The WINDMILL with a RECORD

The Auto-oiled Aermotor has behind it 9 years of wonderful success. It is not an experiment.

The Auto-oiled Aermotor is the Genuine Self-Oiling Windmill, with every moving part fully and constantly oiled.

Oil an Aermotor once a year and it is always oiled. It never makes a squeak.

The double gears run in oil in a tightly enclosed gear case. They are always flooded with oil and are protected from dust and sleet.

The Auto-oiled Aermotor is so thoroughly oiled that it runs in the slightest breeze. It gives more service for the money invested than any other piece of machinery on the farm.

You do not have to experiment to get a windmill that will run a year with one oiling. The Auto-oiled Aermotor is a tried and perfected machine.

Our large factory and our superior equipment enable us to produce economically and accurately. Every purchaser of an Aermotor gets the benefit from quantity production.

The Aermotor is made by a responsible company which has specialized in steel windmills for 36 years.

VOLUNTEER FIRE CO.

The Volunteer Fire Company of Chestertown has wisely decided not to give away the three prizes that were offered some time ago and for the simple reason that it was discovered enough money could not be raised through this means to justify the continuance of this particular form of campaign. The money subscribed in this manner will be refunded to the donors in the near future and each person will be given the opportunity either to accept his subscription or to donate it to Fire Company. Inasmuch as this fund is going straight back to the people of the town and county in the form of a speedy and powerful fire engine, which is now in process of being equipped, it is felt that a large number of individual subscribers will see the advisability of contributing the fund to this specific purpose. That, however, will be left to their own good judgment and desire. The money will be refunded to them as an evidence of good faith on the part of the Company.

The securing of the present fire equipment resulted in a reduction of 19 percentum on certain forms of insurance and therefore it has been deemed proper that the fire apparatus now in use be not taken out of Chestertown. It is for that additional reason that plans are being rushed to equip the new county-wide engine. During the last six months the Company has been called out to about nine fires; four of these calls coming from outside of Chestertown. It will thus be seen that there is a real and imperative need for the new county apparatus and it will further be realized that the people of Kent county, outside of Chestertown, have a pressing obligation to support the campaign for funds in this respect. Approximately $2,000 will be required to complete the necessary amount. A committee of business men has been appointed to cooperate in this final drive. To those who have already contributed the Company desires to extend its cordial thanks, as well as to those public spirited persons who gave of their time and effort in the campaign. U pon those who have not so far contributed, both in town and county, we urge the realization of what this new equipment means in proper fire protection the county over. Send your donation as soon as you are able to Barber R. Bartley, campaign treasurer, Chestertown. If each reader of this paper meets the issue promptly the remainder of the fund will be raised in a short time.

And please do not forget; fire protection in this community is afforded solely through the willingness of the hold themselves in r and all times to drop day and night, and v to the assistance of them.

WASHINGTO CRUSHES

Schuylkill Succu Gains But S Chosen Captai ern Shore El Stars In Game.

Washington Co smothered Schuylkil winning by a 40 to lowing the visiting eleven six yards from scrimmage th out the entire game.

Schuylkill did not make a single first down, while Washington piled up a total of 22. Straight football was used almost exclusively by the victors who ran off tackle and around the ends with ease. Negri and Dumschott starred at carrying the ball for long distances, and each was credited with two touchdowns.

After the game the Washington team met to elect its captain for next year, and Michael F. Kelley, who claims Waterbury, Conn., as his home town, was accorded the honor. Captain Jarman is the only player lost by graduation this year. Kelley is a veteran of three years' service on the eleven, and he, together with Right Guard Keenan, starred on the line.

The game was a match all the way through and Washington's feat of holding Schuylkill to a total of six
