Horace M. Morgan Elected President of Md. Society

The election of Horace M. Morgan of Queen Anne, Maryland as President of the Maryland Society for Crippled Children and Adults, the Easter Seal Society of Maryland, was announced at the annual meeting of the Society held at the Stafford Hotel in Baltimore on the 14th of October.

As one of its many services to the crippled children and adults of Maryland ,the Maryland Society for Crippled Children has just recently opened an Eastern Shore EasterSeal Treatment Center near Easton to serve the five Counties of Caroline, Drchester, Kent, Queen Anne and Talbot.

Mr. Morgan is a well-known figure in Eastern Shore business, civic and fraternal circles. He recently completed a ten year term on the State Board of Education, is a Director of the Queenstown Bank, member Advisory Council of Queen Anne's County School Board, member of Mental Hygiene Board for Queen Anne's County, member Queen Anne's County Recreation Commission and is District Chairman of Tri-County Area BoyScouts. Mr. Morgan is a member of the Queenstown Lions Club and is a Blue Lodge Mason.

Voting Machines Bill Settled by Queen Anne's

The Queen Anne's County Commissioners paid a $54,250 bill last Wednesday for 35 voting machines.

The bill, which arrived at the commissioners' office during the pats week, was paid in cash out of general funds, a spokesman said.

Following a two-month recount hassle over paper ballots, the order for the voting machines so that they could be used in the general election next month.

The machines cost $1,550 each. Nine are now being used for demonstration purposes in the county.

Special instruction periods for voters in the use of the machines were to be set up today by the Board of Election Supervisors.

DELMARVA

We are indeed indebted to you for the important job you did for us during the hurricane. We take this opportunity to thank you publicly and tell our customers about your generous aid.

When salt spray, driven by hurricane winds, coated insulators at our substations, causing short circuits, you came forward with offers of man-power and equipment to hose them down and wash the salt off. Restoration of electric service was speeded thereby

THANK YOU
