STUCK IN THE MUD

In a recent article by Dr. Frank Crane in the Baltimore News, he says this substantially:

"The Chinese are a wonderful people, of an old civilization and thousands of years of culture. What is the matter with the Chinese today? They are stuck in the mud. They need roads. Mr. Editor, that is just the trouble with us here on the Eastern Shore.

We, too, are an old and cultured people. We have a civilization, a pure religion and democratic principles inherited by our forefathers, but alas, we are stuck in the mud.

I have been in town week after week this winter and have been surprised to find the stores practically empty. On inquiry I was told the people could not get in over the roads. The exchange of commodities between town and country is thus hampered and the volume of business is less to the detriment of the prosperity of both.

Let us increase business, the value of the land, the good will of our tenants and helpers. If we want good roads we can have them and nothing can prevent us.

HUNDREDS RESTORED TO HEALTH

Wonderful new method restores health without medicine or surgery.

From fifty miles around people flock to the Health Offices of Dr. Dill, The Chiropractor, for relief from their ailments.

Dr. Dill practices a natural method of restoring health by adjusting the spine, the great switchboard of the body, so that nerve pressure may be relieved, and allow nerve current to flow thru and innervate all tissues of the body.

No cases accepted that cannot be helped. Dr. Dill's motto is, honesty, and his success has been based upon nothing but honesty and fair dealing and getting the sick well.

If you are sick and have tried everything else without relief, call on Dr. Dill, The Chiropractor, Phone 326 for appointment.

SCOUT RALLY HELD HERE LAST EVENING

Kent County Boy Scouts "put it over" at the Scout Rally held last evening at 8 o'clock in the Washington College Gymnasium at Chestertown. Speaking, Scout Demonstrations and a five reel moving picture constituted the program of the evening.

Despite the stormy weather, quite a number of towns folks were present. Troop No. 1 of Centreville, Md., was present under the leadership of their Scoutmaster, Mr. McKnight.

Scoutmaster Kibler of the Chestertown Troop called the meeting to order, the scouts repeating the scout oath. Eastern Shore Scout Executive W. Goldsborough Bradford was introduced and after making a few remaks introduced the principal speaker of the evening, Ray F. Seymour, Regional Scout Executive from New York. Executive Seymour's talk was brief and his Scouting ideas were very interesting.

Next Scoutmaster Kibler of Chestertown, with the aid of his boys gave a scout demonstration. The program consisted of: Knot tying, contest by Scouts McMenamin, Moffett and F. Dixon and Rasin; First Aid by scouts Wm. Usilton, Rasin and Parks; Signaling (Semaphore) by Scouts Robinson, Hines and Menamin; (Morse) Willis; Setting up exercises and games ended the program.

After the business program was over a five reel motion picture entitled "The Grail" dealing with the making of a Scout was shown. Executive Bradford dismissed the Scouts with the B. S. A. Closing Prayer.

A KENT BOY MAKING GOOD

Cadet Vernon Sesby, of U. S. M. A. West Point, New York, finished up the wrestling season without defeat and feeling (he declares) physically fitter than ever. "The Pointer" published by-weekly by the corps, has this to say in a recent issue:

"Army's matmen closed the 1924 season by defeating the strong Columbia University team 8 to 3. This meet was with one of Army's oldest rivals, and it was quite a day for Coach Tom Jenkins, as he and Gus Peterson, the coach of Columbia, are old rivals.

Selby, Army 135 pound class, was the first to score on either side, defeating Hayman, the "ace" of Columbia's squad. Hayman is one of the best, but isn't good enough for Selby, who proceeded to donate the first points of the meet to the Army. Barrett followed the good example set by Selby and added five more points to the Army's score.

In the third meet, with Stevens Institute, one prominent feature was the fact that Selby's man proceeded to break his finger for him in trying to get away. It didn't do a bit of good. Selby continued to hold him down. Selby was on the retired list after this for several weeks.

The first meet of the season was with Toronto University, Canada. The Toronto team brought down a selected bunch of four of the best wrestlers in Canada. This event brought Selby before the public. His winning streak was on. It stayed with him. He did not lose a single bout throughout the season, thus winning the gold medal for first place, and the Inter-Collegiate Championship of 1924.

MARRIED TWELVE YEARS BEFORE BABY CAME

Gladly Recommends Lydia E. Pinkham's Vegetable Compound

Louisville, Nebraska.—"I was married twelve years before my boy was born. I had a lot of female troubles and had been treated by a physician for them but they continued much the same. Then I read your advertisement in the newspapers and thought I would give Lydia E. Pinkham's Vegetable Compound a good trial, for if it had helped others, why not me? I have taken 36 bottles of the medicine and am never without it in the house. My baby boy is three years old now and I sure am happy since I got relief from my troubles. When any one has troubles like mine, or any ways like mine, I am always glad to recommend the Vegetable Compound so that they will get the right kind of medicine."—Mrs. JOE NOVAK, Box 662, Louisville, Neb.

In a recent country-wide canvass of purchasers of Lydia E. Pinkham's Vegetable Compound, 98 out of every 100 report they were benefited by its use. For sale by druggists everywhere.

TOMATO SEED

The first important step to insure a good crop of Tomatoes is to get good seed.

Experts tell us the best Tomato Seed grown in this country are grown in Michigan, because there is less "wilt" in Michigan than in any other State.

For a number of years now we have been selling this "Michigan" grown seed and we and our customers are fully convinced of their quality. They produce better CROPS, they run TRUE TO NAME, and they cost no more money than many of the seed that are offered whose origin is unknown.

All the standard varieties in this Michigan Seed are offered while they last at **$2.50** per pound.

We can refer you to many of our customers who can tell you the value of this particular seed.

If you want cheaper seed we have some good Delaware grown seed in Greater Baltimore and New Stone that we can sell you at $1.50 per pound. These are good seed for native grown stock and run very true to name.

Our Garden Seed stock is very large and our prices are lower than present market would afford. Come see us when you want seed of any kind.

SEED POTATOES
