VALUABLE
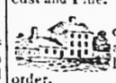
REAL ESTATE for Sale.

THE subscriber will sell at private sale that highly desirable Farm, near Woodenhawk's Bridge, formerly owned by Thos. Pierson, Esq. This tract of land contains per recent survey,

Five hundred and eight Acres

of Land, three hundred and ten acres thereof being *arable Land*, the balance, 198 acres, being Timber Land. The arable land is in fine heart, having been cultivated with great care by its late owner. There are two fine MEADOWS upon the land, one of which is now set in Timothy, the other meadow grows fine natural hay. There are inexhaustable quantities of rich swamp earth and woods manure upon the land. Guano acts remarkably well upon most of this farm.

The TIMBER is of the finest quality, suited for Ship Building and fire wood. The growth is principally of White and Spanish Oak, Poplar, Maple and Ash. Also a considerable quantity of Locust and Pine.



The House is commodious and comfortable, and in good repair—Ample Out-Buildings, all in excellent order. Fencing in first-rate order.

The Land is now divided into two tracts, with buildings on each, and will be sold entire or in two tracts, to suit purchasers. There are excellent ORCHARDS of choice Fruit on both places—that on the largest farm in full bearing condition.

Possession of the Home Farm, bordering on the main road leading from Easton to Denton, will be desired, be given immediately; the other at the end of the year—this last is now rented to a tenant at a grain rent.

The crop of Wheat now seeded, the crop of Corn which will be planted, will be sold to the purchaser of the land, together with Stock and Farming Utensils, if desired.

The premises will be cheerfully shown by H. M. Nicols, who is living on the large Farm.

If not sold by the 6th of June next the land will be offered at public sale at the Court House door, in the town of Easton, between the hours of 2 and 5 o'clock of that day.

TERMS.—One fourth of the purchase money will be required in cash—the balance in two equal instalments of 12 and 24 months from the day of sale, with interest from same day—to be secured by bond and approved security.

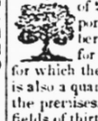
SALE OF REAL ESTA

THE subscriber being desirous of removing to New York, will sell the following property to wit: the Farm upon which he now resides known by the name of "Frankfort," containing some 115 ACRES, situated in the Eastern part of Talbot county, upon Miles creek, a branch of the Choptank, within two miles of the village of Trappe, & within one hours ride of Easton or Cambridge, between which places and Baltimore the Steamboats ply twice or thrice a week. There is a good school within a few hundred yards of the farm and several Churches in the immediate neighborhood; also, fine grist and saw mills adjoining the premises, which are of great convenience, particularly the latter, there being on the Farm upwards of 200 ACRES IN TIMBER,



portion of which is suitable for ship timber, and most of the balance will answer for building purposes or fencing plank, for which there is always a ready market. There is also a quantity of Cedar and Locust trees upon the premises. The arable land is divided into five fields of thirty-five acres each, and two lots of five acres; four of the fields and the two lots are well set in Clover and Orchard Grass, a portion of which has been thoroughly limed. The land is of yellow clay bottom; and very susceptible of improvement, for which there are upon the premises plenty of resources. I make by the application of guano upwards of twenty bushels of wheat and forty bushels of oats per acre. The improvements consist of

a good & substantial Brick Dwelling with all necessary back buildings attached.—A pump of good water stands in the yard. The out buildings are large and commodious and the arrangement cannot be surpassed for convenience; a pump also stands in the centre of the pound convenient for watering stock. There are near the Dwelling

THREE ORCHARDS,

two of Apples and one of Peaches; besides a number of other kinds of fruit trees planted in the lawn.—The Farm is all under good enclosure with gates leading from each division, and the [illegible]
