NOTICE.

I WILL pay 25 cents on the Dollar for Greensborough Bank paper, if presented within 30 days from this date.
dec 12-4t CHAS. CULBRETH.

TO THE PUBLIC.

FARMERS' & MERCHANTS' BANK,
Greensborough, Dec. 7, 1857.

MY attention has been called to a notice in the Denton Journal of last week, in which one Charles Culbreth proposes paying "Twenty-five cents on the dollar, if presented within thirty days, for the Notes of this Bank."

The card was called forth from the fact, I infer, that this Bank was under the necessity of warranting him on a claim for the *pitiful* sum of $30,24, which he was *obliged* to supercede. The execution on this claim was issued a few days since, and our late Constable this morning informed me is still unsatisfied. In addition to this, this Bank has a suit against him and his securities for a Note of $100, which was due Sept. 1, 1856, and upon which he was sued at Oct. Term of Caroline county Circuit Court, '56, and which is still unpaid.

The recent *successful* Mercantile career of the *individual*, in this place, has imbued him with a "Nick Biddle" ambition for financing, which is fully explained by his card. I will receive the same kind of money at 100 *cents in the dollar* in payment of claims against him, and presume I might *safely* say, that 180 days from this date, the *presentation, for this purpose*, will be duly honored.
HENRY R. STALEY,
dec 19-4w Cashier.

TO THE PUBLIC:

IN the Denton Journal of the 12th inst., appeared a communication from the Greensborough Bank in regard to my indebtedness to that Institution. The statements as represented by the Cashier of the Bank are not the true facts in the case. He must know that the pitiful sum of $30,24 was settled on the 26th of November, some two weeks before his communication, which he stated was not paid. I presume the paper which he received was not the kind he expected; it was the Bank's own paper, which shows that the Cashier did not consider the paper good, or he would not have said the claim was not settled.—When I called upon the deputy Constable, Mr. Wix, to pay the claim off, and presented the Greensborough paper, he refused taking it, by saying that Mr. Alexander Kootts, the late Constable had gave orders not to receive one dollar of the Bank's paper. I then remarked to Mr. Wix that the Bank was in duty bound to receive its paper from me, in which he consented to take the amount of the claim. On the 27th, which was the next day, I presented to the Cashier a $5 bill of the Greensborough Bank paper and demanded the coin, which was refused. I then asked for some good paper money; he also refused, but remarked that I was *trying to* play a game with Bank, come on he was ready for anything, and seemed to be very angry as if he had a cat fit, [illegible] how long the fit lasted I cannot say; but I can say that I saw the Notary Public and stated to him the facts and ordered a protest, which was immediately done, which the bank is laboring under a protest from the 27th of November, and this was not the first bill that has been presented for redemption. A Mr. Greenly, who was not due the Bank the first cent presented the Bank with $30 for the coin or some good paper money, which was *refused*. He came the second time and presented the same which he refused to do, and *instead of* giving him money that he might be able to meet his demands, he received a good tongue dressing, which amounted I suppose to the equality of the coin. The cashier speaks in regard to a second claim against me which will be noticed as true, but nevertheless as a duty which devolves upon me to defend myself in this great contention, it will be done in the most honest and approved position. The true grounds in which I have taken shall in fact prove to the people of Caroline county and elsewhere, that my business transactions through life have been fair and honest. But this great Greensborough wild cat Bank thinks otherwise. I think it is a small kitten to cry so loud about dishonesty: the Bank had better pay its own debts and consult lawyers for dishonest charges brought against it. The great John Breslin and Saml. Waggoner, who were the really former owners of the Greensborough Bank, are in quite a critical condition; banking has appeared fatal, and S. Waggoner who is now in prison for using a portion of the Memphis money in a certain Bank that was used in Greensborough wild cat, and the State of Ohio has lost her most unsuspected enemy J. G. Breslin, who has fled to Canada for protection.—It is reasonably supposed from the late conduct of these two gentlemen, that the bank was gotten up for the purpose of fraud and not for the accommodation and interest of the people. A continued change and contention of officers have been the result; as one might say a tossing of coppers would be sufficient to elect its officers, &c., as the case when my note was presented for discount. I suppose from the above the copper was tossed and came heads, and I the fortunate one received the paper for 90 days, and when dee it was not convenient to meet the note, but I insisted for 90 days longer, which was objected to by the cashier, H. R. Staley, and within a few weeks I was sued at the October term of Caroline county Circuit Court, 1856, and no judgment has been rendered for the court, as the bank would not like to have its former and present operations known; and as the cashier thinks in 180 days from this time the debt will be duly honored, I presume I might say, from the prospects of the bank that H. R. Staley will not be found in our midst. Things are judged by their taste, as the stranger's reputation from Tiffin Ohio. He speaks of a Nick Biddle ambition for financing. Is he not aware that one would suppose from his present position that he himself is standing in Nick Biddell's Boots? As for myself I would love to see a good bank that would do a legitimate business for the accommodation and interest of the people of Caroline, but when the people see and believe that fraud is practised upon the part of Stockholders and partially shown on the part of officers of the bank, in short all confidence is lost and the most shrewd and sharpest dealers are found mingling with the concern. It's who and who can make the most of it, as true to say that it has fallen to the lot of Greensborough wild cat bank to share its fate. It has made a perfect change of friends; those that were its enemies at first, are now its friends, and those that were its friends are now its foes; so the tossing of coppers are very uncertain. A continual change and contention has been the management of this most miserably conducted affair. I am sorry to say the bank has failed to redeem its paper, as its officers must feel cheap at its fall. From all probability it may stand the storms of the winter, but the coming of spring will close it up. Her coffers are empty of gold and silver money as the hive when the bees have sucked all the honey. So my good friends Staley, Hitch and Stone are left behind to suck the comb.

AYER'S
Cathartic Pills,
(SUGAR COATED,)
ARE MADE TO
CLEANSE THE BLOOD AND CURE THE SICK.
Invalids, Fathers, Mothers, Physicians, Philanthropists, read their Effects, and judge of their Virtues.
FOR THE CURE OF
Headache, Sick Headache, Foul Stomach.
PITTSBURG, PA., May 1, 1855.

DR J. C. AYER. Sir: I have been repeatedly cured of the worst headache any body can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once. If they will cure others as they do me, the fact is worth knowing.
Yours with great respect, ED. W. PREBLE,
Clerk of Steamer Carson.

Bilious Disorders and Liver Complaints.
DEPARTMENT OF THE INTERIOR,
WASHINGTON, D. C., 7 Feb., 1856.

SIR: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the *liver* is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of *bilious disease* so obstinate that it did not readily yield to them.
Fraternally yours, ALONZO BALL, M. D.,
Physician of the Marine Hospital.

Dysentery, Relax, and Worms.
POST OFFICE, HARTLAND, LIV. CO., MICH., Nov. 16, 1855.

DR. AYER: Your Pills are the perfection of medicine. They have done my wife more good than I can tell you. She had been sick and pining away for months. Went off to be doctored at great expense, but got no better. She then commenced taking your Pills, which soon cured her, by expelling large quantities of worms (dead) from her body. They afterwards cured her and our two children of bloody dysentery. One of our neighbors had it bad, and my wife cured him with two doses of your Pills, while others around us paid from five to twenty dollars doctors' bills, and lost much time, without being cured entirely even then. Such a medicine as yours, which is actually good and honest, will be prized here.
GEO. J. GRIFFIN, *Postmaster.*

Indigestion and Impurity of the Blood.
From Rev. J. V. Himes, Pastor of Advent Church, Boston.

DR. AYER: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood they are the very best remedy I have ever known, and I can confidently recommend them to my friends. Yours, J. V. HIMES.

WARSAW, WYOMING CO., N. Y., Oct. 24, 1855.

DEAR SIR: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system and purify the fountains of the blood.
JOHN G. MEACHAM, M. D.

Erysipelas, Scrofula, King's Evil, Tetter, Tumors, and Salt Rheum.
From a Forwarding Merchant of St. Louis, Feb. 4, 1856.

DR. AYER: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother had been long grievously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her. ASA MORGRIDGE.

Rheumatism, Neuralgia, and Gout.
From the Rev. Dr. Hewitt, of the Methodist Episc. Church.
PULASKI HOUSE, SAVANNAH, GA., Jan. 6, 1856.

HONORED SIR: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on excruciating neuralgic pains, which ended in chronic rheumatism. Notwithstanding I had the best of physicians, the disease grew worse and worse, until, by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them, I am now entirely well.

SENATE CHAMBER, BATON ROUGE, LA., 5 Dec., 1855.

DR. AYER: I have been entirely cured by your Pills of Rheumatic Gout—a painful disease that had afflicted me for years. VINCENT FLIDELL.

For Dropsy, Plethora, or kindred Complaints, requiring an active purge, they are an excellent remedy.

For Costiveness or Constipation, and as a Dinner Pill, they are agreeable and effectual.

Fits, Suppression, Paralysis, Inflammation, and even Deafness, and Partial Blindness, have been cured by the alterative action of these Pills.

Most of the Pills in market contain Mercury, which, although a valuable remedy in skilful hands, is dangerous in a public pill, from the dreadful consequences that frequently follow its incautious use. These contain no mercury or mineral substance whatever.

AYER'S CHERRY PECTORAL
FOR THE RAPID CURE OF
COUGHS, COLDS, HOARSENESS, INFLUENZA, BRONCHITIS, WHOOPING COUGH, CROUP, ASTHMA, INCIPIENT CONSUMPTION,
and for the relief of consumptive patients in advanced stages of the disease.

We need not speak to the public of its virtues. Throughout every town, and almost every hamlet of the American States, its wonderful cures of pulmonary complaints have made it already known. Nay, few are the families in any civilized country on this continent without some personal experience of its effects; and fewer yet the communities any where which have not among them some living trophy of its victory over the subtle and dangerous diseases of the throat and lungs. While it is the most powerful antidote yet known to man for the formidable and dangerous diseases of the pulmonary organs, it is also the pleasantest and safest remedy that can be employed for infants and young persons. Parents should have it in store against the insidious enemy that steals upon them unprepared. We have abundant grounds to believe the *Cherry Pectoral* saves more lives by the consumptions it prevents than those it cures. Keep it by you, and cure your colds while they are curable, nor neglect them until no human skill can master the inexorable cankerer that, fastened on the vitals, eats your life away. All know the dreadful fatality of lung disorders, and as they know too the virtues of this remedy, we need not do more than to assure them it is still made the best it can be. We spare no cost, no care, no toil to produce it the most perfect possible, and thus afford those who rely on it the best agent which our skill can furnish for their cure.
