DODGE BROTHERS ROADSTER

Important Improvements in the Construction of Dodge Brothers Motor Cars

CONVENIENT GEAR SHIFT ARRANGEMENT

The hand gear shift lever has been moved forward, thus allowing easy access to the driver's seat. The throw of this lever hns been shortened to faciliate easy gear shifting, while a strong spring prevents the lever from rattling on its seat. A lock built in the transmission locks the gears in the neutral position. This lock has been approved by the Underwriters' Laboratories.

ATTRACTIVE STEERING WHEEL AND HAND CONTROL

The steering wheel is of moulded fibre construction and holds the spider firmly without the aid of screws.

The spark and hand levers are shorter, conveniently located, and are retained by friction on a handsome nickle quadrant. The horn wire is now carried inside the steering column.

ACCESSIBLE BRAKE CONTROL

The hand brake lever has been moved forward out of the way in an easily reached position.

IN MEMORIAM

In sad but loving remembrance of my dear sister, Josephine Robinson Phillips who was called home eight years ago March 5, 1916.

Each word, look and tone to her memory still clings
Like ivy that clings to the oak
And not anything can loosen the the hold on our hearts,
Until severed by death's fatal stroke.
Our hearts in deep sorrow returns to the day,
As memory recalls how death bore you away,
And left us in tears, in grief and in woe,
When we stood by your bedside eight years ago.
Fondly loved but sadly missed.
By her devoted sister, Ruth Robinson Cooper.

Mrs. Frank Wilds Dies Near Kenton

Mrs. Helen G. Wilds, aged 52, wife of Frank Wilds, a farmer near Kenton, died on Friday, February 22 of paralysis. She was a daughter of the the late Dr. Walter G. Wallace, of Crumpton, Md. She leaves besides her husband four boys: J. Leland Wilds, Granville Wilds and Frank Wilds, all of Kenton community, and Harry Wilds, who left home sometime ago, his whereabouts not being known. Funeral took place Tuesday with interment at Crumpton, Md.

BETTERTON NOTES

Many of our people were present at a golden wedding anniversary in Wilmington. Mr. and Mrs. Edward Biddle were the fortunate couple. They were formerly residents of Kent county.

The Fairlee Glee Club favored us with a pleasing entertainment. The affair was also a financial success because the desired amount was raised beyond expectation.

Those who missed the splendid entertainment at Still Pond on Tuesday certainly lost a rare treat. The committee in charge deserves much credit for putting over such a successful affair.

The community was alarmed at the fact that Miss Virginia Owens was compelled to be hurried to the hospital last Monday night for operation for appendicitis. However, we are glad to report that she is doing nicely as can be expected.

The family of James Jester is extended the sympathy of the entire community. Everyone was shocked to learn of the death of Mrs. Jester.

The fishermen are now becoming anxious for the pleasant weather affords a promising outlook for big catches in near future.

HERE'S WHAT PEOPLE SAY ABOUT TANLAC

"If it had not been for Tanlac I Would Still Be A Sick, Discouraged Woman, For Nothing Else Seemed To Do Me Any Good," Says Mrs. Edward Gibbs.

All the advertising in the world and all the sales efforts combined could not have made the great success for TANLAC that has been attained, unless this reconstructive tonic possessed merit of the greatest degree. Over 40 Million Bottles of Tanlac have been sold and the demand today is greater than ever before.

That TANLAC possesses merit and has brought relief to hundreds of thousands of persons is attested by the great number of testimonials that have been received by the company from people in every state of the Union and every province of Canada. There are over 100,000 such statements on file with the company, all ringing with sincere praise for TANLAC and what it has accomplished.

Here are excerpts from a few of the 100,000 statements on file:

Mrs. Edward Gibbs, Lancaster, Pa.—"For two years indigestion deprived me of nearly all the pleasure of living. If it had not been for TANLAC I would still be a sick and discouraged woman, for nothing else seemed to do me any good."

Mrs. Mary A. Benson, Seattle, Wash.: "Following an operation my stomach and nerves seemed to give way and I became almost helpless. As a last resort I tried TANLAC. I began to improve from the very first, gained 29 lbs., and today am feeling fine."

O. E. Moore, Kansas City, Mo.: "My stomach seemed to pain me constantly, food seemed to do me no good, I would bloat up with gas, lost my strength, and could not sleep or rest. I was on the down-grade all the time. Tanlac corrected my troubles and put me in excellent shape."

Thomas Lucas, Peterboro, Ontaria: "Well, sir, buying TANLAC was the best investment I ever made, for it built my health and strength to where I haven't a complaint in the world."

Mr. and Mrs. Joseph E. Kaake, Detroit, Mich.; "For more than a year our three children, age 2, 4 and 6, had been so peaked and lifeless that we were worried about them. Their stomachs were upset, appetites poor, the color had left their cheeks, their nights were restless and during the day they would just mope around taking no interest in play or anything else. They began to improve with the first dose of TANLAC, and today there are no more healthy children in Detroit."

Tanlac is for sale by all good druggists. Over 40 million bottles sold. Accept no substitute.

Take Tanlac Vegetable Pills.

WOMEN OF MIDDLE AGE

Read How Mrs. Walsh Was Helped by Taking Lydia E. Pinkham's Vegetable Compound

Mannington, West Virginia.—"I took the Vegetable Compound when having the turn of life. I had been sick for seven years. I would get a little better, then I broke down again. It would be hard for me to describe how I was, for I was a perfect wreck. I suffered with a pain in my left side, then I would have numb spells and I would think I couldn't live. I would have hot flashes, then would come weak spells. I was so weak I would think I couldn't ever get a meal ready. My work was a burden to me. I was not able to do my housework half of the time. A friend advised me to take Lydia E. Pinkham's Vegetable Compound, and it has given me strength and health. The hot flashes left me and I got better of the numb spells. That summer I could do my housework and worked in the garden a good bit. I tell all sick women what your wonderful medicine did for me, and will always recommend it. I was born in Marion County and still live in it. I am known to all my neighbors, and you can publish this statement because it is true."—Mrs. JOHN W. WALSH, R. You Can't Get All of These Advantages in Any Other Shingle

Vulcanite Hexagon Slabs make a beautiful roof. The attractive hexagon design—the soft red or green colorings—and the double butt exposure all combine to make them the preferred choice of architects, builders and home owners.

And they are as practical as they are beautiful. Special construction makes them easy and economical to lay. They are fire- and weather-resisting—and, when applied, give a durable, lasting roof that is double thick in every place.

Most of these features are patented. You can't get them in any other shingle made. Let us show you the superior qualities of genuine Vulcanite Hexagon Slabs. Estimates for your home gladly given upon request.
