Kent County Club Boy On His Way With Holsteins

Throughout the State now there are several hundred pure-bred dairy animals in the hands of club boys which are likely at any moment to make experienced dairymen sit up and take notice. Back of every one of these animals are good breeding, high milk producing tendencies, careful selection and in many cases careful feeding and management.

Kent county, for instance, where the 1920 Census says that the average yearly production per cow is only 321 gallons of molk, Norman E. Pennington, a club boy, has a heifer of his own rearing that as a junior two-year-old made an A. R. O. record of 20.25 pounds of butterfat and 460 pounds of milk in seven days,—a record no dairyman would disdain to own.

Norman's heifer came into his possession in May 1921, when as a 7-months old calf she was purchased from Mr. Pennington's herd for $65. Norman worked hard for that $65, raising tomatoes. In the fall, however, he got it all back. He entered his heifer in the club class at the Timonium State Fair, won the first premium of $40 and an additional $25 presented by the Maryland State Holstein Association.

Bess Clothilde Pontiac Burke, by which formidable name Norman's heifer was known, continued to work for her young owner in the show ring. The following year she was again shown at Timonium, winning the blue ribbon as a senior heifer in the boys' club class, and carrying away the second prize in the open competition. Her total winnings at that time totaled $110. She freshened in the early spring of 1923, made her A. R. O. record referred to above, and presented Norman with a calf that repeated her mother's performance and captured the blue ribbon in the club class at Timonium the past fall. In addition this calf, one of the number chosen to represent Maryland at the National Dairy Show at Syracuse in October placed seventh in a strong class, not to be outdone by her own daughter, again proved worthy of the show ring and stood sixth in a tight class of sixteen at the Timonium Fair.

In the meantime, Norman had possessed himself of another heifer—Countess Herringa Veeman. She was purchased in May, 1922, for $95 and placed fifth in the junior Holstein heifer class at Timonium the fall of that year.

Norman now has three fine Holsteins in his possession and a straight road ahead of him. Kent county dairymen will probably keep a close eye on this club boy who is getting together a heard that looks distinctly formidable.

ROCK HALL

Prof. Strang received this week a handsome German police dog from his brother-in-law.

John E. Hadaway continues quite sick at a Baltimore hospital.

Miss Madge Crawfor has been quite sick of tonsilitis.

Mrs. Emory Hogans is improving after a ten days illness.

Mr. and Mrs. Edw. O. Erickson and family have moved to Baltimore. Russell Sewell has moved into Mr. Marion Downey's house recently vacated by Wm. Wagner.

G. E. Leary has purchased a lot and dwelling from Robert Lewis. A garage and show rooms will be erected in the near future.

One day last week an early morning fire was discovered in a second floor bed-room at the home of Arnold Bryden in Piney Neck. It was extinguished without extending beyond the room.

Among persons changing residence are noted: George P. Orr to the house in town vacated by Clarence Akers; Medford Jones from Queen Anne's to the farm left vacant by Ernest Willson, who moved to Trumpington farm on Eastern Neck; Walter Hadaway, Jr., to the Eliason farm in Swan Creek; John Batchelor goes to the Pig Neck farm and Leonard Fogwell where Mr. Batchelor vacated in Swan Creek; J. C. Wood moved from Swan Creek to Allen's Lane and Mr. Gustavichon, of Caroline county takes the vacated place; Fred H. Hadland from McCrea farm to Oyster Bay, Long Island; Mr. Nehus from Baltimore to Milton Jones' farm above Edesville; Joel Smith to new house in town his farm will be tenanted by John Pardee; Dixie Hague from the Noland farm to Tulip Forest and Harry Clark from Sparks farm to Noland farm; Charles Jacquette to Shipyard farm and Grover Coleman from Vickers' farm to the one vacated by Mr. Jacquette; Roy Strong's farm will be tenanted by Harvey Coleman; John Bramble from Hill farm to Caulk's Field; Albert Chairs to Swan Point farm; Mrs. Drucilla Coleman and son Arthur Coleman will move from the Swan Point farm to Chestertown.

SPECIAL ANNOUNCEMENT

To the People of the Fifth District, Kent County:

Not having found a purchaser for the General Merchandise Business advertised in the News the past few weeks, I am now placing on sale my entire stock of goods at a liberal reduction.

Now is your opportunity to make your purchase at wholesale prices.

However, any live wire can still buy a good, healthy going, business

W. REYBOLD WILSON,
Knights Hall Rock Hall.

PRIZÆ WINNERS FROM KENT

One of the strongest classes of Barred Rocks shown this winter was cooped at the Philadelphia Poultry Show last week. In this line Kent county was ably represented by Watchbury Stock Farm and rival exhibitors had to concede eleven ribbons to the Quaker Neck birds. Besides four places on old birds, including first and second dark hen, the Chestertown entry won second and fifth dark cockerel, first and second light cockerel, and second young pen.

In spite of urgent invitations to show elsewhere and tempting offers for individuals, all these winners are now back in the home yards and ready for the breeding season.

Five young Watchbury Farm turkeys in a single display cage attracted an admiring crowd at the Show and won much favorable comments from the fanciers of the Mammoth Bronze.

John Moffett and Purnell Newcomb won high honors at the big Philadelphia Poultry Show last week. These gentlemen are raisers of S. C. Rhode Island Reds of the highest quality at their places near Lynch. At the Philadelphia Show they won first cockerel, fifth cock bird. fifth pullet. first pen. Recently Mr. Newcomb sold a pen of Reds for $125.

Good Results With Wheat

Improved Mammoth Red seed wheat obtained from the University of Maryland Experiment Station for growers in Kent county a year ago demonstrated its ability to produce high yields and satisfactory quality, reports County Agent H. B. Rerrick. This year sufficient quantities were produced to supply four additional growers with enough seed to start them with the variety. Nine growers in the county have now been supplied with the variety.

At a meeting of the Farm Bureau Board of Directors in Centreville, on Wednesday, officers were elected for the year of 1924. William G. Smith, Chairman of the Church Hill Local, was made President; W. Royal Merrick was elected to succeed himself as Vice President; and C. P. Carter was made Secretary-Treasurer for another term.

A warning of the deadliness of the exhaust of an automobile has been sent to motorists of Kent county by the United States Bureau of Mines. The deaths from warming up engines in garages before opening the doors, are continuing. Recent experiments show that exhaust gases have from 2.4 to 9.5 per cent of carbon monodixe and that from four-fifths of one per cent is sufficient to kill a person in an hour.

State-Wide Dry Bill Brought Up In Legislature

Only three bills were introduced in the Senate Monday night, among them the State-wide "dry" bill, offered by Senator David A. Robb, of Allegany county, which will be backed by the Anti-Saloon League.

The "dry" bill, much modified from those submitted at two previous sessions, contained one surprise. Under the exemption clause it would permit "manufacture and possession of any liquor obtained from the juices of fruits of berries in and to which no other substance or material whatsoever has been placed or added." This exemption, legalizing wines of more than Volstead strength, is the one upon which Representative John Philip Hill has been baiting national prohibition officials.

Senator Robb's dry measure contains several radical departures from the dry bill offered at the last session, which failed of passage after a referendum had been added to it in the Senate. There is no provision for "search and seizure," none for trial of violations in equity through contempt proceedings, and the right of trial by jury is protected, as is the use of liquors for sacramental and medicinal purposes.

While less than one-fourth as long as the 1922 enforcement bill, the new measure makes a crime of the giving of liquors to minors and also specifically prohibits the sale of liquor by firms engaged in other business. This section is said to be aimed at near-beer saloons. Both fines and jail sentences are imposed for violations, the former ranging from $300 to $1,000 and the latter from three months to one year.

The real effect of the new measure, if passed, will be to allow and direct State police officers to enforce the Eighteenth Amendment.

ROOM FOR RENT

We have a large room for rent, desirable location and large enough for four girls or several men roomers. Apply to Mr. and Mrs. R. S. G. Clift, 423 High street, Chestertown,

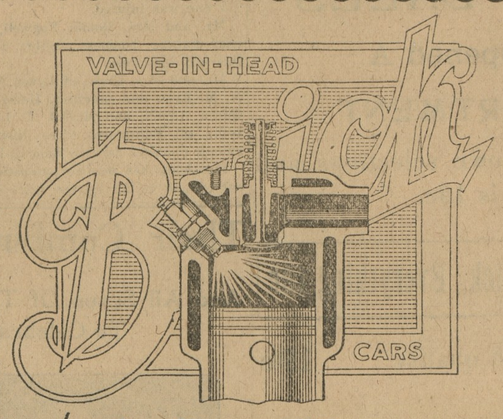
Some nice Barred Rock Cockerels for sale at $2 each. C. C. BROWN, Chestertown R. R. 3, Phone 813F4



Another Reason Why—

The Buick valve-in-head engine has been recognized for more than twenty years as the most economical and efficient power plant. With its reduced waterjacketing space, more heat is retained in the cylinders and more power is therefore generated.

Buick Fundamentals

1 A firm and stable organization that has built a uniformly good car of economical price and operation.

2 A chassis so designed and coordinated that it performs equally efficiently under all conditions.

3 A wide variety of body types that meet all individual requirements and establish a standard of quality and style.

4 Buick Authorized service available everywhere throughout the life of the car.

Kent News $1.50 Per Year

HAVE YOU
Heard the Latest

Have you heard any of the comments all around the county about the new doctor in Chestertown? According to folks who have been to him he cures 95 per cent of all human ailments by working on the spine and spinal nerves.

Some say he practices the greatest Health System known. Others call him a fake. Those who praise him have tried him. Or some of their friends have told them of the remarkable results they obtained. Those who "knock" are the kind who knock everything new without trying it. Some day some one will knock at their bed room door, and walk in to find them "knocking" their heads against the bedstead, because they had nothing else to knock. While yet a comparatively new method in this part of the country, Chiropractic is growing by leaps and bounds and winning public confidence and favor.

If you are sick of being sick and want to get well, call on Dr. Dill, the Chiropractor, in Chestertown. You will find him honest and reliable, and anxious to rid you of your troubles. He uses no medicine, pills, massage or electricity. He traces 95 per cent of all human ailments to the spine, the great switchboard of the body.

DR. L. M DILL
THE CHIROPRACTOR
114 High St. Chestertown, Md.

ORDER OF PUBLICATION

Samuel F. Robinson, Annie E. Robinson
versus
Eva Lynch, Eunice DeMott, Charles Storke, Raymond Storke, Wilbur Storke.

In the Circuit Court for Kent County
In Equity. No. 2231.

The object of the Bill in the above entitled case is to procure a Decree for the sale of the real estate of which Isaiah Coleman died, seized and possessed, intestate, for the purpose of clearing the title thereto.

The Bill states:

1. That Isaiah Coleman died, seized and possessed of a certain lot of land and premises in Chestertown, Kent County, Maryland, on the Northwest side of Front street between Cannon street and the Pennsylvania Railroad property described in deed from Frederick Nichols, Jr., and wife to Isaiah Coleman dated March 15th, 1886, recorded S. B. No, 7, folios 645.

2. That the said Isaiah Coleman left surviving him as his only heirs at law, the following: Susanna Biggers, John T. Coleman, William H. Coleman, James U. Coleman, Bessie Coleman and Katie Coleman.

3. That on the 10th day of May, 1919, the above named heirs, together with Laura S. Robinson (a child of Katie Coleman, now deceased) undertook to convey to William F. Malin the above mentioned property in fee simple. See deed A. P. R. No, 8, folio 145.

4. That on August 11th, 1921, the said William F. Malin undertook to convey the aforesaid property to the Complainants in this case in fee simple. See deed R. R. A. No, 2, folio 157.

5. That by virtue of the above conveyances the Complainants acquired a five-sixth interest in and to said property, and the remaining one-sixth interest is owned by the said Defendants.

6. That the Defendants Eunice DeMott, Charles Storke and Raymond Storke are non-residents of the State of Maryland, and Eva Lynch and Wilbur Storke are residents of Baltimore City, Maryland, and all are adults.

7. That the said real estate is not susceptible of partition among the parties entitled thereto without material loss and injury, and that in order to make division of said interests, it will be necessary that said real estate be sold and the proceeds thereof divided amongst the parties according to their several interests.

And whereupon, since the filing of the Bill in this case your Orators have been informed and verily believe that the said Eva Lynch and Wilbur Storke are no longer residing in Baltimore City but are non-residents of the State of Maryland, and their present whereabouts is unknown to your Irators.

And whereupon, on January 10th, 1924, a Petition and Order of Court for Order of Publication against Eva Lynch and Wilbur Storke was filed.

It is thereupon this 10th day of January A. D. 1924, ordered by the Circuit Court for Kent County, in Equity, that the Plaintiffs by causing a copy of this order to be inserted in some newspaper published in said Kent County once in each of four successive weeks before the 11th day of February next, giving notice to the said Eva Lynch and Wilbur Storke, non-resident defendants, warning them to appear in this Court in person, or by Solicitor on or before the 25th day of February next, to show cause, if any they have, why a Decree ought not to be passed as prayed.

ROBERT R. AYRES, Clerk.
