LOYAL ORDER OF MOOSE TAKES ON NEW LIFE

A week or two ago the Loyal Order of Moose with its friends enjoyed a very pleasant evening at the Voshell House, the occasion being the Annual Banquet. In addition to the very fine menu a most excellent address was made by his Honor Judge Wickes setting forth many ways the Lodge should work and lend its endeavor for the good of a community. His advice and suggestion were well received and are bringing very good results.

Judge Wickes was followed by Brother Wm. Tricket Giles, Supreme Lecturer of the Loyal Order of Moose, who delighted all who were present with his very instructive talk showing the great usefulness of the Loyal Order of Moose to its members and their families by the establishment and Maintenance of Moose Heart and Moose Haven. The former being located west of Chicago on the Nox River and consisting of over a Thousand Acres of land with accomodations for Thousands of Orphans of Moose Members, providing not only a High School Education for these Orphans but a vocation whereby each is prepared to face the world and say, "I can make an honest living."

The Moose Haven is a recently established home in Florida where old members who have become unfortunate and not able to provide for themselves and wives may retire and receive some employment so that they feel they are sustaining themselves.

And in addition to these undertakings when a member in good standing becomes sick or disabled he is allowed $7.00 a week during such a disability during a period from two weeks to thirteen weeks in each calander year. Just think of it $7.00 a week sick benefits. $100 Death Benefit and an education fitting your children to make an honest living, a home for your wife as long as your children are at Moose Heart and a home for yourself and wife at Moose Haven during adversity, in your declining years.

Yes you should become a member.
