European plan. Elevator. Restaurant supplied with the best. Horse cars, stages and elevated railroad to all depots. Families can live better for less money at the Grand Union Hotel than at any other first-class hotel in the city. apr11 '85 y

WARREN LELAND,

whom everybody knows as the successful

Largest Hotel Enterprises

of America, says that while a passenger from New York on board a ship going around Cape Horn, in the early days of emigration to California, he learned that one of the officers of the vessel had cured himself, during the voyage, of an obstinate disease by the use of

Ayer's Sarsaparilla.

Since then Mr. LELAND has recommended AYER'S SARSAPARILLA in many similar cases, and he has never yet heard of its failure to effect a radical cure.

Some years ago one of Mr. LELAND'S farm laborers bruised his leg. Owing to the bad state of his blood, an ugly scrofulous swelling or lump appeared on the injured limb. Horrible itching of the skin, with burning and darting pains through the lump, made life almost intolerable. The leg became enormously enlarged, and running ulcers formed, discharging great quantities of extremely offensive matter. No treatment was of any avail until the man, by Mr. LELAND'S direction, was supplied with AYER'S SARSAPARILLA, which allayed the pain and irritation, healed the sores, removed the swelling, and completely restored the limb to use.

Mr. LELAND has personally used

Ayer's Sarsaparilla

for Rheumatism, with entire success; and, after careful observation, declares that, in his belief, there is no medicine in the world equal to it for the cure of Liver Disorders, Gout, the effects of high living, Salt Rheum, Sores, Eruptions, and all the various forms of blood diseases.

We have Mr. LELAND'S permission to invite all who may desire further evidence in regard to the extraordinary curative powers of AYER'S SARSAPARILLA to see him personally either at his mammoth Ocean Hotel, Long Branch, or at the popular Leland Hotel, Broadway, 27th and 28th Streets, New York.

Mr. LELAND'S extensive knowledge of the good done by this unequalled eradicator of blood poisons enables him to give inquirers much valuable information.

Money Tells the Tale!

I AGAIN call your attention to the fact that I have filled my shelves with a line of goods now most likely to be called for. These goods were bought in New York and Baltimore for "spot cash," and I expect to sell them for less than any man who does a credit business. And now, my friends, although I can't afford to blow with printer's ink, I have put my prices

DOWN! DOWN! DOWN!

Come and see for yourself. It will pay you to pay the cash for your goods and avoid the extra charges always incident to the credit business.

Again, only my own force is employed—another saving to my customers. I intend to run my business hereafter on a

Close Cash Basis,

and intend that you shall hear from me "before the races are over." Mark it!

Another word to my country patrons: I will, at a small discount,

PAY CASH FOR TRADE

if you do not wish my goods.

I promise to be, as I have been before, a benefit to you.

Yours with much respect,
THOMAS M. COOPER.

◁THE▷ THREATENED WAR

Between England and Russia; the change of cabinet in the former country have caused much excitement in all circles, not only where those things are taking place, but in this country. It is a matter of interest to us as a people to know what our neighbors are about. Their doings affect us in many ways, but it hasn't interfered with the price of our dry goods in the least! We are selling all kinds of goods at the very lowest prices to be found anywhere; and the goods themselves are better than can be found elsewhere. As usual we have a very fine stock, embracing every department necessary to the make-up of a first-class house; we have bargains in everything; we always do have, but our ready made clothing is the biggest bargain to be found; we want the room that these goods occupy for other purposes; we intend to have it; consequently we are selling these goods at cost and below. If you miss this opportunity to get a rare thing we are afraid that you will be sorry for it.
