QUEENSTOWN FERRY DISCONTINUED?

Without any explanation or formal statement as to their reasons for future plans, the Baltimore and Eastern Shore Ferry Line, Inc., last Saturday discontinued ferry service between Queenstown and Bay Shore, with the exception of one round trip on Sundays.

Abandonment of week-day service from Queenstown to the Western Shore came without warning to Queen Anne's county patrons of the line. It is stated that the ferry company is operating at a loss, and that this is the reason they have determined to provide only Sunday service.

The line between Bay Shore and Rock Hall continues in operation, and the boat formerly used on the Queenstown route has been added to the Rock Hall equipment to provide improved service from this point.

More than a year ago the ferry was placed in operation and though, during the winter months, business was dull, the public was of the opinion that throughout the last three months patronage had been rapidly developing and that the line was being conducted on a profit-making basis. It seems, however, this is not the case, and that ferry company officials became convinced the line could not be operated profitably.

Unconfirmed reports are to the effect that ferry service will be continued on Sundays until October 1, when the State subsidy expires, and that after that time the route will be entirely abandoned.

COOLING STATION CLOSED

With farmers of the Barclay neighborhood as their creditors to the extent of about $4,000, the Quaker City Dairy Company has closed its cooling Station, and dairymen of the community are now being compelled to haul their milk to the condensing plant at Greensboro. Later, it is stated, arrangements may be made for handling the product at the plant of Harbison Brothers, Sudlersville.

Two months ago the Quaker City Company failed to mail the regular milk checks, and since that time the 52 patrons of the cooling station have received nothing for the milk delivered. A meeting of creditors was held at Barclay Tuesday night, which was attended by C. E. Allebach, of the Inter-State Dairy Council.

Among the ninety students who graduated from Dickinson College this year is Miss Rose Buckson, of Crumpton,, Md. During her four years at Dickinson, Miss Buckson has stood in the front ranks of her class and graduated with high honors. One of the many honors that have been bestowed upon Miss Buckson was her election to the woman's senate during each of the four years of her college course. During the past year she served as the president of that body. Miss Buckson's parents are Rev. and Mrs. J. A. Buckson, now stationed at Millsboro, Del., formerly of Crumpton.

The College Endowment Campaign for $250,000 is still in progress. The total subscriptions amount to nearly $100,000, and it is confidently believed that the entire fund will be raised by the time the State appropriation of $100,000 becomes available. The latter amount was passed at the last session of the Legislature contingent upon the college raising $250,000.

NOLAND

This store sells goods for CASH. Our prices are therefore lower than the average store which has to add a larger mark up on its merchandise. We turn our money more often and have no losses from bad accounts hence our lower prices.

Bacon and Eggs—
year 'round breakfast dish of the nation

HOW many mornings out of the year do you have bacon and eggs? A surprising number, no doubt, if you could recall them all.

Bacon is an important factor in the diet of nearly every one, not because a great deal is used at any one time, but because it is served so often with other foods.

And because it is used so often; you should be satisfied with none but the best. You'll like the wonderful mildness of Corkhill Brand Bacon. Ask for it at your dealer's.

Say Corkhill
All Corkhill Products are Government Inspected.

New Light On Cause of Asthma and Hay Fever

The medical world has been groping about in the dark for years in an effort to find a "cure" for Asthma and Hay Fever.

These two ailments are undoubtedly among the most annoying and troublesome ailments man or woman can have.

During recent years, however, clinical experience has proven the fact that Asthma and Hay Fever have their seat of origin in the nerves that emanate from the spine, and the cure of course lies in correcting the trouble from its source.

For every effect (ailment) there must be a cause, and chiropractic is most successful because it strikes at the very source of trouble and removes the cause, so that the effect (ailment) disappears.

William Bright, of Worton, Kent county, suffered with Asthma for a long time. Medicine only seemed to aggravate the trouble, and he found himself on the decline. A friend who hal just been cured of a similar ailment took him to Dr. Dill, the Chiropractor, and after a series of Special Adjustments, he was completely restored to health and is now well and strong and advises all who are sick to try Chiropractic.

If you have been ailing talk to someone who has given Chiropractic a fair trial, and you will hear a story of wonderful recovery.

POWER Plus—

The World's Largest Producer of Quality Automobiles

—plus extraordinary riding comfort — the comfort that comes of correct design; scientific balance; plenty of room in both the front and rear seats; deep, luxurious cushions and long, strong, resilient semi-elliptic springs.

—plus instant get-away, smooth, vibrationless performance at all speeds; a feature due to a specially designed crankshaft, machined on all surfaces — a feature found in no competitive car under $2,500.

—plus long life and dependability, due to four large crankshaft bearings, carefully precisioned cylinders and pistons, perfectly balanced reciprocating parts, and specially prescribed Studebaker steels.

—plus obvious quality in every detail: hand-tailored top and side curtains; lasting, durable, genuine leather upholstery. Carefully selected fittings, lustrous black enamel finish.

These are a few of the "plus" features that make the Studebaker Light-Six an investment—not merely an expenditure. A car of recognized value that commands, at all times, the top price and ready sale in the used car market.
