National Radio Coverage For Marcian-Charles Bout

All of the excitment that places a heavyweight championship bout among the tops of all sports entertainment will be carried as an exclusive radio presentation on the Gilletee Cavalcade of Sports Thursday evening, June 17. With home television barred for this event, boxing fans coast-to-coast can follow the ring doings of Rocky Marciano versus Ezzard Charles by tuning their local ABC radio outlet at 10 P.M.

Marciano, realizing that his power rather than any particular boxing style is his best weapon, encamped at his Grossinger's training site two months prior to the start of serious training. Disappointed in his timing against LaStarza last September, Rocky feels an early training start can remedy that fault and put him in superb physical condition to remain undefeated in this, his forty-fifth professional bout and fourth defense of his world title. The pride of Brockton ,Mass. made his pro debut on February 4, 1947 and since that time, Joe Louis, Rex Layne and Joe Wolcott in two chances, make up a portion of the forty bouts in which the contenders made only abbreviated appearances against the Rock.

Boxing experts consider Charles a vastly improved challenger, based on the slugging style he unveiled in recent bouts against Coley Wallace and Bob Satterfied. Fistic historians will have pen in hand as Ezzard has the opportunity to become the first heavyweight to regain the crown he relinquished to Wolcott in July '51 .Charles will go into the ring in peak physical condition and it is expected he will prove more difficult than LaStarza for the Champ. Winner of every amateur tournament he ever entered, Ezzard has amassed a total of 87 wins, including 53 kayos, since joining the professional ranks in March 1940.

Don Dunphy and Bill Corum will occupy ring-side seats at Yankee Stadium to provide boxing fans with a blow-by-blow description plus all the interesting sidelights of the bout. Should the weather gods be unfavorable on Thursday evening, the bout will be rescheduled for Monday, June 21, same time, same station.

Q. I'm 67 years old. For the past two years I've been working part time. Am I eligible for benefits?

A. If you earned as much as $50 a quarter during six calendar quarters in social security covered jobs, you meet minimum requirements for benefit payments, since you are over 65 years of age. The six quarters of coverage may have been earned any time since January 1, 1937. Should a person become 65 after June 30, 1954, he will need more than six quarters of coverage to be eligible for benefits.

Be careful — drive safely

Why GMC's make other trucks out of date

The GMC light-duty truck **does more** because it has, as *standard equipment*, a full 125-horsepower engine—the most powerful 6 in its class.

The GMC light-duty truck **saves more** because its Truck Hydra-Matic Drive* ends repairs caused by shock-loading strains—ends all clutch costs—uses less gas—spares the tires.

The Hydra-Matic GMC light-duty truck **performs better** because it always is in the correct gear for the need—*regardless.*

The Hydra-Matic GMC light-duty truck **handles easier** because you never have to shove a clutch or shift a gear.

The GMC light-duty **commands respect** with its dashing smartness—its look of quality—its spacious luxury cab, that make you and your wife proud to take it anywhere.

The GMC light-duty truck costs less to own—less to run—than old-style trucks. Come in and we'll demonstrate it!
