Black Petticoats for $1.10

Which Brings You Extraordinary Values.

This is the best values that we have ever been able to offer our trade in petticoats. They were made to sell for $1.50, but we took what the factory had and here they are at $1.10. Some have embroidered flounces while others are ruffled.

The Tailored Suit at Small Cost.

Is packed as full of worth here as careful planning and close touch with all markets can achieve. First and foremost we see that materials and tailorings are of the kind to insure satisfactory wear. We test materials ourselves when we have reason to doubt them. Pretty trimming touches are added as cost permits. But you will never find in our suits inferior materials concealed by flashy trimmings. You are sure of an honest equivalent for your money in wear, style and tailoring, no matter how little you pay. At $18.00—Of serge in blue smoke and fancy striped effects with semi-fitted jackets, cutaway corners. Gored Skirt.
