Deer Hunting Opned On Shore on Monday

Fresh hunting grounds in four Eastern Shore counties were opened during Maryland's six-day deer season started Monday at sunrise.

Dorchester, Somerset, Wicomico, and Kent will be legal hunting grounds this year in addition to the counties of Garrett, Allegany, Wash ington, Frederick, Cecil and Worcester.

Hunters in Kent county were prohibited from using rifles. They may use a shot gun loaded with a rifled slug known as a "pumpkin ball," or a bow and arrow.

Everyday low prices at Clover Farm means extra low prices on a wide variety of finest foods all week long.
