TOM THUMB OF THE CIRCUS DIES

Veteran circus folk mourned today the passing of Darius Abner Alden, eitghty-four, who, as "Tom Thumb," a 42-inch midget, for 40 years amused thousands of circus goers with his humor and prowess as a glass blower in side-show attractions.

Born in Media county, Ohio, August 14, 1842, Alden learned the glass-blowing trade, and when in his thirties first traveled about the world with circuses.

Ten years ago he retired from circus life. His death, the result of an internal hemorrhage, followed an illness of three years.

He is survived by his widow, 82 years old and also 42 inches in height whom he married while in his teens.

He was the last of his family, the rest of whom were all of normal stature.

In the Circuit Court for Kent County.
In Equity, No. 2432.

The object of the Bill filed in the above entitled case is to procure a Decree for Divorce a vinculo matrimonii.

The Bill states:

1. That on the 17th day of July, 1920, Thomas W. J. Perry was married to his wife, Ethel Marie (Johnson) Perry, at Chestertown, Kent county, Maryland, by Rev. Omar E. 3. That your orator and the said defendant, Ethel Marie (Johnson) Perry had one child born to them by said marriage, whose name is Myrtle Marie Perry, aged five years, and who at the time of filing this Bill of Complaint, is residing with said defendant and her mother, at Buffalo, State of New York, and who is receiving good motherly care and attention by the said defendant and her mother.

4. That the said defendant, Ethel Marie (Johnson) Perry is a non-resident of the State of Maryland.

5. That your orator is a resident of Kent county, Maryland, where he has lived all his life.

GIRLHOOD TO MOTHERHOOD

Iowa Woman Found Lydia E. Pinkham's Vegetable Compound Always Helpful

Vinton, Iowa.—"When I was seventeen years old I had to stay at home from school. I finally had to quit school, I was so weak. I suffered for about two years before I took Lydia E. Pinkham's Vegetable Compound, then I picked up one of your books and read it. I began taking the medicine. Now I am a housekeeper with six children, and I have taken it before each one was born. I cannot tell you all the good I have received from it. When I am not as well as can be I take it. I have been doing this for over thirteen years and it always helps me. I read all of your little books I can get and I tell everyone I know what the Vegetable Compound does for me."—MRS. FRANK SELLERS, 510 7th Avenue, Vinton, Iowa.

Many girls in the fourth generation are learning through their own personal experiences the beneficial effects of Lydia E. Pinkham's Vegetable Compound. Mothers who took it when they were young are glad to recommend it to their daughters.

For over half a century, women have praised this reliable medicine.
