Polio Goal Set In Queen Anne's

Bills for Queen Anne's County polio patients from last year for July amounted to $1,229.10, as another urgent plea went out of county head quarters of the National Foundation for Infantile Paralysis to support the Emergency March of Dimes.

The county now owes Baltimore hospitals close to $10,000 for polio patients care since November and has been unable to meet the expenses because funds are exhausted.

Miss Catherine Kirwan, county campaign chairman, reported that 160 letters have been returned and the fund stands at $400. "We are hoping to raise $1,000," she said. A bake has been held by the Pythian Sisters, Grasonville and $35.28 turned over while a first prize of $15 was given to the fund by a Stevensville group in the variety parade at the Kent Island Firemen's Carnival.

Checks may be made to the March of Dimes and mailed to Miss Kirwan at Chester, or left at the Centreville National Bank with Sydney Gadd, or at the Record-Observer office in Centreville with Mrs. Glenn T. James.

There were 13 cases here last year and one has been reported for this year. Of last year's victims, three are still in Children's School Hospital ,Baltmiore.

Telephone Rates Increas 2 to 3 Cents Per Day

Quote—W.G. Morrel, Vice-President of C. & P. Telephone Company of Baltimore City.

The denial of about 4½ million dollars needed additional Revenues will make our job of meeting telephone requirements of the people of the state of Maryland, all the more difficut.

Despite this, however, the rate relief granted will be helpful and we will continue our efforts to furnish telephone customers the best possible service.

Keeping telephone communications abreast of the states growth remains our prime objective.

WOMAN OF CHARACTER

If you have been recently widowed, or otherwise find yourself in the position of desiring to make new friends, develop new contacts, and supplement your income you possibly can qualify fo ra full-time or part-time local position with a Marshal Field family-owned enterprise. For local interview write giving age, education, experience, telephone. The Queenstown News, Queenstown, Md., Phone 2161.

50% better mileage—

NOT 5¢ FOR REPAIRS IN 34,400 MILES!"

Here's the typical performance record of GMC Hydra-Matic trucks as being reported from all parts of the country*

A WHOLESALE BAKER, supplying his entire state, put Hydra-Matic GMC's on his longest routes. In racking stop-and-go-work, they're averaging 58 delivery stops per day, 28,000 miles per year.

Here's what their carefully kept records show:

The Hydra-Matic GMC's are getting 12.2 miles to the gallon—50% more than their standard trucks.

In use now up to 34,400 miles, not a nickel has been spent on repairs for any one of them.

Brake linings, usually replaced at 25 or 30 thousand miles, are still in good shape.

Clutch replacement, usually necessary at about 16,000 miles, is completely eliminated.

And the drivers of these Hydra-Matic GMC's are the happiest, most job-contented men you'd want to employ!

Now, how about *you?* From Pickup to heavy-duty hauler, there's a Hydra-Matic GMC to better any trucking operation. Come in and let's see about yours.

**Standard on many models; optional at extra cost on some others*

Get a modern truck!

Be careful—drive safely
