REG. HOLSTEIN BULLS FOR SALE

We made the prediction last year that good bulls of serviceable age would be scarce this year. If you do not believe they are, go out and try to buy a T. B. tested bull old enough for service. They will be harder to find next year. We have several born last October and November that will be ready for service this fall.

Epsom Salts in Sugar Coated Tablet Form

Anyone May Take Salts Now

The best physicians have always advocated the free use of Epsom Salts to start the action of torpid liver, to clear the blood and to cleanse the system generally. But because Epsom Salts are so "nasty" to take and so upsetting to the stomach, most people prefer to use something else.

But now all this is ended. Now anyone may take Epsom Salts compound—in sugar coated tablet form—a new method just perfected in one of the largest scientific laboratories in the country.

Wonderful results follow the use of this tablet. Thousands are taking them for laxative and blood cleansing purposes. They are actually pleasant to take. In addition to being sugar coated another coating of Salol is given them—this Salol is the greatest intestinal antiseptic known to medicine. Anyone may be sure to get the right kind of Epsom Salt Tablet with this special Salol coating by asking any dealer for Dill's Epso-Tabs. A large box costs only 25 cents. The Dill Company, Norristown, Pa.
