LIVELY DOINGS ON COLLEGE HILL

College Glee Club has started functioning with Raymond L. Moffett as advisory director. Miss Louise Russell is at the piano.

Ernest A. Howard, secretary of the duPont Co., Wilmington, has accepted position as Alumni Editor of Elm.

The Mt. Vernon started with good program. Alice Dole and Edwin Colbourne were elected to fill vacancies on the Board of Curators.

-:-:-:-

Wade Bounds, president of Alumni- has offered a gold football to the person who does most to aid football at cllege this year.

-:-:-:-

John E. Davis, senior physical director at the Veteran's Hospital on Perry's Point addressed the college assembly Thursday, October 1st, on the subject of "Physical Training as an Aid for Mental Illness." He gave a fine talk. His wife, who was Miss Hicks, accompanied him.

-:-:-:-

In a hotly contested battle held in William Smith Hall DeWitt Clarke defeated James Carey by the margin of a single vote for the office of Junior Member of The Blue Key fraternity. Previous to this Clarke had also defeated Joseph Dickerson for the presidency of the Junior Class by a somewhat larger majority.

The men elected will hold office until June when the class will once again go to the ballot box.

Upon their return to the campus this year the students that reside in Middle Hall, were somewhat surprised and very much pleased to find that a lounging room had been added to their dormitory.

Unusual interest and enthusiasm in the Young Women's Christian Assocation was shown Monday when so many of the Freshmen and upperclassmen attended the first program of the school year.

All those present thoroughly enjoyed the talk given by Mrs. Harry Wright, wife of the pastor of the Chestertown M. E. Church.

-:-:-:-

The Pentagon Chapter of The Blue Key fraternity of Washington College began the year's activities by sponsoring the new college signs and by renewing once more the Reid Hall Saturday night frolic.

The officers of the organization this year are:

Oliver Robinson, President.
Howard Plummer, Vice President.
Hubert Ryan, Secretary.

-:-:-:-

President Oliver Robinson announced that The Adelphia Literary Society would hold its first meeting Wednesday, Oct. 7, in the assembly hall. The feature of this meeting will be a Freshman program in which all freshmen are invited to participate. New members will be taken into the society at this time.

The officers for the first half year are:

Mr. Robinson, President.
Mr. Luddy, Vice President.
Miss Parks, Secretary.

-:-:-:-

The first scheduled meeting of the Y. M. C. A. under President Lindley E. Cook was held Thursday evening, in William Smith Hall with more than twenty members present.

In addition to the regular services an interesting talk, "Five Points of the Well Educated Man," was delivered by Dr. Frederick Livingood.

Plans are now being laid by the members to have for their speaker on November 22nd, Mr. Ewlin Parlin, of New York City. Mr. Parlin's wide travels in the Orient allow him to speak with authority on the Chinese problem.

The officers for the year of 1931-1932 are:

President, Ludley E. Cook.
Vice Pres., Ralph E. Harris.
Secretary, Walter A. Granford.
Treasurer, Emmett C. Kauffman.

BANK WITH PLENTY OF CASH CLOSES

Depositors of the Mayfair State Savings Bank were asked today to call around and get their money, as the bank is going to stop accepting deposits on September 30. T. B. McGrath, Jr., president of the bank, said there was more than enough cash on hand to pay every cent of the deposit, which total $600,000.

State Auditor Oscar Nelson said this was the first time he had ever heard of a bank voluntarily going out of business and paying 100 cents on the dollar.

President McGrath said "we are closing because we can't make money."

He added that it was expected that from $65 to $75 would be realized on each share of the bank's stock.

SEVEN-CENT GAS TAX!

Florida now has the distinction of enjoying the highest gas tax in the United States—Seven cents a gallon. The National Automobile Chamber of Commerce has just published figures to show that motor vehicle taxation has reached a point where it has become such a burden to many people that it is causing curtailment in use of automobiles. The 1930 peak of automobile and gas taxes represented so great a cost that at last 134,000 owners failed to register their cars. Registrations fell off in 20 states, notably among those with the highest automobile tax.

Florida, with an average tax of $53.74 per vehicle, lost 18,000 registrations. Oregon, with a peak average tax of $62.73, showed a decrease of 17,000. Declines in registration ranging from 15,000 to 30,500 vehicles were reported by Kentucky, Georgia, Vermont, Arkansas, Virginia, South Carolina, Louisana and North Carolina.

Mahatma Gandhi is a living proof that it isn't necessarily the person who puts up the best front who really has the goods.

THE WOODS IN THE AUTUMN

By Alice Matthews

The woods in the Autumn always to me
Seem filled with exquisite and rare melody.
The crunch of the leaf, the death of the flower
Somehow reveal the deep music of power.
The lost butterfly—and the murmuring bee
On circling flight now truly must be!
Away meadow-Lark, away into space, —
Summer now over, swift goes the bird-race-
And all friendly places of summer replete
With music and laughter, the contact now meet
Of a far deeper tone, more solemn of sound,
For a spell all mysterious gathers around.
A spectral strange huntsman over Fall's ground
Is ever at midnight, with Gabriel's Great Hounds
A-touching up leaves with a royal display,
And a-cloistering like nuns the flowers snug away-
