NOTICE.

ORDERED by the Commissioners for Talbot county, that the following report of the Examiners appointed on Lloyd's Branch, be published in the Easton papers, and if no objections are made to the recommendations contained therein, the road will be ordered to be altered, and the bridge made accordingly.

By order of the Board,
T. K. ROBSON,
Clerk.

REPORT

To the Honorable Commissioners for Talbot County.

We, the subscribers, appointed by your Honorable Body to Examine Lloyd's branch, on the road leading from Hillsborough to Willoughby's Shop, to ascertain the necessity of building a bridge across said branch have examined the same, and do consider that it will greatly improve the travel and be of great advantage to the neighborhood, and do therefore think it necessary to recomend it. The cheapest and best plan would be to straighten the road at said branch. It will take a bridge of 40 feet span, to give vent to the water, and the improvement would probably cost about $450.
