"Knights" Will Ride Again In St. Joseph's Tournament

This August 4, as they have each year for more than 100 years, the "knights" of the Old St. Joseph's Tournament will ride for the honor of selecting the tournament's "Queen of Love and Beauty."

The event takes place on the grounds of Old St. Joseph's Catholic Church near Cordova. The exact date of the colorful tourney's origin is unknown, but it has been traced back at least 100 years.

It is the oldest tourney of its type on the Shore.

The knights, with fancy names and occasionally fancy dress, use "lances" to spear a series of three suspended rings over a 100-yard straight course.

The one spearing the most rings after a succession of rides is the winning knight. The "Queen of Love and Beauty" honor goes to the winner's wife or girl friend.

Most riders in the tourney are from Kent ,Queen Anne's, Talbot ad Caroline counties.

A horse show is to be held in the morning, followed by a noon meal served by the ladies of the parish.

The tourney begins about 2 P.M. and lasts about 2½ hours, depending on the number of knights entered.

A dance in the evening at the Cordova school winds up the holiday.

This year, as for the last twelve years, the chairman of the tournament is Harry D. Slaughter, of Cordova. His father, H.T. Slaughter, was chairman before him.

Judge J. DeWeese Carter, of Denton ,is scheduled to give the coronation address. Don Riely, former Baltimore sportswriter, is to deliver the "Charge to the Knights."

H.H. Balch, of Talbot county, will present the H.T. Slaughter trophy.

Vandals Upset 15 Tombstones in Cemetery

Vandals desecrated the Chesterfield Cemetery in Centreville, causing hundreds of dollars worth of damage, acording to the Town Commissioners.

It was reported that a total of 15 tombstones were turned over in the cemetery recently. Some were lifted from their bases and dowel pins were broken on numerous others. Fortunately for the owners, none of the marble slabs were broken.

John Pinder, cemetery superintendent, has warned several teenagers recently who have been seen breaking some of the old boxwood in the cemetery not to play in the area. It is not known if the same children are responsible for this latest outbreak of vandalism.

The Town Commissioners report that an experienced tombstone setter will have to be hired to reset these stones.

Why GMC's make other trucks out of date

The GMC light-duty truck does more because it has, as standard equipment, a full 125-horsepower engine—the most powerful 6 in its class.

The GMC light-duty truck saves more because its Truck Hydra-Matic Drive* ends repairs caused by shock-loading strains—ends all clutch costs—uses less gas—spares the tires.

The Hydra-Matic GMC light-duty truck performs better because it always is in the correct gear for the need—regardless.

The Hydra-Matic GMC light-duty truck handles easier because you never have to shove a clutch or shift a gear.

The GMC light-duty commands respect with its dashing smartness—its look of quality—its spacious luxury cab, that make you and your wife proud to take it anywhere.

The GMC light-duty truck costs less to own—less to run—than old-style trucks. Come in and we'll demonstrate it!
