Hunt Brothers Circus at Centreville, Monday Sept. 13

Automobiles are judged by their horsepower, tall buildings by the number of stories in them, farms by acres and circuces by their elephants. And Hunt Bros. Circus which comes to Centreville on Mon. September 13 has eight of them.

In addition Hun tBros. Circus has been in continuous operation since 1892 under the same ownership and management, has 23 displays in its program utilizing 45 acts and has been acclaimed by press and public alike as "all circus" during its current season.

The circus will be at the ball park in Centreville, sponsored by the Junior Womans Club.

The Loyal-Repensky troupe of world famed bareback riders are one of the feature attractions this year. Six people with a fine array of horses, they present one of the most outstanding riding acts in the circus world today and have been featured in shows in both this coun try and Europe. Only this spring they returned from a successful tour of South America with their own Circus.

Other attractions include Louie Arley and the Oliver Sisters in a remarkable exhibition of balancing; Bob Stanley, the "slightly inebraited gentleman" on the slack wire; the Hunt Bros. trained elephants presented by Capt. Roy Bush, Capt. Eddy and Miss Marsha Hunt, world youngest elephant trainer; Marvin and Hazel Case, king and queen of the tight wire; Millie Mae and Diane in their rolla rolla act; Happy Suitzer and his comedy mule, Frances; trained horses, ponies and dogs the funny clowns and a host of others.

As the added attraction this season Hunt Bros. Circus proudly presents Madam Tanit Ikao, East Indian mystic who hypnotizes alligators ,crocodiles ,snakes and domestic animals and climaxes her exhibition with a series of ancient Hindu torture rites. Truly, hers is a performance that must be seen to be believed.

Remember, Hunt Bros. Circus is in Centreville on Monday, September 13, arriving Sunday forenoon Marley Park. The public is invited to visit the ball park showgrounds dur ing the Sunday. The Junion Woman Club, sponsors of the engagement, are selling tickets at the same prices that will prevail on show day. Since they get a larger percentage of profit on all advance sales why not get yours now and not have to stand in line circus day.

GOOD TIMBER FOR SALE

Timber—About 10 acres of nice timber, opposite Boyle's old filling station on old route 50 near Queenstown, Md., can be seen anytime. Right on the highway. Easily removed. Make offer to Otto Biehl, 135 Bayside Drive, Baltimore, 22. Maryland.

50% better mileage—

NOT 5¢ FOR REPAIRS IN 34,400 MILES!"

Here's the typical performance record of GMC Hydra-Matic trucks as being reported from all parts of the country*

A WHOLESALE BAKER, supplying his entire state, put Hydra-Matic GMC's on his longest routes. In racking stop-and-go-work, they're averaging 58 delivery stops per day, 28,000 miles per year.

Here's what their carefully kept records show:

The Hydra-Matic GMC's are getting 12.2 miles to the gallon—50% more than their standard trucks.

In use now up to 34,400 miles, not a nickel has been spent on repairs for any one of them.

Brake linings, usually replaced at 25 or 30 thousand miles, are still in good shape.

Clutch replacement, usually necessary at about 16,000 miles, is completely eliminated.

And the drivers of these Hydra-Matic GMC's are the happiest, most job-contented men you'd want to employ!

Now, how about *you?* From Pickup to heavy-duty hauler, there's a Hydra-Matic GMC to better any trucking operation. Come in and let's see about yours.

**Standard on many models; optional at extra cost on some others*

Get a modern truck!

Be careful—drive safely
