WORKED BY TWO HORSES AND ONE HAND AND WILL RAISE 15 CART LOADS PER HOUR.

A STRONG AND DURABLE MACHINE.

BRYAN'S AGRICULTURAL MOLD LIFTER.

THE purpose of this machine is to raise the deposit from the bottom of ravines, creeks, rivers or other places inaccessible to teams.

This machine raises the mud, brings it to the surface, deposits it into a hopper, under which a cart can be driven, and receives its load by means of a slide moved by the driver, by which all labor of shoveling is avoided.

The bucket is made of the best boiler iron, and so constructed that it clamps the mud into the hopper, and by reversing the capstan, adjusts itself, and is carried out for another load.

By referring to a drawing and clear explanations sent with each machine any ordinary carpenter can put one up without difficulty.

But a few pieces of roughly hewn timber are required for the frame. Everything else complete with chain and rope enough to send the bucket 150 feet from the capstan, is furnished in Baltimore for the sum of \$225 cash.

All orders promptly attended to, or instructions given at Larabee's Foundry, Corner Front and Plowman Streets Baltimore Md. BRYAN & BROTHER.

NOTICE TO FARMERS.

I HAVE received an appointment for the sale of "Jordan's Superphosphate of Lime." This Fertilizer has been used extensively in Delaware for the last five or six years with great success, and in this county by Dr. W. S. Turpin, who has been so much pleased with its results that he has continued its use for several years.

Price \$45 per ton. Apply to A. S. GODWIN.

CERTIFICATES.

CENTREVILLE Q. A. Co. Md., March 10th 1859.

DEAR SIR:—Learning that you are appointed agent for the sale of "Jordan's Superphosphate of Lime," I take pleasure in saying that I have used it for several years, on wheat and corn, with satisfactory results. I consider it the best Phosphate manure I have used.

W. S. TURPIN, SNEYDA DEL., April 1, 1859.

I have used extensively Jordan's Ammoniated Superphosphate of Lime, for 2 years, upon wheat and corn. The effect was great and profitable in the increase of both crops, and to me highly satisfactory, having proved a cheap and valuable fertilizer; regard I as being among the very best concentrated manure in use.

G. W. CUMMINGS, KENT Co. Del., Oct. 4, 1855.

I tried "Jordan's Superphosphate of Lime" last fall, on wheat, to a limited extent, and found at harvest the wheat equal to where Guano on the one side, and manure on the other side were applied. I tried to apply the same quantity (100 lbs. per acre) of each to the ground prepared alike the Guano sowed before planting, and the Phosphate of Lime after, being the only difference; the soil a sandy loam. I wish you to send me three tons more of the same article, for my wheat crop of this fall sowing, for I believe in the quality of it.

W. M. J. COLLINS, SNEYDA DEL., Oct. 4, 1856.

I last year furnished my tenants with twenty tons of Jordan's Ammoniated Superphosphate of Lime, which was applied to the corn crop in the hills, and I was much pleased with its effects. The corn stood well and grew rapidly, and the crop was in consequence of the application of the fertilizer.

DAVID J. CUMMINGS, March 15, 1859—t.

A CARD

To the Citizens of Centreville and the Public Generally.

I have understood that it has been said I purchased the Baking Establishment of Mr. McClements in order to monopolize the business and raise the price of bread. I assure the public that such is not the case, as I have advertised that bread never will be over three cents a loaf unless the price of flour compels me to ask more.

McClements first proposed to sell to me, and I never mentioned to him anything of the kind, nor did I care to do so, as I defy opposition, and intend to continue the baking business and not let the citizens be imposed on by every one who may choose to engage in the business here.

McClements's baker, who for cakes and bread cannot be "water, now that he has ever even I invite all to give him a trial.

The public obedient servant, JOHN E. HARMAN.

N. B.—Never discharged Mr. McGuire but he left me, and is now about to start in opposition to me. I leave it to a generous public to judge the propriety of such doings, and hope they will continue to support me, as I am permanently settled here, and am determined that the citizens of Centreville shall not be imposed upon by any one.

HOWARD ASSOCIATION, PHILADELPHIA.

A BENEVOLENT INSTITUTION ESTABLISHED BY SPECIAL ENDOWMENT, FOR THE RELIEF OF THE SICK AND DISTRESSED, AFFLICTED WITH VIRULENT AND EPIDEMIC DISEASES.

THE HOWARD ASSOCIATION in view of the awful destruction of human life caused by Sexual diseases, and the deplorable condition of the unfortunate victims of such diseases by quacks, several years ago directed their Consulting Surgeon, as a charitable act worthy of their name, to open a Dispensary for the treatment of this class of diseases, in all their forms, and to give medical advice gratis to all who apply by letter, with a description of their condition, (ages of habits of life, &c.) and in case of extreme poverty to furnish medicines free of charge. It is needless to add that the Association commands the highest medical skill of the age, and will furnish the most approved modern treatment.

The Directors of the Association, in their Annual Report upon the treatment of Sexual Diseases, express the highest satisfaction with the success which has attended the labors of their Surgeons in the case of Spermatorrhea Seminal Weakness, Gonorrhoea, Gleet, Syphilis, the vice of Onanism or Self-Abuse, Disorders of the Kidneys and bladder, &c., and order a continuance of the same policy for the ensuing year.

The Directors, on a review of the past, feel assured that their labors in this sphere of benevolent effort have been of great benefit to the afflicted, especially to the young, and they have resolved to devote themselves, with renewed zeal, to this very important and much neglected cause.

An admirable Report on Spermatorrhea, or Seminal Weakness, the vice of Onanism, Masturbation, or Self-Abuse, and the Diseases of the Sexual organs, by the Consulting Surgeon, will be sent by mail (in a sealed envelope) free of charge, on receipt of two stamps for postage.

Work on the nature and treatment of Sexual diseases, diet, &c., are constantly being published for gratuitous distribution, and will be sent to the afflicted. Some of the new remedies and methods of treatment discovered during the last year are of great value.

Address for Report or treatment, Dr. J. SKILLIN HOUGHTON, Acting Surgeon, Howard Association, No. 2 South Ninth St., Philadelphia, Pennsylvania.

By order of the Directors, EZRA D. HEARTWELL, President.
